TRADEMARK ASSIGNMENT

WHEREAS, SPX Corporation, a corporation organized and existing under the laws of Delaware, having a place of business at 13515 Ballantyne Corporate Place, Charlotte, NC 28277 ("Assignor"), owns the entire right, title and interest in and to the following trademarks, along with all applications and registrations with respect to them, as set forth on Schedule A (hereinafter "Trademarks"); and

WHEREAS, Netzsch Fine Particle Technology, LLC, a limited liability company organized and existing under the laws of Delaware, having an address of 125 Pickering Way, Exton, PA 19341 ("Assignee") is desirous of acquiring the entire right, title and interest in and to the Trademarks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, the entire right, title and interest in and to Trademarks, including without limitation any common law trademark rights in respect thereto, and all renewals and extensions, together with the whole of the goodwill of the business pertaining thereto, the same and the rights of the Assignor to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives; together with all claims for damages by reason of past infringement of the Trademarks, with the right to sue for and collect the same for its own use and benefit, and for the use and on behalf of its successors, assigns or other legal representatives;

UPON SAID CONSIDERATION, Assignor hereby agrees with the said Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with this present, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant (including, without limitation, the recordation of the assignment), it being understood that these covenants and this assignment shall bind and inure to the benefit of the assigns and legal representatives of Assignor and Assignee; and,

Assignor represents, warrants and covenants that neither Assignor nor any affiliate of Assignor shall, in the future, adopt or use, on its own behalf or under license or other grant, any trademark that shall be confusingly similar to the Trademarks, for any goods or services, in any territory worldwide.

IN TESTIMONY WHEREOF, Assignor has caused this assignment to be executed by a duly authorized officer as of the 30th day of April 2010.
