## TRADEMARK ASSIGNMENT

**TRADEMARK ASSIGNMENT** made this 3<sup>rd</sup> day of June, 2010 (the "Assignment"), by OPENSERVICE, INC., a Delaware corporation (the "Assignor"), to NITROSECURITY-OPENSERVICE, INC., a Delaware corporation (the "Assignee").

**WHEREAS**, the Assignor is the owner of the trademark and trademark application set forth on Schedule A attached hereto (the "Trademark");

**WHEREAS**, the Assignor and the Assignee have entered into an Asset Purchase Agreement, dated of even date herewith (the "Purchase Agreement"), pursuant to which the Assignor has agreed to sell, assign and transfer to the Assignee, certain assets, including, but not limited to, all of the Assignor's right, title and interest in and to the Trademark, and Assignee has agreed to accept such assignment;

**WHEREAS**, the Assignee is the successor to the Business of the Assignor for which the Trademark will be used; and

**WHEREAS**, capitalized terms used herewith without definition shall have the meanings ascribed to them in the Purchase Agreement.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

The Assignor does hereby sell, convey, transfer, assign and set over to the Assignee, its successors and assigns, and the Assignee does hereby accept and assume Assignor's full right, title, and interest, to the Trademark set forth on the attached Schedule A, including the right, in each case, to sue and collect damages for past, present and future infringement(s), together with the goodwill of the business related thereto. As an exception to the foregoing, Assignor shall retain such rights and interests as it may require solely for the purpose of defending any infringement action which is brought directly against Assignee for use of the Trademark prior to the date hereof.

The Assignor does hereby authorize the Assignee to record this Assignment and any other documents that may be necessary to effectuate this Assignment and provide notice of this Assignment with the United States Patent and Trademark Office.

The Assignor agrees that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

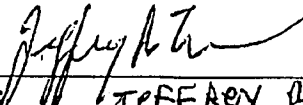

The Assignor further agrees that the Assignor will, upon the Assignee's request, promptly execute and deliver to the Assignee or its legal representative any and all papers or instruments required to maintain, prosecute and/or register the Trademark which may be necessary or desirable to carry out the purposes hereof.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the parties have caused this Trademark Assignment to be duly executed as of the date first written above.
