Re: Loan and Security Agreement, dated as of February 2, 2000 (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), between Aaron Industries, Inc. (the "Borrower") and General Electric Capital Corporation ("GECC")

Ladies and Gentlemen:

In connection with the payment of the indebtedness owing by Borrower to GECC under the Loan Agreement referenced above and the transactions described in that certain Termination Letter, dated March 31, 2004, among Borrower, GECC and Harris Trust and Savings Bank ("New Lender"), GECC hereby authorizes Borrower, New Lender or their respective counsel to file and record any and all Uniform Commercial Code financing statement terminations and any other lien release documents to evidence or otherwise give public notice of the terminations and releases of GECC's security interests in, security titles to and other liens on all real and personal property of the Borrower granted to GECC pursuant to the Loan Agreement; provided, however, that any and all such termination statements, releases and other such documents shall be prepared and recorded at the Borrower's expense.

New Lender and Borrower each acknowledge and agree that the above authorization does not authorize the termination, release or amendment of any security interests, security titles or other liens relating to any indebtedness, obligations and liabilities owing by Borrower to any affiliates of GECC but only authorizes the terminations and releases of security interests, security titles and other liens granted by Borrower to GECC pursuant to the Loan Agreement.

Very truly yours,
