TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Security Agreement") made as of October 5, 2005, among SONNEBORN HOLDING, LLC, a Delaware limited liability company ("Parent Company"), SONNEBORN ENTERPRISES, INC., a Delaware corporation ("Immediate Parent Company"), SONNEBORN INC., a Delaware corporation ("Company") and SONNEBORN (CANADA) HOLDING CORP., a Delaware corporation ("Sonneborn Canada"; Parent Company, Immediate Parent, Company and Sonneborn Canada herein called, individually and collectively, "Grantor"), in favor of LASALLE BANK MIDWEST N.A., with an office at 135 South LaSalle Street, Suite 425, Chicago, Illinois 60603 (acting by and through LaSalle Business Credit, LLC as its agent), not individually but as collateral agent ("Collateral Agent") for itself and the other Secured Creditors (as that term is defined in the U.S. Security Agreement referenced below).

W I T N E S S E T H

WHEREAS, Grantor and Collateral Agent are parties to a certain U.S. Security Agreement of even date herewith (as amended, amended and restated or otherwise modified from time to time, the "U.S. Security Agreement"); and

WHEREAS, in furtherance of the provisions of the U.S. Security Agreement, Grantor desires to execute and deliver this Agreement in favor of Collateral Agent;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Incorporation of U.S. Security Agreement. The U.S. Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the U.S. Security Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Secured Obligations, Grantor hereby grants to Collateral Agent, and hereby reaffirms its grant pursuant to the U.S. Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to all of its now owned or existing and hereafter acquired or arising trademarks, trade names, corporate names, Grantor names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) in connection therewith, including, without limitation, the trademarks and applications listed on Schedule A attached hereto and made a part hereof, and renewals thereof, and all income, royalties, damages and payments now or hereafter due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and

future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are hereinafter individually and/or collectively referred to as the "Trademarks"); all rights corresponding to any of the foregoing throughout the world and the goodwill of the Grantor's business connected with the use of and symbolized by the Trademarks.

3. Warranties and Representations. Grantor warrants and represents to Collateral Agent that:

(i) no Trademark has been adjudged invalid or unenforceable by a court of competent jurisdiction nor has any such Trademark been cancelled, in whole or in part and each such Trademark is presently subsisting;

(ii) Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark, free and clear of any liens, charges and encumbrances, including without limitation, shop rights and covenants by Grantor not to sue third persons;

(iii) Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iv) Grantor has the unqualified right to execute and deliver this Security Agreement and perform its terms.

4. Restrictions on Future Agreements. Grantor agrees that until all Secured Obligations shall have been satisfied in full and the Credit Agreements shall have been terminated, Grantor shall not, without the prior written consent of Collateral Agent, sell or assign its interest in any Trademark or enter into any other agreement with respect to any Trademark which would affect the validity or enforcement of the rights transferred to Collateral Agent under this Security Agreement.

5. New Trademarks. Grantor represents and warrants that, based on a diligent investigation by Grantor, the Trademarks listed on Schedule A constitute all of the Trademarks registered in the United States and applications for registration of Trademarks (other than "intent to use" applications until a verified statement of use is filed with respect to such applications) now owned by Grantor. If, before all Secured Obligations shall have been satisfied in full or before the Credit Agreements have been terminated, Grantor shall (i) become aware of any existing Trademarks of which Grantor has not previously informed Collateral Agent, or (ii) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Security Agreement shall automatically apply thereto and Grantor shall give to Collateral Agent prompt written notice thereof. Grantor hereby authorizes Collateral Agent to modify this Security Agreement by amending Schedule A to include any such Trademarks.

6. Term; Royalties. The term of this Security Agreement shall extend until the payment in full of all Secured Obligations and the termination of the Credit

Agreements. Grantor agrees that upon the occurrence of an Event of Default, the use by the Secured Creditors of all Trademarks shall be without any liability for royalties or other related charges from Secured Creditors to Grantor.

7. Product Quality. Grantor agrees to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices. Upon the occurrence of a Default, Grantor agrees that Collateral Agent, or a conservator appointed by Collateral Agent, shall have the right to establish such additional product quality controls as Collateral Agent, or said conservator, in its reasonable judgment, may deem necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks.

8. Release of Security Agreement. This Security Agreement is made for collateral purposes only. Upon payment in full of all Secured Obligations and termination of the Credit Agreements, Collateral Agent shall take such actions as may be necessary or proper to terminate the security interests created hereby and pursuant to the U.S. Security Agreement.

9. Expenses. All expenses incurred in connection with the performance of any of the agreements set forth herein shall be borne by Grantor. All fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Collateral Agent in connection with the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or otherwise in protecting, maintaining or preserving the Trademarks or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks shall be borne by and paid by Grantor and until paid shall constitute Secured Obligations.

10. Duties of Grantor. Grantor shall have the duty (i) to file and prosecute diligently any trademark applications pending as of the date hereof or hereafter until all Secured Obligations shall have been paid in full and the Credit Agreements have been terminated, (ii) to preserve and maintain all rights in the Trademarks, as commercially reasonable and (iii) to ensure that the Trademarks are and remain enforceable, as commercially reasonable. Any expenses incurred in connection with Grantor's obligations under this Section 10 shall be borne by Grantor.

11. Collateral Agent's Right to Sue. After an Event of Default, Collateral Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Collateral Agent shall commence any such suit, Grantor shall, at the request of Collateral Agent, do any and all lawful acts and execute any and all proper documents required by Collateral Agent in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Collateral Agent for all costs and expenses incurred by Collateral Agent in the exercise of its rights under this Section 11.

12. Waivers. No course of dealing between Grantor and Collateral Agent, nor any failure to exercise, nor any delay in exercising, on the part of Collateral Agent, any right, power or privilege hereunder or under the U.S. Security Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

15. Cumulative Remedies; Power of Attorney; Effect on U.S. Security Agreement. All of Collateral Agent's rights and remedies with respect to the Trademarks, whether established hereby or by the U.S. Security Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Collateral Agent upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Collateral Agent as Collateral Agent may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Collateral Agent in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Collateral Agent deems to be in the best interest of Collateral Agent, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all Secured Obligations shall have been paid in full and the Credit Agreements have been terminated. Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Collateral Agent under the U.S. Security Agreement but rather is intended to facilitate the exercise of such rights and remedies. Collateral Agent shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the U.S. Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the UCC.

16. Binding Effect; Benefits. This Security Agreement shall be binding upon Grantor and its respective successors and assigns, and shall inure to the benefit of Collateral Agent, its successors, nominees and assigns.

17. Governing Law. This Security Agreement shall be governed by and construed in accordance with the laws of the State of New York and applicable federal law.

18. Headings. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede.

19. Further Assurances. Grantor agrees to execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Collateral Agent shall reasonably request from time to time in order to carry out the purpose of this Security Agreement and agreements set forth herein.

20. Survival of Representations. All representations and warranties of Grantor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Credit Agreements.
