ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment") is made and entered into as of this 1st day of May, 2008, by and between Datascope Trademark Corp., a Delaware corporation (the "Assignor") and MR Holdings (HK) Limited, a company incorporated under the laws of Hong Kong (the "Assignee").

WITNESSETH:

WHEREAS, Assignor and Assignee are parties to an Asset Purchase Agreement dated as of March 10, 2008, pursuant to which Assignee has acquired all of Assignor's right, title and interest in and to the trademark registrations and applications listed on Schedule A hereto (all such trademark registrations and applications referred to collectively as the "Assigned Trademarks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and its successors and assigns, and Assignee hereby purchases and accepts from Assignor, all of Assignor right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all goodwill associated therewith or symbolized thereby, all common law rights thereto, all registrations that have been or may be granted thereon, and all applications for registrations thereof, together with the right to sue and recover damages for future or past infringements thereof and to fully and entirely stand in the place of Assignor in all matters related thereto.

2. Further Assurances. Assignor agrees to execute and deliver such other documents and to take all such other actions as Assignee, its successors and assigns may reasonably request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths and other documentation as may be reasonably required to effect the terms of this Assignment. Assignee, or its successor or assign, as the case may be, shall be responsible for all costs incurred by Assignor in executing and delivering any of the foregoing.

3. Miscellaneous. This Assignment, and all claims or causes of action (whether at law, in contract or in tort) that may be based upon, arise out of or relate to this Assignment or the negotiation, execution or performance hereof, shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles that would result in the application of the law of any other state. This Assignment may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors. This Assignment and any amendments hereto may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.

IN WITNESS WHEREOF, each of Assignor and Assignee has executed this Assignment as of the day and year first above written.
