PATENT APPLICATION ASSIGNMENT

This Patent Application Assignment is entered into as of April 30, 2010 by Unisys Corporation, a Delaware corporation having a principal place of business at Township Line and Union Meeting Roads, Blue Bell, PA 19424 (“Assignor”) and Molina Information Systems, LLC, a California limited liability company, having a principal place of business at 200 Oceangate, Suite 100, Long Beach CA 90802. (“Assignee”).

WITNESSETH THAT:

WHEREAS Assignee desires to acquire, and Assignor desires to convey the full and exclusive right, title and interest to the invention entitled “Industry Standards Modeling System” and the application for the invention at U.S. Patent Application Serial No. 61/232,950, filed on September 3, 2009, Unisys Docket No. VA015 (the “Patent”);

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Assignor does hereby assign the full and exclusive right, title and interest (except for Permitted Liens) to the Patent and to all Letters Patent or similar legal protection issued therefrom, and to any continuation, division, renewal, substitute or reissue thereof or any legal equivalent thereof in the United States or a foreign country for the full term or terms for which the same may be granted, including all priority rights under the International Convention; and Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for the Patent to Assignee in accordance with the terms of this Patent Application Assignment and hereby transfers all rights of action, power and benefit belonging to or accruing from the Patent including the right to undertake proceedings to recover past and future damages and claim all other relief in respect of any acts of infringement thereof whether such acts shall have been committed before or after the date of this assignment.

This Patent Application Assignment may be executed and delivered with original signatures, by facsimile transmission or as a "pdf" or similar attachment to an electronic transmission.

IN WITNESS WHEREOF, Assignor has caused this Patent Application Assignment to be duly executed by its authorized representative as of the date first above written.
