ASSIGNMENT

WHEREAS, InfrSAFE, Inc. ("Assignor") a Florida corporation, whose business address is 12612 Challenger Parkway, Suite 300, Orlando, Florida 32826-2784, has adopted, used, and is using certain registered and common law trademarks and trade names including without limitation the marks referenced in Schedule A, attached hereto, ("Marks"), which are registered in the United States Patent and Trademark Office; and

WHEREAS, Advantor Systems, LLC ("Assignee"), a Delaware limited liability company, whose business address is 2711 Centerville Road, Suite 400, Wilmington, Delaware, 19808, is desirous of acquiring all right, title and interest in the United States, and all of Assignor's right, title and interest throughout the world for said Marks, the associated goodwill of the business related thereto, and the trademark registrations therefor;

NOW, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, and transfer unto Assignee all right, title and interest in the United States, and all of Assignor's right, title and interest throughout the world in and to (1) said Marks, together with the goodwill of the business symbolized by the Marks, and the registrations therefor which are referenced in the attached Schedule A; (2) all income, royalties, and damages that become due or payable to the Assignor with respect to the Marks and any registrations based thereon, including damages and payments for past or future infringements and misappropriations of the Marks; and (3) all rights to sue for past, present, and future infringements or misappropriations of the Marks.

Assignor hereby covenants that (1) it owns all right, title and interest in and to the Marks in the United States; (2) no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment except as noted herein; and (3) it will execute all documents, papers, forms, and authorizations and take all other actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the Marks.
