NOW, THEREFORE, in consideration of the premises and mutual representations, warranties and covenants contained herein, the parties agree as follows:

ARTICLE I

PURCHASE AND SALE

1.1 Sale of Assets. Upon the terms and subject to the conditions set forth in this Agreement, the parties hereto agree that at the Closing (as defined in Section 2.1 hereof), among other things, Seller shall sell, assign, transfer and convey to Buyer good and marketable title, free and clear of all liens, liabilities, encumbrances, security interests, claims and any other

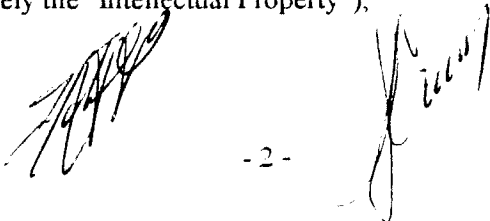

restrictions, in and to all Subject Assets (as hereinafter defined), and Buyer will assume all Assumed Liabilities (as defined in Section 1.6 hereof), in accordance with this Agreement. "Subject Assets" means, other than "Excluded Assets" as defined in Section 1.2 hereof, all of the assets, properties, rights, certifications and licenses (to the extent transferable), permits (to the extent transferable), Contracts (as hereinafter defined in Section 1.1(d) hereof) and business of every kind and description as the same now exist (except to the extent transferred in the ordinary course consistent with past practices of Seller prior to the Closing Date, as defined in Section 2.1 hereof) or exists on the Closing Date, wherever located, personal or real, tangible or intangible, owned by, leased or in the possession of Seller, and held or used in the conduct of the Business as the same now exists and including, without limitation, except as otherwise specified herein, all direct or indirect right, title and interest of Seller in, to and under:

(a) all machinery and equipment, vehicles, furniture, fixtures, computer equipment, software and other tangible personal property used primarily in the Business including, without limitation, all such personal property identified on Schedule 1.1(a) (collectively the "Tangible Personal Property");

(b) all cash and cash equivalents in the Business in excess of Two Million Three Hundred Thousand Dollars (\$2,300,000).

(c) all trade names and trademarks, whether registered or not, the name Electro Abrasives and all licenses, processes, products, apparatus, formulas, trade secrets, know-how, manufacturing techniques, discoveries, inventions, computer programs, internet domain names, software, and manufacturing, engineering and other technical information used in the Business including, without limitation, such intellectual property identified on Schedule 1.1(c) (collectively the "Intellectual Property");

(d) all rights of Seller pursuant to sales and or purchase orders and other contracts of the Business, including those identified on Schedule 1.1(d) (the "Contracts");

(e) all customer and vendor lists of the Business;

(f) all rights of Seller pursuant to any express or implied warranties, representations or guarantees made by suppliers furnishing goods or services to the Business;

(g) copies of all books, records and other data of Seller relating to the Business and the Subject Assets as Seller and Buyer shall agree;

(h) all goodwill associated with the Business;

(i) all outstanding accounts receivables on the books and records of Seller on the Closing Date (as hereinafter defined) (the "Accounts Receivable");

(j) the real property commonly known as 701 Willer Road, Buffalo, New York (the "Real Property"), including all buildings and leasehold improvements thereon, a copy of the legal description is attached as Schedule 1.1(j); and

(k) all inventories of the Business wherever located, including raw materials, work-in process, finished goods and packaging inventory (collectively the "Inventory").

1.2 Excluded Assets. Notwithstanding anything else contained in this Agreement, the Subject Assets shall not include (i) cash and cash equivalents of Two Million Three Hundred Thousand Dollars (\$2,300,000), (ii) Seller's corporate minute books, stock books and tax returns, or (iii) the personal property set forth in Schedule 1.2 (the "Excluded Assets").

1.3 Payment of the Purchase Price. In consideration of the sale by Seller to Buyer of the Subject Assets and Seller's performance of this Agreement, Buyer shall pay to Seller the sum of Five Million One Hundred Thousand Dollars (\$5,100,000) (such amount is

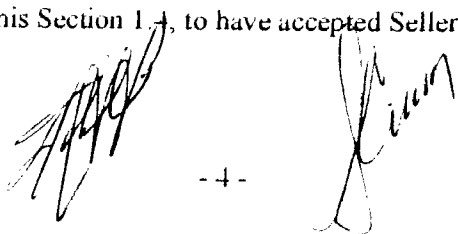

hereinafter referred to as the "Purchase Price") and shall assume the Assumed Liabilities set forth in Section 1.6 hereof. The Purchase Price is subject to adjustment after the Closing as provided in Section 1.4 hereof. At the Closing, Buyer shall pay the Purchase Price as follows:

- (a) The sum of Two Million One Hundred Thousand Dollars (\$2,100,000) in immediately available funds;
- (b) The sum of Three Million Dollars (\$3,000,000) as evidenced by a promissory note (the "Note") in substantially the same form as Exhibit 1.3(b)(1) hereto. The Note shall be payable in six (6) successive semi-annual principal payments of \$500,000 each plus accrued interest to the date of payment of each installment at the rate of five percent (5%) per annum, the first payment to be due six (6) months after Closing. The Note shall be prepayable without penalty. The Note shall be guaranteed by Sintex Minerals & Service, Inc. and shall be substantially in the same form as Exhibit 1.3(b)(2).

1.4 Post Closing Adjustment of the Purchase Price.

- (a) Promptly following the Closing Date, but in no event more than ten (10) days following the Closing, Seller shall, at its expense, prepare and submit to Buyer a statement setting forth, in reasonable detail, Seller's calculation of the dollar value of the Net Asset Value (as defined in Section 1.4(b) hereof) as of the Closing Date made on a basis consistent with Seller's prior practices and the terms of this Agreement. If Buyer disputes the correctness of the calculation or categorization of the Net Asset Value in accordance with such basis, Buyer shall notify Seller of its objections within ten (10) days after receipt of Seller's calculation and shall set forth, in writing and reasonable detail, the reasons for Buyer's objections. If Buyer fails to deliver such notice of its objections within such time, Buyer shall be deemed, for purposes of this Section 1.4, to have accepted Seller's calculation of such Net

Asset Value and Buyer shall be deemed to have accepted Seller's calculation and no amount of the Net Asset Value as of the Closing shall be in dispute. Seller and Buyer shall endeavor in good faith to resolve any matters disputed under this Section 1.4(a) within ten (10) days after Seller's receipt of Buyer's notice of objections, if any. If Seller and Buyer are unable to do so, Seller and Buyer shall select an independent accounting firm to resolve the matters in dispute and only those matters (in a manner consistent with this Section 1.4 with any matters not in dispute), and the determination of such firm in respect of the correctness of each matter remaining in dispute shall be conclusive and binding on Seller and Buyer. With respect to each disputed matter, the determination of such accounting firm as to the appropriate amount shall not exceed the higher amount or be less than the lower amount asserted by Buyer or Seller as the Net Asset Value as of the Closing.

(b) The Net Asset Value shall mean the sum of all of the asset accounts of Seller as of the Closing Date as listed on Schedule 1.4(c) less the sum of all of the liability accounts of Seller as of the Closing Date as listed on Schedule 1.4(b).

(c) If the Net Asset Value as of the Closing is greater than \$3,837,896, the Purchase Price shall be increased by the difference between the Net Asset Value as of the Closing and the sum of \$3,837,896 and such difference shall be paid to Seller in immediately available funds by Buyer within ten days after the final determination of the Net Asset Value. If the Net Asset Value as of the Closing is less than \$3,837,896, the Purchase Price shall be decreased by the difference between such two amounts, and Seller shall refund to Buyer an amount equal to such difference in immediately available funds within ten days after the final determination of the Net Asset Value.

(d) The fees and expenses, if any, of the accounting firm selected to resolve any disputes between Seller and Buyers in accordance with Sections 1.4(a) and (b) hereof shall be paid one-half by Seller and one-half by Buyer.

1.5 Allocation of Purchase Price. The Purchase Price shall be allocated among the Subject Assets in accordance with Schedule 1.5 hereto. Seller and Buyer agree that the allocation of the Purchase Price contemplated by Schedule 1.5 hereto is consistent with the value of the Subject Assets and the principles of Section 1060 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder. Seller and Buyer shall jointly complete and separately file Form 8594 with their respective federal income tax returns for the tax year in which the Closing Date occurs in accordance with such allocations and neither Seller nor Buyer shall, without the written consent of the other, take a position on any tax return before any governmental agency charged with the collection of any such tax, or in any judicial proceeding, that is in any manner inconsistent with the terms of such allocation.

1.6 Assumption of Liabilities. At the Closing, Buyer shall assume all known liabilities of Seller on the Closing Date represented by the categories set forth in Schedule 1.6 hereto which were incurred in the ordinary course of business and are validly owing. The liabilities contemplated to be assumed by Buyer are hereinafter referred to as the "Assumed Liabilities." Buyer will not assume, be liable for, or become responsible for any other liability of Seller of any nature, whether accrued, absolute, contingent or otherwise unless Buyer specifically agrees to do so in writing.

1.7 Sales Taxes. At the Closing, Buyer shall pay all sales and use taxes payable with respect to Buyer's purchase of the Subject Assets.

1.8 Assignment of Contracts. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any claim, contract, instrument, order or any claim or right, or any benefit arising thereunder or resulting therefrom (collectively, "Restricted Contracts"), if an attempted assignment thereof, without the consent of a third party thereto, would constitute a breach thereof or in any way affect the rights of Seller thereunder. If such consent is not obtained, or if an attempted assignment thereof would be ineffective or would affect the rights of Seller thereunder so that Buyer would not in fact receive all such rights, Seller will cooperate with Buyer in any arrangement designed to provide for Buyer the benefits under any such Restricted Contract, including, without limitation, enforcement for the benefit of Buyer of any and all rights of Seller against a third party thereto arising out of the breach or cancellation by such third party. Any transfer or assignment to Buyer or any property or property rights or any contract or agreement which shall require the consent or approval of any third party shall be made subject to such consent or approval being obtained.

REPRESENTATIONS AND WARRANTIES OF SELLER

3.1 Seller represents and warrants to Buyer as follows, and confirm that Buyer is relying upon the accuracy of each such representation and warranty in connection with the purchase of the Subject Assets as a going concern and completion of the transactions contemplated hereby:

(a) Corporate Status. Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of New York and has full power and authority to own, operate and lease its properties as presently and heretofore owned, operated and leased and to carry on its business as now and heretofore conducted. Seller is qualified to do business, is in good standing and has all required and appropriate licenses in each jurisdiction in which it is required to obtain or maintain such qualification, good standing or licensing.

(b) Authority. Seller has the requisite capacity, power and authority, corporate and other, to execute and deliver this Agreement and all other agreements, instruments and certificates contemplated hereby (the "Related Agreements") and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance of this Agreement and the Related Agreements and the consummation of the transactions contemplated

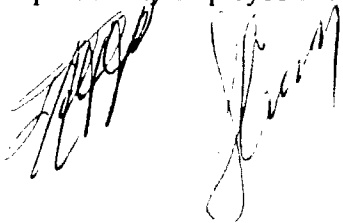

hereby and thereby have been duly and effectively authorized by all necessary action, corporate and other, on the part of Seller and no other acts or proceedings on the part of Seller are necessary to authorize this Agreement or the Related Agreements or to consummate the transactions contemplated hereby and thereby. This Agreement and the Related Agreements have been duly executed and delivered by Seller and constitute legal, valid and binding obligations of Seller, enforceable against it in accordance with their respective terms.

(c) Effect of Agreement. Except as set forth in Schedule 3.1(c) hereto, the execution, delivery and performance of this Agreement and the Related Agreements by Seller and the consummation by it of the transactions contemplated hereby and thereby (i) do not require the filing with, or the consent, waiver, approval, license or authorization of any person, government agency or public or regulatory authority; (ii) do not violate, with or without the giving of notice or the passage of time, any material provision of law applicable to Seller that is applicable to the Business; (iii) do not conflict with or result in a breach of Seller's Certificate of Incorporation, as amended, or Seller's by-laws, as amended, or any mortgage, deed of trust, license, indenture or other material agreement or other material instrument, or any order, judgment, decree, statute, regulation or any other restriction of any kind or character that is applicable to the Business, to which Seller is a party or by which Seller or any of its assets may be bound or give to others any right to terminate, or result in termination of any provision of such instruments; and (iv) do not result in the creation of any liability, lien, encumbrance, claim or other restriction upon any of the Subject Assets, or in the acceleration or maturity of any debt of Seller to which the Business is subject.

(d) Subsidiaries. Seller does not have, and the Subject Assets do not include, any subsidiary or any ownership interest in any other business organization or entity.

(e) Financial Statements. The balance sheet of Seller as of June 30, 2008, the related statements of income and retained earnings, and cash flows for the fiscal years then ended (including the notes thereto) are accurate in all material respects and complete and present fairly the financial position of Seller as of such date and the results of its operations and changes in its financial position for such period, and have been prepared in conformity with generally accepted accounting principles applied on a basis consistent with that of similar periods for preceding years. Copies of all such financial statements are attached to Schedule 3.1(e) hereto. The Balance Sheet of Seller as of June 30, 2008 is referred to herein as the "Balance Sheet", and June 30, 2008 is referred to herein as the "Balance Sheet Date".

(f) Absence of Certain Changes or Events. Except for matters that would be permitted in accordance with Section 5.1 hereof if they occurred after the date of this Agreement or as set forth in Schedule 3.1(f) hereto, since the Balance Sheet Date, Seller has not (i) with respect to the Business, undergone any change in its condition (financial or other), properties, assets, liabilities, business, except changes in the ordinary and usual course of its businesses and consistent with its past practices and which have not been, either in any case or in the aggregate, materially adverse to it; (ii) mortgaged, pledged or subjected to any lien, lease, security interest, encumbrance, claim or other restriction any of its properties or assets relating to the Business; (iii) with respect to the Business, acquired or disposed of any interest in any asset or property except the purchase of materials and supplies and the sale of inventory in the ordinary and usual course of its businesses and consistent with its past practice; (iv) with respect to the Business, except in the ordinary and usual course of its businesses and consistent with its past practice, forgiven or canceled any debt or claim, waived any right, or incurred or paid any liability or obligation; (v) changed the compensation to be paid to any employee of the Business;

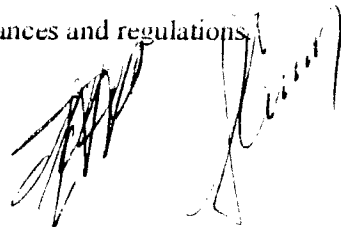

(vi) suffered any damage, destruction or loss (whether or not covered by insurance) which materially adversely affects the Business, operations or prospects; (vii) amended or terminated any material contract, agreement, or lease relating to the Business; or (viii) experienced any labor difficulty or loss of employees or customers that adversely affects the Business.

(g) Liabilities. To the best of Seller's knowledge, Seller has no liabilities or obligations of any nature, whether accrued, absolute, contingent, or otherwise, relating to the Business, except (i) as set forth in the Balance Sheet or (ii) those trade payables incurred by Seller in the ordinary and usual course of its business and consistent with its past practice since the Balance Sheet Date.

(h) Sufficiency of and Title to the Subject Assets.

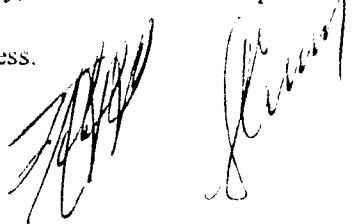

(i) The Subject Assets constitute, and on the Closing Date will constitute, all of the assets that are necessary or appropriate to permit the operation of the Business in substantially the same manner as such operations have heretofore been conducted since June 30, 2008.

(ii) Except as set forth in Schedule 3.1(h) hereto, or as otherwise contemplated by this Agreement, subject to the receipt of any consents or approvals of any third party, upon consummation of the transactions contemplated by this Agreement, Buyer will have acquired good and marketable title in and to, or a valid leasehold interest in, each of the Subject Assets free and clear of all liens, security interests, claims, encumbrances or other material restrictions. Two handwritten signatures in black ink, one on the left and one on the right, appearing to be initials or names.

(i) Contracts; No Defaults. Except as described in Schedule 3.1(i) hereto, and except for contracts that do not constitute Subject Assets (as described in Schedule 3.1(i) hereto), Seller is not a party to or subject to any agreement, contract or commitment (whether oral or written) that has not been entered into by the Business consistent with its past practices with respect to the Business. Except as described in Schedule 3.1(i) hereto, all Contracts are valid and binding obligations of Seller enforceable against Seller in accordance with their terms (except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting creditors' rights generally, including the effect of statutory and other laws regarding fraudulent conveyances and preferential transfers, and subject to the limitations imposed by general equitable principles regardless of whether such enforceability is considered in a proceeding at law or in equity), and Seller is not in material default or, to the best of Seller's knowledge, alleged to be in material default thereunder and Seller has no knowledge that any other party thereto is in default. Nothing has occurred which, with or without the passage of time or giving of notice or both, would constitute a default by Seller or, to Seller's best knowledge, any other party under any Contract. Except as set forth on Schedule 3.1(i) hereto, each Contract may be assigned to Buyer without the consent of any other person and without giving notice to any person regarding this Agreement or the sale and transfer of the Subject Assets or other transactions contemplated hereby. Except as set forth on Schedule 3.1(i) hereto, all contracts are terminable by either party at will.

(j) Inventories. Except as set forth on Schedule 3.1(j) hereto, the Inventory consists of items of good and merchantable quality, saleable at normal prices or useable in the ordinary and useable course of Seller's business.

(k) Intellectual Property. The Intellectual Property is not subject to any outstanding licenses, liens, encumbrances, claims or other restrictions or rights of others, and there are no pending or, to the best of Seller's knowledge, threatened challenges to any of the Intellectual Property. To the best of Seller's knowledge, the use of the Intellectual Property in connection with the Business as heretofore conducted does not infringe or constitute, and has not infringed or constituted, an unlawful invasion of any rights of any person and no notice of any such infringement or invasion has been received by Seller. Seller has the right to use, free and clear of the claims or rights of others, all Intellectual Property. The Intellectual Property constitutes all such intellectual property necessary to conduct the Business as heretofore conducted.

(l) Litigation and Claims. Except as set forth on Schedule 3.1(l) hereto, there is no pending or, to the best of Seller's knowledge, threatened action, suit, proceeding, claim, investigation or notice affecting the Business (whether or not covered by insurance), and there is no outstanding order, notice, writ, injunction or decree of any court, government or governmental agency against or affecting the Business. To the best of Seller's knowledge, there are no incidents or occurrences of any kind which may give rise to material claims against Seller, whether or not covered by insurance.

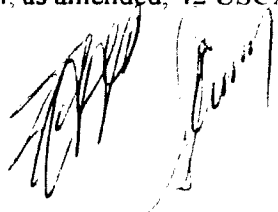

(m) Compliance with Law. Except as set forth in Schedule 3.1(m), to the best of Seller's knowledge, the operation of the Business has not violated or infringed, and does not violate or infringe, any laws, ordinances, regulations, orders, licenses, franchises and permits applicable thereto.

(n) Books and Records. To the best of Seller's knowledge, the books and records of Seller are complete and correct in all material respects and, except as specifically

set forth and labeled as such in Schedule 3.1(e) hereto, accurately reflect in all respects the basis for the financial condition and results of operations of the Business as set forth in the financial statements referred to in Section 3.1(e) hereof.

In any case, the Indemnified Party shall have the right to employ its own counsel and such counsel may participate in such action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless (a) the employment of counsel by the Indemnified Party has been authorized in writing by the indemnifying party, (b) the Indemnified Party shall have reasonably concluded that there may be a conflict of interest between the indemnifying parties and the Indemnified Party in the conduct of the defense of such action, (c) the indemnifying party shall not in fact have employed independent counsel reasonably satisfactory to the Indemnified Party to assume the defense of such action and shall have been so notified by the Indemnified Party, (d) the Indemnified Party shall have reasonably concluded and specifically notified the indemnifying party either that there may be specific defenses available to it which are different from or additional to those available to the indemnifying party or that such claim, action, suit or proceeding involves or could have a material adverse effect upon it beyond the financial resources of the indemnifying party or the scope of this Agreement, or (e) the indemnifying party fails to conduct such defense or settlement in a manner reasonably satisfactory to protect the Indemnified Party fully. If clause (b), (c), (d) or (e) of the preceding sentence shall be applicable, then counsel for the Indemnified Party shall have the right to direct the defense of such claim, action, suit or proceeding on behalf
