2. Further Assurances. The Assignor hereby covenants and agrees to warrant and defend the assignment, conveyance, sale and transfer of the Trademark hereby made against all entities or individuals whomsoever, to take all steps reasonably requested by the Assignee to establish the record of the Assignee's title to the Trademark. The Assignor, for itself and its successors and assigns, hereby covenants with the Assignee that the Assignor from time to time hereafter (without further consideration) will do, execute, acknowledge and deliver or will cause to be done, executed, acknowledged and delivered all such further acts, deeds, transfers, assignments, conveyances and assurances for the better assuring, assigning, granting, transferring, conveying and confirming unto the Assignee, its successors and assigns, the Trademark hereby sold, transferred, conveyed and assigned as the Assignee shall reasonably require.
