WHEREAS, Assignor and Assignee are parties to that certain Agreement of Merger dated June 15, 2010 (the "Merger Agreement") pursuant to which Assignor and Assignee merge into a single corporation, and upon the merger becoming effective, all property, rights, privileges, franchises, patents, trademarks, licenses, registrations and other assets of Assignor shall be transferred to and vested in Assignee, including Assignor's property rights under the Assigned Trademarks;

WHEREAS, Assignee desires to acquire any and all right, title, and interest that Assignor may have throughout the world in and to the Assigned Trademarks and the registrations therefor, together with the goodwill of the business in connection with which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, throughout the world, along with the right to recover for damages and profits for any past, present, or future infringements thereof.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants and agreements contained herein and in the Merger Agreement, and for good and valuable legally sufficient consideration, the receipt of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

Assignor hereby transfers, assigns, conveys and delivers to Assignee, its successors and assigns, all of Assignor's legal and equitable right, title and interest in, to, and under the Assigned Trademarks (including the registrations thereof and applications therefor (wherever filed)), together with the goodwill of the business in connection with which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, throughout the world, along with the right to recover for damages and profits for past, present, or future infringements thereof.
