U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT

This U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT (“**IP Security Agreement**”) dated July 1, 2010, is made by (i) Axxana (Israel) Ltd. (the “**Grantor**”), a company organized under the laws of the State of Israel, with offices located at 38 Habarzel St. (Lobby B) Tel-Aviv, 69710 Israel, and (ii) Kreos Capital III Limited (“**Kreos**”), a company incorporated in Jersey under registered number 05981165 whose registered office is at 47 Esplanade, St Helier, Jersey.

WHEREAS, Kreos and the Grantor entered into that certain Loan Agreement (the “**Loan Agreement**”) dated July 1, 2010, to which a Debenture - Floating Charge (the “**Debenture - Floating Charge**”) and a Debenture - Fixed Charge (the “**Debenture - Fixed Charge**”), in each case executed by the Grantor and Kreos, are attached as exhibits (the Debenture – Fixed Charge and the Debenture – Floating Charge, together, the “**Charge Agreements**”); and

WHEREAS, under the terms of the Debenture - Floating Charge, Grantor has agreed, among other things, to grant a floating charge over the intellectual property of Grantor to Kreos and the Grantor has agreed as a condition thereof and in addition to the creation of the charge pursuant to the Debenture - Floating Charge, to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities on any intellectual property owned by it throughout the term of this IP Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Grantor agrees as follows:

Section 1. Grant of Security. Subject to the provisions of the Debenture - Floating Charge Grantor hereby grants to Kreos a security interest in and to all right, title and interest to (i) the registered United States patents and pending applications, including but not limited to the patents and patent applications set forth in Schedule A hereto together with all reissues, divisions, continuations, continuations-in-part, extensions and reexaminations thereof, and all rights therein provided by international treaties or conventions (the “**Patents**”), (ii) the trademarks, service marks, trade names and domain names, including but not limited to the registrations and applications therefor set forth in Schedule A hereto together with all goodwill associated with such trademarks and service marks and all rights therein provided by international treaties or conventions (the “**Trademarks**”), and (iii) all copyrights and registrations and applications therefor set forth in Schedule A (the “**Copyrights**”), all as currently owned by the Grantor or which shall be owned in the future by the Grantor (the “**Collateral**”). Schedule A shall be deemed to be automatically updated, and the Grantor shall promptly file amendments to Schedule A with the U.S. Patent and Trademark Office, upon the application for or acquisition of any new Patents or Trademarks in the United States and with the United States Copyright Office upon the application for or acquisition of any new registrations for Copyrights.

Section 2. Security for Obligations. The grant of a security interest in the Collateral by Grantor under this IP Security Agreement secures the performance of all

obligations and the payment of all money and liabilities owed or incurred by Grantor now or hereafter existing under or in respect of the Loan Agreement and related agreements (the “**Secured Obligations**”).

Section 3. Recordation. Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this IP Security Agreement.

Section 4. Power of Attorney. In the event that Kreos is permitted to receive the Collateral under the Debenture- Floating Charge, Grantor hereby grants to Kreos power of attorney to inspect, take all necessary or desired action, and prosecute any Patents, Trademarks, Copyrights or applications for any of the foregoing that may be included in the Collateral.

Section 5. Right to Request Information. Kreos shall have the right to request, and Grantor shall promptly provide upon such request, information reasonably required in order to confirm that Schedule A is updated.

Section 6. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Loan Agreement and the Charge Agreements. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, Kreos with respect to the Collateral are more fully set forth in the Loan Agreement and/or the Charge Agreements and in the event of any contradiction between this IP Security Agreement and the Loan Agreement or the Charge Agreements, the provisions of the Loan Agreement or the Charge Agreements will prevail.

Section 7. Governing Law; Forum for Dispute Resolution. This Agreement shall be governed by and construed according to the laws of the State of Israel, without regard to the conflict of laws provisions thereof. Any dispute arising under or in relation to this Agreement shall be resolved in the competent court for the Tel Aviv-Jaffa district, and each of the parties hereby submits exclusively and irrevocably to the jurisdiction of such court.

Section 8. Termination. This IP Security Agreement and the security interest granted hereunder to Kreos shall terminate and be of no force upon satisfaction in full of the Secured Obligations. Upon termination, Kreos shall execute all documents necessary to remove the security interest granted thereto by Grantor hereunder.

[REMAINDER OF PAGE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, Grantor and Kreos have caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
