6. Expenditures by Security Agent. If not discharged or paid by the Additional Guarantor when due, or if not provided for in a good faith contest as required by Subsection 2.7, above, Security Agent may discharge taxes, liens, security interests, or other encumbrances at any time levied or placed on the Collateral, may pay for insurance on the Collateral, and may pay for maintenance and preservation of the Collateral. All such payments shall become a part of the Secured Liabilities secured by this Agreement and shall be payable on demand, with interest from date of expenditure until repaid at the lower of (a) the rate set forth in Section 10.3 of the Facility Agreement or (b) the highest rate permitted by applicable law. Such right shall be in addition to any other rights or remedies to which Security Agent may be entitled on account of default.

7. Events of Default. The Additional Guarantor shall be in default under this Agreement if any Event of Default occurs under the Facility Agreement.

8. Rights of Security Agent.

8.1 Rights Prior to Default or Thereafter. Security Agent and its designated representatives or agents may, during normal business hours and upon compliance with such reasonable security measures as are then in effect by the Additional Guarantor, examine and inspect the Collateral, wherever located. Prior to the occurrence and continuance of

an Event of Default, the Additional Guarantor shall have a license to collect all rents and profits from the use or operation of the Collateral.

8.2 Rights Upon Default or Thereafter. Upon the occurrence and continuance of an Event of Default, Security Agent may, upon such notice to the Additional Guarantor as is required under the Facility Agreement, exercise any one or more of the following rights and remedies in addition to any other rights or remedies that may be available under the terms of the Facility Agreement at law, in equity, or otherwise.

8.2.1 The Security Agent may require the Additional Guarantor to deliver to the Security Agent all or any portion of the Collateral and any and all certificates of title and other documents relating thereto. The Security Agent may require the Additional Guarantor to assemble the Collateral and make it available to the Security Agent at a place to be designated by the Security Agent. The Security Agent shall also have full power to enter upon the property owned or leased by the Additional Guarantor to take possession of and remove the Collateral.

8.2.2 The Security Agent shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of the Additional Guarantor. The Security Agent may sell the Collateral at public auction or by private sale or disposition. Unless the Collateral threatens to decline speedily in value or is of the type customarily sold on a recognized market, the Security Agent will give the Additional Guarantor reasonable notice of the time and place of any public sale or reasonable notice of the time after which any private sale or any other intended disposition thereof is to be made. The requirements of reasonable notice of any sale shall be conclusively met if such notice is mailed by registered or certified mail, postage prepaid, to the address of the Additional Guarantor stated in this Agreement at least ten (10) days before the time of the sale or intended disposition. The Additional Guarantor shall be liable for expenses of retaking, holding, preparing for sale, selling, and all other expenses of the Security Agent in preserving, maintaining or enforcing its rights hereunder, and all such expenses shall be part of the Secured Liabilities secured by this Agreement. The Security Agent may specifically disclaim any warranties in connection with a sale or disposition of Collateral and such disclaimer will not adversely affect the commercial reasonableness of the sale or disposition.

8.2.3 The Security Agent may have a receiver appointed as a matter of right. The receiver may be an employee of the Security Agent and may serve without bond. All fees of the receiver and his attorney shall be paid by the Additional Guarantor on demand and secured hereby.

8.2.4 The Security Agent may revoke the Additional Guarantor's right to collect the revenues from the Collateral, and may, either itself or through a receiver, collect the same. To facilitate collection, the Security Agent may notify any account debtors of the Additional Guarantor to pay directly to the Security Agent, and the Additional Guarantor shall not take any action to adversely affect direct payment from account debtors to the Security Agent. The Security Agent may receive, open and reasonably dispose of mail addressed to the Additional Guarantor and endorse notes, checks, drafts, money orders, documents of title or other evidences of payment, shipment or storage or any form of Collateral on behalf of and in the name of the Additional Guarantor.

8.2.5 The Security Agent may set-off against any and all deposits, accounts, certificate of deposit balances, claims, other sums at any time credited by or due from the Security Agent to the Additional Guarantor and all other property of the Additional Guarantor in the possession or control of the Security Agent.

8.2.6 The Security Agent may use or transfer, without charge or liability, any of the Additional Guarantor's labels, trade names, trademarks, patents, licenses, certificates of authority, or advertising materials in advertising for sale and selling of the Collateral.

8.2.7. The Security Agent may obtain a judgment for any deficiency remaining in the Secured Liabilities due to the Security Agent after application of all amounts received from the exercise of the rights provided in this Section. The Additional Guarantor shall be liable for a deficiency even if the underlying transaction is a sale of accounts or chattel paper.

8.2.8. In addition to the foregoing, the Security Agent shall have and may exercise any or all of the rights and remedies of a secured creditor under the provisions of the UCC, at law, in equity, or otherwise.

9. Waiver by the Security Agent. The Security Agent shall not be deemed to have waived any rights hereunder, under the Facility Agreement, or under any of the Finance Documents, unless such waiver is in writing and signed by the Security Agent. No delay or omission on the part of the Security Agent in exercising any right shall operate as a waiver of such right or any other right. No consent or waiver, express or implied, by any party to or of any breach or default by the other in the performance by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other party of the same or any other obligations hereunder.

10. Waivers by the Additional Guarantor. The Additional Guarantor makes the following waivers and assents:

10.1 With respect both to the Secured Liabilities and any collateral granted by any person in respect thereof, the Additional Guarantor assents to: (i) any extension or postponement of the time of payment or any other indulgence; (ii) any substitution, exchange or release of such collateral; (iii) the addition or release of any party or person primarily or secondarily liable; and (iv) the acceptance of partial payments thereon and the settlement, compromise or adjustment thereof, all in such a manner and at such time as the Security Agent deems advisable.

10.2 The Additional Guarantor agrees that the Security Agent shall not have any duty to collect or protect the Collateral or any income thereon, nor to preserve rights against prior parties, nor to preserve any rights pertaining to the Collateral beyond the safe custody thereof.

10.3 The Additional Guarantor waives notice of obligations incurred and all other notices of any kind, all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar law now or hereafter in effect, any right to require the marshalling of assets and all suretyship defenses generally. Without limiting the generality of

the foregoing, the Additional Guarantor agrees to the provisions of any instrument evidencing, securing or otherwise executed in connection with this Agreement or the Finance Documents.

11. Remedies Cumulative. All of the Security Agent's rights and remedies, whether evidenced hereby, by any other document, or by law, shall be cumulative and may be exercised singularly or concurrently. Election by the Security Agent to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of the Additional Guarantor under this Agreement after the Additional Guarantor's failure to perform shall not affect the Security Agent's right to declare a default and exercise its remedies under Section 8 hereof or under any of the Finance Documents.

12. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties, their heirs, successors, and assigns. Should the Security Agent transfer its interest in the Collateral, the Additional Guarantor will not assert as a defense, counter-claim, set-off or otherwise against the Security Agent's assignee any claim known or unknown which the Additional Guarantor now has or claims to have or hereafter acquires against the Security Agent, and each right given to the Security Agent shall accrue to and may be exercised by any assignee.

13. Notices and Correspondence. All notices, requests, demands or other communications to or upon the respective parties hereto shall be made in accordance with Section 32 of the Facility Agreement to the parties at their respective addresses set forth below, or at such other addresses as the parties may from time to time specify in writing:

The Additional Guarantor shall not exercise any rights against any other obligor under the Finance Documents by way of subrogation, exoneration, or otherwise, until the obligations secured hereunder are paid and performed in full.
