This INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT (this “***IP Security Agreement Supplement***”) dated June 30, 2010, is made by the Persons listed on the signature page hereof (each, a Grantor and together, the “***Grantors***”) in favor of CREDIT SUISSE AG (formerly known as Credit Suisse, “***CS***”), as collateral agent (the “***Collateral Agent***”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, THOMAS NELSON, INC., a Tennessee corporation, has entered into the Amended and Restated Secured Credit Agreement dated as of June 14, 2010 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “***Credit Agreement***”), with the Lenders and Agents (each as defined therein) party thereto. Terms defined in the Credit Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement;

WHEREAS, pursuant to the Credit Agreement, the Grantors and certain other Persons have executed and delivered that certain Amended and Restated Security Agreement dated June 14, 2010 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “***Security Agreement***”), made by the Grantors and such other Persons in favor of the Collateral Agent and that certain Intellectual Property Security Agreement dated June 12, 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “***IP Security Agreement***”);

WHEREAS, the security interest granted pursuant to this Agreement and the exercise of any right or remedy hereunder are subject to the provisions of the Intercreditor Agreement dated as of June 14, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the “***Intercreditor Agreement***”), among Thomas Nelson, Inc., Faith Media Holdings, Inc., the subsidiaries of Thomas Nelson, Inc. from time to time party thereto, CS, as Senior Credit Agreement Agent, Wachovia Capital Finance Corporation (New England), as Additional Senior Agent (as defined therein), any other Additional Senior Agent (as defined therein) from time to time party thereto and CS, as Junior Collateral Agent (as defined therein). In the event of any conflict between the terms of the Intercreditor Agreement and this IP Security Agreement Supplement, the terms of the Intercreditor Agreement shall govern and control; and

WHEREAS, under the terms of the Security Agreement the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in the Additional Collateral (as defined in Section 1 below) of the Grantors and have agreed as a condition thereof to execute this IP Security Agreement Supplement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to the following (the "***Additional Collateral***"):

- (a) the patents and patent applications set forth in Schedule A hereto (the "***Patents***");
- (b) the trademark and service mark registrations and applications set forth in Schedule B hereto (*provided* that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "***Trademarks***");
- (c) the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "***Copyrights***");
- (d) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;
- (e) all any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- (f) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the foregoing or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Additional Collateral by each Grantor under this IP Security Agreement Supplement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer to record this IP Security Agreement Supplement.

SECTION 4. Grants, Rights and Remedies. This IP Security Agreement Supplement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Additional

Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 5. Governing Law. This IP Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement Supplement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
