W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth in the Credit Agreement in order to enable the Borrowers to, among other things, consummate the transactions contemplated by the Joint Plan of Reorganization of the Borrowers and certain of their subsidiaries under Chapter 11 of Title 11 of the United States Code, and to pay related fees and expenses; and

WHEREAS, in connection with the Credit Agreement, the Grantor and certain other subsidiaries of the Borrower have executed and delivered a First Lien Guarantee and Collateral Agreement, dated as of July 29, 2010, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "First Lien Guarantee and Collateral Agreement");

WHEREAS, pursuant to the First Lien Guarantee and Collateral Agreement, the Grantor pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make their respective extensions of credit to the Borrowers under the Credit Agreement, the Grantor agrees, for the ratable benefit of the Agent and Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the First Lien Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the ratable benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations. Notwithstanding the foregoing, the Collateral shall not include any application for any Trademark filed in the United States Patent and Trademark Office ("PTO") on the basis of the Grantor's "intent to use" such Trademark, unless and until acceptable evidence of use of such Trademark has been filed with the PTO pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), to the extent that granting a lien in such Trademark application prior to such filing would adversely affect the enforceability or validity of such Trademark application.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the First Lien Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The First Lien Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the First Lien Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the First Lien Guarantee and Collateral Agreement, the terms of the First Lien Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
