## **TRADEMARK PLEDGE AND SECURITY AGREEMENT**

This TRADEMARK PLEDGE AND SECURITY AGREEMENT (this "Trademark Pledge and Security Agreement"), dated as of August 19, 2010, is made by and among the signatories hereto (each, a "Grantor", and collectively, the "Grantors"), and Wells Fargo Bank, National Association, as collateral agent (in such capacity as collateral agent, the "Collateral Agent") for the Secured Parties (as defined in the Security Agreement described below);

### **WITNESSETH:**

WHEREAS, reference is made to that certain Credit and Guaranty Agreement, dated as of August 19, 2010 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Credit Agreement"), among Vicar Operating, Inc., a Delaware corporation ("Company"), VCA Antech, Inc., a Delaware corporation, certain Subsidiaries of Company, as Guarantors, the Lenders party thereto from time to time, Wells Fargo Bank, National Association, as Administrative Agent, Collateral Agent, Issuing Bank and Swingline Lender, Bank of America, N.A., as Syndication Agent, and the other agents party thereto;

WHEREAS, in connection with the Credit Agreement, each Grantor is required to execute and deliver that certain Pledge and Security Agreement, dated as of August 19, 2010, by and among the Grantors, certain other grantors thereunder and the Collateral Agent (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the terms of the Credit Agreement and the Security Agreement, each Grantor is required to execute and deliver this Trademark Pledge and Security Agreement and to grant to the Collateral Agent for its benefit and the benefit of the Secured Parties a continuing security interest in all of the Trademark Collateral (as defined below) to secure all of its Obligations; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Trademark Pledge and Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Lenders to make Credit Extensions to Company pursuant to the Credit Agreement, each Grantor agrees, for the benefit of the Collateral Agent and the benefit of each Secured Party, as follows:

SECTION 1.     Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Trademark Pledge and Security Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Credit Agreement.

SECTION 2.     Grant of Security Interest. Each Grantor hereby grants to the Collateral Agent, for its benefit and the benefit of each Secured Party, a security interest and continuing lien on all of such Grantor's right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired or arising and wherever located (all of which being hereinafter collectively referred to as the "Trademark Collateral");

(a) all United States, state and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing (other than "intent-to-use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed, to the extent that any assignment of an "intent-to-use" application prior to such filing would violate the Lanham Act), including, but not limited to the registrations and applications referred to in Schedule I (as such schedule may be amended or supplemented from time to time), all extensions or renewals of any of the foregoing, all of the goodwill of the business connected with the use of and symbolized by the foregoing, the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively referred to as the "Trademarks"); and

(b) any and all agreements providing for the granting of any right in or to Trademarks (whether such Grantor is licensee or licensor thereunder).

SECTION 3. Security Agreement. This Trademark Pledge and Security Agreement has been executed and delivered by each Grantor for the purpose of registering the security interest of the Collateral Agent for its benefit and the benefit of the Secured Parties in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the benefit of each Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Collateral Document, etc. This Trademark Pledge and Security Agreement is a Collateral Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 6. Counterparts. This Trademark Pledge and Security Agreement may be executed by the parties hereto in several counterparts (including by telecopy, facsimile or other electronic transmission), each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

SECTION 7. Governing Law. This Trademark Pledge and Security Agreement shall be deemed to be a contract made under and governed by the internal laws of the state of New York.

[THE REMAINDER OF PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, each of the parties hereto has caused this Trademark Pledge and Security Agreement to be duly executed and delivered by its respective officer thereunto duly authorized as of the date first above written.
