PATENT, TRADEMARK AND LICENSE
SECURITY AGREEMENT

THIS PATENT, TRADEMARK AND LICENSE SECURITY AGREEMENT (this "Agreement") is made and entered into this 27th day of August, 2010, by BINDER & BINDER – THE NATIONAL SOCIAL SECURITY DISABILITY ADVOCATES LLC, a Delaware limited liability company ("Debtor"), in favor of U.S. BANK NATIONAL ASSOCIATION, a national banking association, as agent (in such capacity, the "Agent") for itself and any other entity which now or at any time hereafter shall execute the Loan Agreement (as hereinafter defined) as a "Lender" (collectively, the "Lenders"), and for the L/C Issuer (as defined in the Loan Agreement).

WITNESSETH:

WHEREAS, Debtor is justly obligated to the Lenders, the L/C Issuer and Agent pursuant to that certain Loan Agreement dated of even date herewith made by and among Debtor, the Agent, the Lenders and the L/C Issuer (as the same may be amended, modified, extended or renewed, the "Loan Agreement"; capitalized terms used and not otherwise defined in this Agreement shall have the respective meanings ascribed to them in the Loan Agreement); and

WHEREAS, as a condition precedent to the Agent, the Lenders and the L/C Issuer entering into the Loan Agreement, the Agent, the Lenders and the L/C Issuer have required that Debtor execute and deliver this Agreement to the Agent for the ratable benefit of the Lenders and the L/C Issuer as additional collateral security for all of Borrower's Obligations under the Loan Agreement and the other Transaction Documents; and

WHEREAS, in order to induce the Agent, the Lenders and the L/C Issuer to make loans to the Debtor, to issue letters of credit for the account of the Debtor or to make other financial accommodations for the benefit of the Debtor pursuant to the terms of the Loan Agreement, Debtor has agreed to execute and deliver this Agreement to the Agent for the ratable benefit of the Lenders and the L/C Issuer; and

WHEREAS, this Agreement is being executed in connection with and in addition to that certain Security Agreement dated as of the date hereof, under which Debtor has granted to the Agent for the ratable benefit of the Lenders and the L/C Issuer a lien on and security interest in, among other things, all accounts, inventory, general intangibles, machinery, equipment, books, records, goodwill, patents and trademarks now owned or hereafter acquired by Debtor and all proceeds thereof,

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby covenants and agrees with the Agent as follows:

1. Grant of Security Interest. For value received, Debtor hereby grants to the Agent for the ratable benefit of the Lenders and the L/C Issuer a security interest in and lien on, all of Debtor's right, title and interest in, to and under the following described property, whether now owned and existing or hereafter created, acquired or arising:

(a) all patents and patent applications, and the inventions and improvements described and claimed therein, including, without limitation, each patent and application listed on Schedules A and B, respectively, attached hereto and incorporated herein by reference (as the same may

be amended pursuant hereto from time to time) and (i) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (ii) all income, damages and payments now and hereafter due or payable under or with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing patents and applications together with the items described in clauses (i) through (iv) of this subsection (a) are hereinafter collectively referred to herein as the "Patents");

(b) all trademarks, service marks, trademark or service mark registrations, trade names, trade styles, trademark or service mark applications and brand names, including, without limitation, common law rights and each mark and application listed on Schedules C and D, respectively, attached hereto and incorporated herein by reference; and (i) renewals or extensions thereof, (ii) all income, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, service marks and applications and registrations thereof together with the items described in clauses (i) through (iv) of this subsection (b) are hereinafter collectively referred to herein as the "Trademarks");

(c) the license(s) listed on Schedule E attached hereto and incorporated herein by reference and all other license agreements (to the extent such license agreements may be assigned or encumbered without violating the terms of any such license agreement) with respect to any of the Patents or the Trademarks or any other patent, trademark, service mark or any application or registration thereof or any other trade name or trade style between Debtor and any other party, whether Debtor is licensor or licensee (all of the foregoing license agreements and Debtor's rights thereunder are hereinafter collectively referred to as the "Licenses");

(d) the goodwill of Debtor's business connected with and symbolized by the Trademarks; and

(e) all proceeds, including, without limitation, proceeds which constitute property of the types described in (a), (b), (c) and (d) above and any rents and profits of any of the foregoing items, whether cash or noncash, immediate or remote, and insurance proceeds, and all products of (a), (b), (c) and (d) above, and any indemnities, warranties and guaranties payable by reason of loss or damage to or otherwise with respect to any of the foregoing items;

to secure the payment of (i) any and all of the present and future Borrower's Obligations and (ii) any and all costs of collection, including, without limitation, reasonable attorneys' fees and expenses, incurred by the Agent, the L/C Issuer and/or any Lender upon the occurrence of an Event of Default, in collecting or enforcing payment of any such indebtedness, liabilities or obligations or in preserving, protecting or realizing on the Collateral under this Agreement or in representing the Agent, the L/C Issuer and/or any Lender in connection with any bankruptcy or insolvency proceedings, in each case, subject to any applicable limitations expressly provided in the Transaction Documents (hereinafter collectively referred to as the "Secured Obligations"). For the sake of clarity, the Patents and Trademarks exclude any rights or interests obtained or granted pursuant to any License. "Collateral" shall exclude any "intent to use" trademark applications for which a statement of use has not been filed (but only until such statement is filed).

2. Representations, Warranties and Covenants of Debtor. Debtor hereby represents and warrants to the Agent, each of the Lenders and the L/C Issuer, and covenants and agrees with the Agent, each of the Lenders and the L/C Issuer, that:

(a) all of the Patents, Trademarks and Licenses are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and to Debtor's knowledge are not as of the date of this Agreement, the subject of any challenge to their validity or enforceability (except as otherwise specifically disclosed by Debtor in the Loan Agreement);

(b) to Debtor's knowledge, each of the Trademarks and Licenses is valid and enforceable, and each of the Patents is enforceable;

(c) as of the date of this Agreement (i) no claim has been made that the use of any of the Patents, Trademarks or Licenses does or may violate the rights of any third person, (ii) no claims for patent infringement have been commenced in connection with any of the Patents and (iii) no claims for trademark infringement have been commenced in connection with any of the Trademarks;

(d) Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents and Trademarks, free and clear of any and all Liens, including, without limitation, any and all pledges, assignments, licenses (other than Permitted Liens), registered user agreements and covenants by Debtor not to sue third persons, excluding only the security interest granted to the Agent for the ratable benefit of the Lenders and the L/C Issuer;

(e) Debtor has the unqualified right to enter into this Agreement and perform its terms;

(f) Debtor has made commercially reasonable efforts to use, and will continue to use commercially reasonable efforts to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents and Trademarks;

(g) as of the date of this Agreement, Debtor has the exclusive, royalty-free right to use the Patents and Trademarks except as otherwise disclosed, and has not granted any sublicenses or other rights under the Licenses, and agrees not to transfer any rights or interest in any of the Patents, Trademarks or Licenses during the term of this Agreement without the prior written consent of the Required Lenders; and

(h) as of the date of this Agreement, Debtor has not received notice of any suits or actions commenced or threatened with reference to any of the Patents, Trademarks or Licenses.

3. Further Assurances. Debtor agrees that, until (i) all of the Secured Obligations shall have been paid in full, (ii) Agent, the Lenders and the L/C Issuer have no further commitments or obligations to advance funds, make loans, issue letters of credit and/or extend credit to or for the account of the Debtor under the Loan Agreement, any other Transaction Document or otherwise and (iii) no Letters of Credit shall be outstanding, it will not enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with Debtor's obligations under this Agreement or the Loan Agreement, without the prior written consent of the Required Lenders, and Debtor agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would adversely affect the validity or enforcement of the rights transferred to the Agent under this Agreement. Debtor further agrees that at any time and from time to time, at the expense of Debtor, Debtor will promptly execute and deliver to the Agent any and all further instruments and

documents and take any and all further action that may be necessary in its reasonable business judgment, or that the Agent may reasonably request, in order to perfect and protect the security interest granted hereby with respect to the Patents, Trademarks and Licenses or to enable the Agent to exercise its rights and remedies hereunder with respect to the same.

4. Additional Patents, Trademarks and Licenses. If Debtor shall (i) become aware of any existing Patents, Trademarks or Licenses of which Debtor has not previously informed the Agent, (ii) obtain rights to any new patentable inventions, Patents, Trademarks or Licenses, or (iii) become entitled to the benefit of any Patents, Trademarks or Licenses which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Debtor shall give the Agent written notice thereof in accordance with Section 4.16 of the Loan Agreement.

5. Modification by Agent. Debtor authorizes the Agent to modify this Agreement by amending Schedules A, B, C, D and/or E to include any future patents and patent applications, any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications, and any future licenses, covered by Paragraphs 1 and 5 hereof, without the signature of Debtor if permitted by applicable law, and Agent shall deliver to Debtor prompt written notice of any such amendments.

6. Use of Patents, Trademarks and Licenses. So long as no Event of Default has occurred and is continuing, Debtor may use the Patents and Trademarks and exercise its rights under the Licenses in any lawful manner not inconsistent with this Agreement on and in connection with products or services sold by Debtor.

7. Default. If any Event of Default shall have occurred and be continuing, the Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Licenses may be located and, without limiting the generality of the foregoing, the Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Debtor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents, Trademarks (together with the goodwill of Debtor associated therewith) or Licenses, or any interest which Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks or Licenses all reasonable out-of-pocket expenses (including, without limitation, all reasonable out-of-pocket expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations ratably among the Lenders and the L/C Issuer in the order set forth in the Loan Agreement. Notice of any sale or other disposition of any of the Patents, Trademarks or Licenses shall be given to Debtor at least ten (10) Domestic Business Days before the time of any intended public or private sale or other disposition of such Patents, Trademarks and/or Licenses is to be made, which Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Agent or any holder of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks or Licenses sold, free from any right of redemption on the part of Debtor, which right is hereby waived and released. Debtor agrees that upon the occurrence and continuance of any Event of Default, the use by the Agent, any of the Lenders and/or the L/C Issuer of the Patents and Trademarks shall be without any liability for royalties or other related charges from the Agent, any of the Lenders or the L/C Issuer to Debtor. If an Event of Default shall occur and be continuing, the Agent shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself, the Lenders and the L/C Issuer, as applicable) to enforce Debtor's rights under any and all of the Patents, Trademarks and Licenses, and, if the Agent shall commence any such suit, Debtor shall, at the request of

the Agent, do any and all lawful acts and execute any and all proper documents required by the Agent in aid of such enforcement and the Debtor shall promptly, upon demand, reimburse and indemnify the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Agreement. All of Agent's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby, by the Security Agreement or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

8. Termination of Agreement. At such time as (i) Debtor shall pay all of the Secured Obligations in full, (ii) Agent, the Lenders and the L/C Issuer shall have no further commitments or obligations to advance funds or cash collateral, make loans, issue letters of credit and/or extend credit to or for the account of the Debtor under the Loan Agreement, any other Transaction Document or otherwise, (iii) no Letters of Credit are outstanding, and (iv) the Loan Agreement shall have expired or have been terminated in accordance with its terms, this Agreement shall terminate and the Agent shall execute and deliver to Debtor all instruments as may be necessary or proper to extinguish the Agent's security interest therein, subject to any disposition thereof, which may have been made by the Agent pursuant hereto.

9. Preservation of Patents, Trademarks and Licenses. Subject to exercise of Debtor's reasonable business judgment, Debtor shall have the duty, as commercially reasonable, to (i) file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (ii) make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (iii) preserve and maintain all rights in the Patents, Trademarks and Licenses. Any expenses incurred in connection with Debtor's obligations under this Section 11 shall be borne by Debtor.

10. Agent Appointed Attorney-In-Fact. If any Event of Default shall have occurred and be continuing, Debtor hereby authorizes and empowers the Agent to make, constitute and appoint any officer or agent of the Agent as the Agent may select, in its sole discretion, as Debtor's true and lawful attorney-in-fact, with the power to endorse Debtor's name on all applications, documents, papers and instruments necessary for the Agent to use the Patents, Trademarks and Licenses, or to grant or issue any license under the Patents, Trademarks and Licenses to anyone else, or necessary for the Agent to assign, pledge, convey or otherwise transfer title to or dispose of the Patents, Trademarks and Licenses to anyone else. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

11. No Waiver. No course of dealing between Debtor and the Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Debtor and the Agent and consented to by the Required Lenders, except as provided otherwise in Paragraph 6 above.

14. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that Debtor may not assign or delegate any of its rights of obligations under this Agreement.

15. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by, and construed in accordance with, the substantive laws of the State of New York (without reference to conflict of law principles).
