INTELLECTUAL PROPERTY ASSIGNMENT

THIS ASSIGNMENT is effective on the 19th day of July 2010, and is made by Daylight Forensic & Advisory LLC, a limited liability company organized under the laws of New York, ("Assignor").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby irrevocably sell, assign, transfer and set over, unto Navigant Consulting, Inc. a corporation organized under the laws of Delaware, ("Assignee"), the entire right, title and interest in and to any and all Intellectual Property (as defined below), together with the goodwill of the business in connection with such Intellectual Property, along with the right to recover for damages and profits for past infringements thereof, free and clear of any and all rights and claims whatsoever by Assignor or any other person or entity, such Intellectual Property including without limitation the following:

- (1) U.S., international and foreign patents, provisional patent applications, patent applications and statutory invention registrations, and in and to any all divisions, continuations, continuations-in-part of said applications, or re-issues or extensions of said patents, patent disclosures, inventions (whether or not patentable or reduced to practice), or improvements thereto, and all rights under the International Convention for the Protection of Industrial Property, including without limitation the patent application identified in the attached Schedule A;
- (2) U.S., state and foreign trademarks, service marks, trade names, trade dress, slogans, and logos previously or currently used by Assignor, along with the goodwill connected with the use thereof and symbolized thereby, the same to be held and enjoyed by Assignee, for its own use and benefit fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made, and the business of Assignor, or portion thereof, to which said Intellectual Property pertains, said business being ongoing and existing, including registrations and applications for registration thereof and including without limitation the trademark registrations and applications identified in the attached Schedule B;
- (3) U.S. and foreign copyrights previously or currently used by Assignor, whether registered or unregistered, including without limitation software, web pages, course materials, instructor materials, lesson plans, and marketing materials and including without limitation any copyright registrations;
- (4) domain names and registrations owned by Assignor, including without limitation, the domain name and registration for www.daylightforensic.com;
- (5) trade secrets, know-how and similar confidential and proprietary information; and
- (6) other intangible assets previously or currently used by Assignor, along with the goodwill connected with the use thereof, including, without limitation, any and all trade secrets, inventions, patents, designs, copyrights, software, course and educational instructional materials, trademarks, trade names, know-how, methods and processes and other intellectual property.

Assignor hereby agrees to cooperate with Assignee in every way possible and to do all affirmative acts, and to execute all papers as counsel for Assignee shall advise are necessary or appropriate to effect the assignment of the Intellectual Property.

In witness whereof, executed by the undersigned on the date under the undersigned name.
