NUNC PRO TUNC TRADEMARK ASSIGNMENT

This Nunc Pro Tunc Trademark Assignment ("Assignment") is made and entered into as of this 3 day of June, 2010, with an effective date of June 30, 2008, by and between Collect LLC, a Delaware limited liability company ("Assignor") and Collect Plastics LLC, a Delaware limited liability company with an address of P.O. Box 243, West Hyannisport, MA 02672 ("Assignee").

WHEREAS, Assignor has adopted, used and is using marks listed on Schedule A hereto, which may be registered in the U.S. Patent and Trademark Office and/or foreign trademark offices or may be the subject of pending applications as is detailed in Schedule A, and owns all right, title and interest to the same, including the goodwill associated therewith (collectively, the "Trademarks"); and

WHEREAS, Assignee is desirous of acquiring all right, title and interest in and to the Trademarks, including the goodwill associated therewith and any registrations or pending applications therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges:

1. Assignor hereby assigns, transfers, and delivers to Assignee all of its rights, title and interest in and to the Trademarks, including any registrations or pending applications therefor, the goodwill of the business symbolized thereby, and all proceeds thereof, including, without limitation, any and all causes of action for infringement thereof, to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full end of the term or terms for which the Trademarks may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.

2. Assignor agrees that the Trademarks as defined herein include all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Trademarks.

3. The Assignor also hereby covenants and agrees that the Assignor shall, at the request of Assignee or its counsel, execute, acknowledge and deliver all such further acts, deeds, assignments, transfers, powers of attorney and assurances as may be required to carry out the intent of this Assignment, and to transfer and vest title to and in the Trademarks and to procure, maintain, enforce and protect the right, title and interest in and enjoyment of all of the Trademarks assigned, transferred and conveyed to Assignee pursuant to this Assignment; provided, however, this Assignment shall be effective regardless of whether any such additional documents are executed.
