**AMENDED AND RESTATED TRADEMARK AND LICENSE SECURITY
AGREEMENT**

AMENDED AND RESTATED TRADEMARK AND LICENSE SECURITY AGREEMENT ("Agreement") dated as of June 17, 2010, made by O'MARA, INCORPORATED, a Pennsylvania corporation and FILTEX, INC., an Alabama corporation (collectively, the "Grantors" and each individually, a "Grantor"), and PNC BANK, NATIONAL ASSOCIATION ("PNC"), as agent for itself and the Lenders referred to below (PNC, in such capacity, the "Agent").

WITNESSETH:

WHEREAS, Agent, certain financial institutions from time to time a party thereto, and the Grantors entered into that certain Revolving Credit, Term Loan and Security Agreement dated as of September 1, 2005 (as amended, supplemented or otherwise modified from time to time, the "Original Credit Agreement"), pursuant to which, subject to the terms and conditions set forth therein, certain credit facilities have been extended to the Grantors;

WHEREAS, in connection with the Original Credit Agreement, Agent and Grantors entered into that certain Trademark and License Security Agreement dated as of September 1, 2005 (as amended, supplemented or otherwise modified from time to time, the "Original Trademark Security Agreement"), pursuant to which the Grantors agreed to grant a security interest in the "Collateral" (as such term is defined in the Original Trademark Security Agreement);

WHEREAS, Agent, certain financial institutions from time to time a party thereto (the "Lenders") and the Grantors are entering into that certain Amended and Restated Revolving Credit, Term Loan and Security Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Original Credit Agreement is being amended and restated;

WHEREAS, the Agent and the Lenders have required, as a further condition to entering into the Credit Agreement and to secure the Obligations under the Credit Agreement and the Other Documents, that Grantors execute this Agreement in order to, among other things, amend and restate the Original Trademark Security Agreement.

NOW, THEREFORE, for and in consideration of the premises set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms.

- (i) When used herein, (a) capitalized terms which are not otherwise defined have the meanings assigned thereto in the Credit Agreement; and (b) the following terms have the following meanings:

Collateral see Section 2.

Default means the occurrence of any of the following events: (a) any Default; (b) any Event of Default; or (c) any warranty of any of the Grantors herein is untrue or misleading in any material respect and, as a result thereof, the Agent's security interest in any material portion of the Collateral is not perfected or the Agent's rights and remedies with respect to any material portion of the Collateral are materially impaired or otherwise materially adversely affected.

- (ii) The terms "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular section, paragraph or subdivision. Any pronoun used shall be deemed to cover all genders. Wherever appropriate in the context, terms used herein in the singular also include the plural and vice versa. All references to statutes and related regulations shall include any amendments of same and any successor statutes and regulations. Unless otherwise provided, all references to any instruments or agreements to which Agent is a party, including, without limitation, references to the Credit Agreement and any of the Other Documents, shall include any and all modifications or amendments thereto and any and all extensions or renewals thereof.

2. Security Interest in Trademarks. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, each of the Grantors hereby acknowledges, reaffirms, confirms and ratifies its prior grant to Agent, for its benefit and the ratable benefit of the Lenders, pursuant to the Original Trademark Security Agreement of a first priority security interest in the Collateral (as defined below) and each of the Grantors hereby grants, to Agent, for its benefit and the ratable benefit of the Lenders a first priority security interest, having priority over all other security interests, with power of sale (to the extent permitted by applicable law) in all of such Grantor's interest in now owned or existing and hereafter acquired or arising (collectively, the "Collateral");

- (i) trademarks, registered trademarks and trademark applications, trademark registrations, trade names, service marks, registered service marks, service mark applications, and service mark registrations, including, without limitation, the registered trademarks, trademark applications, registered service marks and service mark applications listed on Schedule A, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (c) the right to sue for past, present and future infringements and dilutions thereof, and (d) all of such Grantor's rights corresponding thereto throughout the world (all of the foregoing registered trademarks, trademark applications, registered service marks and service mark applications, together with the items described in clauses (a)-(d) in

this paragraph 2(i), being sometimes hereinafter individually and/or collectively referred to as the "Trademarks");

- (ii) the goodwill of such Grantor's business connected with and symbolized by the Trademarks; and
- (iii) license agreements with any other party in connection with any Trademarks or such other party's trademarks, registered trademarks, trademark applications, trademark registrations, trade names, service marks, registered service marks, service mark applications and service mark registrations, whether such Grantor is a licensor or licensee under any such license agreement, including, but not limited to, the license agreements listed on Schedule B, and the right upon the occurrence and during the continuance of a Default to use the foregoing in connection with the enforcement of Agent's and Lenders' rights under the Credit Agreement (all of the foregoing being hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing provisions of this Section 2, the Licenses shall not include any license agreement which by its terms prohibits (which prohibition is enforceable under applicable law) the grant of the security interest contemplated by this Agreement for so long as such prohibition continues; it being understood that upon request of the Agent, such Grantor will in good faith use reasonable efforts to obtain consent for the creation of a security interest in favor of the Agent in such Grantor's rights under such license agreement.

3. Restrictions on Future Agreements. Each of the Grantors will not, without Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and such Grantor further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would in any material respect affect the validity or enforcement of the rights transferred to Agent under this Agreement or the rights associated with those Trademarks which are necessary or desirable in the operation of such Grantor's business.

4. New Trademarks and Licenses. Each of the Grantors represents and warrants that the Trademarks and Licenses listed on Schedule A and Schedule B, respectively, include all of the Trademarks and Licenses now owned or held by such Grantor. If, prior to the termination of this Agreement, any Grantor shall (i) obtain rights to any new Trademark or Licenses or (ii) become entitled to the benefit of any new or existing Trademark or License, the provisions of Section 2 shall automatically apply thereto and such Grantor shall notify Agent in writing (with reasonable detail) of such changes once every six months; provided that such Grantor shall, within five (5) days of approval, notify Agent and provide Agent with copies of all relevant documents relating to the approval of an application for a domestic Trademark by the United States Patent and Trademark Office. Each of the Grantors hereby authorizes Agent to unilaterally modify this Agreement by (a) amending Schedule A or Schedule B, as the case may be, to include any Trademarks or Licenses which are described under Section 2, or under this Section 4, and (b) filing with the United States Patent and Trademark Office, in addition to and

not in substitution for, this Agreement, a duplicate original of this Agreement containing on Schedule A or Schedule B thereto, as the case may be, the revised list of Trademarks and/or Licenses under Section 2 or this Section 4. Notwithstanding the foregoing, each of the Grantors hereby agrees that Agent's security interest shall extend to all of the collateral listed in Section 2 and this Section 4, regardless of whether Agent actually amends Schedule A and Schedule B.

5. Additional Parties. To the extent permitted by the Credit Agreement, at any time after the date of this Agreement, one or more additional Persons may become parties hereto by executing and delivering to the Agent a counterpart signature page to this Agreement together with supplements to the Schedules hereto setting forth all relevant information with respect to such party as of the date of such delivery. Immediately upon such execution and delivery (and without any further action), each such additional Person will become a party to, and will be bound by all the terms of, this Agreement. Without limiting the generality of the foregoing, upon such additional Person's execution of such counterpart, each reference to "Grantor" herein shall include such additional Person and such Person shall be deemed to have thereupon granted to Agent for its benefit and the ratable benefit of the Lenders a first priority security interest in all of its Collateral, as provided herein.

6. Royalties. Each of the Grantors hereby agrees that the use by Agent of the Trademarks and Licenses as described in Section 2 and Section 4 and as authorized hereunder shall be, to the extent permitted by applicable law, co-extensive with such Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from Agent to such Grantor.

7. Nature and Continuation of Lenders' Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall remain in full force and effect until the Obligations have been paid in full and the Credit Agreement terminated. At such time, the rights granted to Agent hereunder shall also terminate.

8. Right to Inspect; Further Assignments and Security Interests. Agent shall have the right, consistent with the Credit Agreement at any reasonable time and from time to time, to inspect the premises and to examine the books, records, and operations of each Grantor relating to the Trademarks and the Licenses, including, without limitation, such Grantor's quality control processes; provided, that in conducting such inspections and examinations, Agent shall use reasonable efforts not to disturb unnecessarily the conduct of such Grantor's ordinary business operations. From and after the occurrence of, and during the continuance of, a Default, and subject to the terms of the Credit Agreement, each of the Grantors agrees that Agent or a conservator appointed by Agent, shall have the right to establish such reasonable additional product quality controls as Agent or such conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by such Grantor under the Trademarks or the Licenses. Each of the Grantors agrees (i) not to sell or assign its respective interests in, or grant any license under, the Trademarks or the Licenses without the prior written consent of Agent, (ii) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of said products as of the date hereof, and (iii) not to reduce the quality of such products in any material respect without the prior written consent of Agent.

9. Duties of Grantors. Each Grantors shall have the duty, to the extent desirable in the normal conduct of such Grantor's business and consistent with such Grantor's current business practices: (i) to prosecute diligently any trademark applications or registrations or service mark applications or registrations that are part of the Trademarks pending as of the date hereof or thereafter until the termination of this Agreement, (ii) to make applications for trademarks and service marks as such Grantor deems appropriate, and (iii) to take reasonable steps to preserve and maintain all of such Grantor's rights in the trademark and service mark applications and trademark and service mark registrations that are part of the Trademarks. Any expenses incurred in connection with the foregoing shall be borne by such Grantor. No Grantors shall abandon any material trademark or service mark which is the subject of a registered trademark, service mark or application therefor and which is or shall be, in such Grantor's commercially reasonable business judgment, necessary or economically desirable in the operation of such Grantor's business. Grantor agrees to retain an experienced trademark attorney reasonably acceptable to Agent for the filing and prosecution of all such applications and other proceedings. Neither Agent nor any Lender shall have any duty with respect to the Trademarks or Licenses. Without limiting the generality of the foregoing, neither Agent nor any Lender shall be under any obligation to take any steps necessary to preserve rights in the Trademarks and Licenses against any other parties, but may do so at Agent's option during the continuance of an Default, and all expenses incurred in connection therewith shall be for the sole account of the Grantors and added to the Obligations secured hereby.

10. Agent's Right to Sue. From and after the occurrence and during the continuance of a Default, and subject to the terms of the Credit Agreement, Agent shall have the right, but shall not be obligated, to bring suit to enforce the Trademarks and the Licenses and, if Agent shall commence any such suit, each of the Grantors shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement. Each of the Grantors shall, upon demand, promptly reimburse and indemnify Agent for all costs and reasonable expenses incurred by Agent in the exercise of its rights under this Section 10 (including, without limitation, all attorneys' and paralegals' fees). If, for any reason whatsoever, Agent is not reimbursed with respect to the costs and expenses referred to in the preceding sentence, such costs and expenses shall be added to the Obligations secured hereby.

11. Waivers. No course of dealing between any Grantor and Agent, and no failure to exercise or delay in exercising on the part of Agent any right, power or privilege hereunder or under the Credit Agreement or Other Documents shall operate as a waiver of any of Agent's rights, powers or privileges. No single or partial exercise of any right, power or privilege hereunder or under the Credit Agreement or Other Documents shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Agent's Exercise of Rights and Remedies Upon Default. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and during the continuance of a Default, Agent may exercise any of the rights and remedies provided in this Agreement, the Credit Agreement or Other Documents. Without limiting the generality of the foregoing, each Grantor acknowledges and agrees that (i) the Trademarks and the Licenses comprise a portion of the Collateral and Agent shall have the right to exercise its rights under the Credit Agreement with respect to the Trademarks and the Licenses to the same

extent as with respect to all other items of Collateral described therein, and (ii) from and after the occurrence and during the continuance of a Default, Agent or its nominee may use the Trademarks and Licenses to complete the manufacture of, assemble, package, distribute, prepare for sale and sell the inventory, or for any other purpose in connection with the conduct of such Grantor's business. Any proceeds of any of the Collateral may be applied by the Agent to the payment of expenses in connection with the enforcement of Agent's rights and remedies hereunder and in connection with the Collateral, including, without limitation, reasonable attorneys' fees and legal expenses, and any balance of such proceeds may be applied by the Agent toward the payment of such of the Obligations, and in such order of application, as the Agent may from time to time elect (and, after payment in full of all Obligations, any excess shall be delivered to the Grantors or as a court of competent jurisdiction shall direct).

13. Intent-to-Use Applications. Notwithstanding any provision of this Agreement, the applicable Uniform Commercial Code or any other agreement or law, in no event shall any party be required or permitted to assign, convey or transfer any trademark or service mark that is the subject of an application for registration under Section 1(b) of the Lanham Act (15 U.S.C. § 1051(b)), as amended, prior to the filing of the verified statement of use under Section 1(d) of the Lanham Act (15 U.S.C. § 1051(d)), as amended.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 2 and Section 4 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Power of Attorney. All of Agent's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. Each of the Grantors hereby irrevocably appoints Agent as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise to carry out the acts described below. Upon the occurrence and during the continuance of a Default, each of the Grantors hereby authorizes Agent to, in its sole discretion, (i) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for Agent in the use of the Trademarks and the Licenses, (ii) take any other actions with respect to the Trademarks and the Licenses as Agent deems are in its best interest, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks to anyone on commercially reasonable terms, and (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone on commercially reasonable terms. Agent shall take no action pursuant to subsection (i), (ii), (iii) or (iv) of this Section 16 without taking like action with respect to the entire goodwill of such Grantor's business connected with the use of, and symbolized by, such Trademarks. Each of the Grantors hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement shall have been terminated pursuant to Section 7 hereof.

Each of the Grantors acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent or Lenders under the Credit Agreement or Other Documents, but rather is intended to facilitate the exercise of such rights and remedies. Agent and the Lenders shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which, respectively, either (y) the Trademarks may be located or deemed located, or (z) the Licenses were granted.

17. Binding Effect; Benefits. This Agreement shall be binding upon each of the Grantors and its successors and assigns, and shall inure to the benefit of Agent and the Lenders, and their nominees, successors and assigns. Each of the Grantors' successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for such Grantor; provided, however that no Grantor shall voluntarily assign its obligations hereunder without the prior written consent of Agent.

Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of a manually executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile shall also deliver a manually executed counterpart of this Agreement, but the failure to deliver a manually executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.
