Such cooperation shall include prompt execution of all papers prepared at the expense of Assignee which are deemed necessary or desirable by Assignee to perfect in it the rights, title, and interest herein conveyed.

4. Warranty of No Conflict of Rights. Assignor hereby warrants and represents that it has not entered into any assignments, contracts, or other understandings with third parties that would conflict with the rights herein granted.

5. Further Assurances. Assignor agrees to provide all further information and execute any further documents that may reasonably be necessary to complete the assignment of the Marks and to give effect to this Assignment.
