TRADEMARK SECURITY AGREEMENT

SECURITY AGREEMENT, dated as of July 12 2010 (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), by and between ORCA HOLDINGS LIMITED ("Creditor") and OPSEC SECURITY GROUP, INC., a corporation existing under the laws of the State of Colorado ("Obligor").

Pursuant to the terms of a Facilities Agreement, dated as 1 February 2010 (as amended, restated, supplemented or otherwise modified from time to time, the "Facilities Agreement"), by and between Creditor and OPSEC SECURITY GROUP Group plc ("Borrower"), Creditor has made credit facilities (the "Credit Facilities") available to Borrower, which is the ultimate parent of Obligor. Pursuant to the terms of an Unlimited Inter-Company Composite Guarantee, dated as of 8 March 2010 (as amended, restated, supplemented or otherwise modified from time to time, the ("Guarantee"), by and among Creditor, Borrower, Obligor and the other obligors party thereto, Obligor has guaranteed the obligations of Borrower under the Facilities Agreement. In order to induce Creditor to make the Credit Facilities available to Borrower, Obligor has agreed to grant to Creditor a continuing lien and security interest in and to the Collateral (hereinafter defined) in order to secure the Obligations (hereinafter defined) in a manner acceptable to Creditor.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Obligor agrees with Creditor as follows:

1. DEFINITIONS. As used herein:

- 1.1 "Collateral" has the meaning set forth in Section 2.
- 1.2 "PTO" means the United States Patent and Trademark Office.
- 1.3 "Security Agreement" means that certain Security Agreement, dated as of the date hereof, between Obligor and Creditor.
- 1.4 "Security Interest" has the meaning set forth in Section 2.
- 1.5 "UCC" means the Uniform Commercial Code as in effect in the State of New York.

Other capitalized terms used herein, but not otherwise defined herein or in the UCC, shall have the meanings ascribed to such terms in the Facilities Agreement and the Guarantee.

2. GRANT OF SECURITY INTEREST. To secure the punctual payment and performance of the Obligations when due (whether at the stated maturity, by acceleration or otherwise), Obligor hereby grants to Creditor a security interest in and to, and a lien upon (the "Security Interest"), all right, title and interest of Obligor in and to the following property, whether now owned and existing or hereafter acquired or arising, and wherever located (collectively, the "Collateral"):

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, and applications for registration of such trademarks, service marks and trade names (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications as described in Schedule A), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or

consented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(b) the entire goodwill of or associated with the businesses now or hereafter conducted by Obligor connected with and symbolized by any of the aforementioned properties and assets;

(c) all general intangibles and all intangible intellectual or other similar property of Obligor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(d) all Proceeds of any of such property in whatever form (including license royalties, rights to payment, accounts and proceeds of infringement suits), whether derived from voluntary or involuntary disposition, all products of any of such property, all renewals, replacements, substitutions, additions, accessions, rents, issues and profits of, to or from any such property and all other income therefrom, and, to the extent not otherwise included, all payments under insurance (whether or not Creditor is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect therefrom.

3. SUPPLEMENT TO SECURITY AGREEMENT. This Agreement has been entered into in conjunction with the security interests granted to Creditor under the Security Agreement or other security documents referred to therein. The rights and remedies of Creditor with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement or any other security documents referred to therein, all terms and provisions of which are incorporated herein by reference.

4. REPRESENTATIONS AND WARRANTIES. Obligor represents and warrants to Creditor that a true and correct list of all of the existing Collateral consisting of U.S. trademarks, trademark registrations or applications owned by Obligor, in whole or in part, is set forth in Schedule A.

5. COVENANTS AND AGREEMENTS OF THE OBLIGOR. The Obligor covenants and agrees as follows:

5.1 Further Assurances and Authority of the Creditor. On a continuing basis, Obligor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or as may reasonably be requested by Creditor to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Obligor's compliance with this Agreement or to enable Creditor to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the PTO or any applicable state office. Creditor may record this Agreement, an abstract thereof, or any other document describing Creditor's interest in the Collateral with the PTO, at the expense of Obligor. In addition, Obligor authorizes Creditor to file financing statements describing the Collateral in any UCC filing office deemed appropriate by Creditor. If the Obligor shall at any time hold or acquire a commercial tort claim arising with respect to the Collateral, the Obligor shall immediately notify Creditor in a writing signed by the Obligor of the brief details thereof and grant to the Creditor in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Creditor.

5.2 Continuing Security Interest. Obligor agrees that this Agreement shall create a continuing security interest in the Collateral which shall remain in effect until terminated in accordance with Section 8.

6. AUTHORIZATION TO SUPPLEMENT. If Obligor shall obtain rights to any new trademarks or become entitled to the benefit of any trademark application or any renewal or extension, of any

trademark, the provisions of this Agreement shall automatically apply thereto. Obligor shall give prompt notice in writing to Creditor with respect to any such new trademarks or trademark renewals or extensions. Without limiting Obligor's obligations under this Section 6, Obligor authorizes Creditor unilaterally to modify this Agreement by amending Schedule A to include any such new trademark rights. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule A shall in any way affect, invalidate or detract from Creditor's continuing security interest in all Collateral, whether or not listed on Schedule A.

7. SEVERABILITY. Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective. If any provision of this Agreement shall be held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Agreement.

8. TERMINATION. Upon payment in full and performance of all Obligations owed by Obligor to Creditor pursuant to the Finance Documents (including payment in full and performance of all indebtedness, obligations and liabilities of other persons guaranteed by Obligor) and the termination of all obligations of Creditor to extend credit under the Finance Documents, this Agreement shall be terminated and the security interests and liens created herein shall be released; otherwise, this Agreement shall remain in full force and effect.

9. NOTICES. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Security Agreement.

10. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the UCC (or, to the extent made applicable by the UCC to the attachment, perfection, priority or enforcement of the Security Interest in any Collateral; the Uniform Commercial Code of any other state) as applied to contracts made and to be performed within said State, without regard to principles of conflicts of law.

11. MISCELLANEOUS

11.1 Binding on Successors. This Agreement shall be binding upon Obligor, the heirs, executors, administrators, successors and assigns of Obligor, and shall inure to the benefit of and be enforceable by Creditor, its successors, transferees and assigns.

11.2 Entire Agreement; Amendment. This Agreement and the Security Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Security Agreement. Notwithstanding the foregoing, Creditor unilaterally may re-execute this Agreement or modify, amend or supplement the Schedule hereto as provided in Section 6 hereof. To the extent that any provision of this Agreement conflicts with any provision of the Security Agreement, the provision giving Creditor greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Creditor under the Security Agreement.

11.3 No Inconsistent Requirements. Obligor acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Obligor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.
