ASSIGNMENT OF TRADEMARK AND DOMAIN NAME RIGHTS

This Assignment of Trademark and Domain Name Rights (the “Assignment”) is entered into as of April 7, 2010 (the “Effective Date”), by and between Ultra Internet Media S.A., a company organized under the laws of Nevis, West Indies, having a principal place of business at 3 Church Street, Suite 481, Basseterre, Saint Kitts and Nevis, West Indies (“Assignor”), and 9218-2161 Quebec Inc., a company organized under the laws of Canada, having a principal place of business at 1155 Rene-Levesque Boulevard West, 40th Floor, Montreal, Quebec, Canada H3B 3V2 (“Assignee”).

WHEREAS, Assignor is the owner, by assignment or otherwise, of the entire right, title, and interest in the trademark registrations and applications shown in Schedule A (“Trademarks”) and of the domain name registrations shown in Schedule B (“Domain Names”); and

WHEREAS, pursuant to that certain Transfer Agreement, dated as of April 7, 2010, by and between Assignor and Assignee, Assignor has agreed to transfer, sell, convey, assign and deliver to Assignee, and Assignee has agreed to purchase, acquire and accept from Assignor, all right, title and interest of Assignor in, to and under the UIM Trademarks (as defined therein), including the Trademarks and Domain Names.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignor hereby transfers, sells, conveys, assigns and delivers to Assignee its entire right, title and interest in, to and under the Trademarks, together with the goodwill of the business symbolized by the Trademarks, and the Domain Names.

2. From time to time, and when requested by Assignee, Assignor shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as Assignee may reasonably deem necessary or desirable to consummate and record this Assignment in any and all jurisdictions throughout the world, including promptly executing and delivering to Assignee such assignments and other instruments as Assignee or its counsel may reasonably request as necessary or desirable for such purpose, and cooperating with Assignee and any registrar of domain names associated therewith to facilitate the filing and processing of all forms and other formalities (including changing passwords, user names, and IP addresses) necessary to complete the transfer of the Domain Names in a timely manner.

3. As of the transfer date of each Domain Name, Assignor shall cease and desist from use of the Domain Name for any purpose, and shall not use or

apply to register a domain name, trademark, or service mark that includes, whether alone or in combination with other words, the Domain Name. For purposes of clarity, nothing in this Paragraph 3 or otherwise in this Assignment shall preclude the use of any domain names, trademarks or service marks by Assignor that are required or otherwise not prohibited under applicable law, including uses of any domain names, trademark or service marks not in commerce, uses that would not cause confusion as to the origin of a good or service, and references to any domain names, trademarks or service marks in historical, tax, and similar records.

4. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Assignment to produce or account for more than one set of counterparts signed by all of the parties. This Assignment shall become effective on the Effective Date.

5. This Assignment shall be governed by and construed in accordance with the internal laws of the Province of Quebec applicable to agreements made and to be performed entirely within such province, without regard to the conflicts of law principles of such province to the extent such principles or rules would require or permit the application of the laws of another jurisdiction.
