Trademark Security Agreement

Trademark Security Agreement, dated as of July 29, 2010, made by The Davitt & Hanser Music Co., an Ohio corporation, NuVo Technologies LLC, an Ohio limited liability company and Kustom Musical Amplification, Inc., an Ohio corporation (individually and collectively referred to herein as the "Company"), and Wells Fargo Bank, National Association ("Wells Fargo").

RECITALS:

WHEREAS, the Company is a party to a Patent and Trademark Security Agreement dated as of July 29, 2010 (the "Security Agreement") in favor of Wells Fargo;

WHEREAS, pursuant to the terms of the Security Agreement, Company authorized Wells Fargo to file this short form agreement with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Company hereby pledges and grants to the Wells Fargo a lien on and security interest in and to all of its right, title and interest in, to and under all the following collateral of Company:

- (a) all trademarks of Company including without limitation those trademarks listed on Schedule A attached hereto;
- (b) all goodwill associated with such trademarks; and
- (c) all proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Wells Fargo pursuant to the Security Agreement and Company hereby acknowledges and affirms that the rights and remedies of Wells Fargo with respect to the security interest in the trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless Wells Fargo shall otherwise determine.

SECTION 4. Termination. Upon termination of the Security Agreement in accordance with the terms thereof, Wells Fargo shall execute, acknowledge, and deliver to Company an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the trademarks under this Trademark Security Agreement.

SECTION 5. Application to Unlisted Collateral. If Company shall obtain or currently maintains rights to any other trademarks, the provisions of this Agreement shall automatically apply thereto.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 7. Governing Law. This Trademark Security Agreement shall be construed in accordance with and governed by the laws of the State of Wisconsin.
