ASSIGNMENT OF TRADEMARK AND DOMAIN NAME RIGHTS

THIS ASSIGNMENT OF TRADEMARK AND DOMAIN NAME RIGHTS (this "Assignment") is made and entered into this 31st day of August 2010 (the "Effective Date"), by and between HARRAH'S LICENSE COMPANY, LLC, a Nevada limited liability company (the "Assignor"), and Paris Las Vegas Propco, LLC, a Delaware limited liability company (the "Assignee").

WHEREAS, this Assignment is being entered into in connection with the transactions contemplated by the (i) Second Amended and Restated Mortgage Loan Agreement dated as of the date hereof between Assignee, as Borrower, JPMorgan Chase Bank, N.A., Bank of America, N.A., Citibank N.A., Credit Suisse A.G. Cayman Island Branch, Merrill Lynch Mortgage Lending, Inc., Goldman Sachs Mortgage Company, Morgan Stanley Mortgage Capital Holdings LLC, and German American Capital Corporation and the other parties thereto, and their successors and assigns (the "Amended Loan Agreement"), (ii) the Amended and Restated License Agreement dated as of the date hereof between Assignor and Assignee and the other parties thereto and (iii) the transactions contemplated by the foregoing (collectively, the "Restructuring").

WHEREAS, in connection with the transactions contemplated by the Restructuring, Assignor wishes to assign to Assignee, and Assignee wishes to accept from Assignor, (i) the trademarks and trademark applications set forth on Schedule 1, attached hereto (the "Assigned Trademarks") and (ii) the domain names set forth on Schedule 2, attached hereto (the "Assigned Domain Names").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor hereby assigns to Assignee its entire right, title and interest in and to the Assigned Trademarks, together with the goodwill of the business associated with the Assigned Trademarks, all other corresponding rights secured under the laws of the United States, state government and any foreign country and all claims for damages by reason of past, present or future infringement or other unauthorized use of the Assigned Trademarks, including the right to collect all proceeds and damages therefrom.

2. Assignor hereby assigns to Assignee its entire right, title and interest in and to the Assigned Domain Names and all claims for damages by reason of past, present or future infringement or other unauthorized use of the Assigned Domain Names, including the right to collect all proceeds and damages therefrom.

3. Assignor further agrees that should additional documentation of the assignment or further acts be required to protect, secure, vest and record good title to the Assigned Trademarks or the Assigned Domain Names in Assignee, Assignor will, without further consideration, provide or execute such other documents or take such further acts as may be reasonably necessary upon Assignee's reasonable request.

4. Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable state government or foreign countries, to record Assignee as the assignee and owner of the Assigned Trademarks registered in the corresponding jurisdiction.

5. This Assignment will be governed by and construed and interpreted in accordance with the substantive laws of the State of Nevada, without giving effect to any conflicts of law rule or principle that might result in the application of the laws of another jurisdiction.

6. This Assignment may be executed in one or more counterparts, each of which will be deemed an original and all of which, when taken together, will constitute one and the same Assignment.

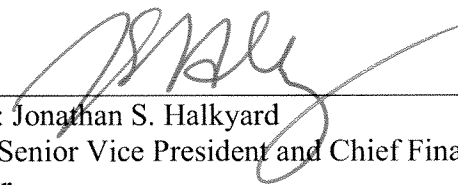

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the party hereto has duly executed this Assignment of Trademarks and Domain Name Rights as of the Effective Date.
