INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "Agreement"), is made and entered into as of this 7th day of September, 2010, by and among (i) Universal Building Products, Inc., a Delaware corporation, Universal Form Clamp, Inc., a Delaware corporation, FORM-CO, Inc., a Delaware corporation, Accubrace, Inc., a Delaware corporation, and Don De Cristo Concrete Accessories, Inc., a California corporation (each, an "Assignor," and collectively, "Assignors"), and (ii) UBP Acquisition Corp., a Delaware corporation ("Assignee"). Assignors and Assignee are collectively referred to herein as the "Parties" and each individually as a "Party."

WITNESSETH:

WHEREAS, pursuant to the Asset Purchase Agreement, dated as of August 3, 2010, by and among Assignors and Assignee (the "Asset Purchase Agreement"), each Assignor shall sell, contribute, convey, assign, transfer and deliver to Assignee the Assigned Intellectual Property (as defined below). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

ARTICLE I.

ASSIGNMENT

1.1. Assignment of Intellectual Property Rights. For good and valuable consideration received pursuant to the Asset Purchase Agreement, each Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and its successors and assigns, and Assignee hereby purchases, acquires and accepts from each Assignor, all right, title and interest in and to the Assigned Intellectual Property. For purposes of the foregoing, "Assigned Intellectual Property" means the Acquired Intellectual Property, including, without limitation, the patents and patent applications set forth on Schedule A attached hereto, the trademarks, trademark applications and registrations set forth on Schedule B attached hereto, the copyright registrations set forth on Schedule C attached hereto, and the domain name registrations set forth on Schedule D attached hereto.

ARTICLE II.

MISCELLANEOUS

2.1. Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

2.2. Entire Agreement. This Agreement, the Asset Purchase Agreement and the documents referred to herein and therein constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations by or among the Parties, written or oral, that may have related in any way to the subject matter hereof.

2.3. Amendments and Waivers. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each of the Parties. No waiver by any Party of any default or breach hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default or breach hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

2.4. Construction. The language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any Party.

2.5. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement and any amendments hereto, to the extent signed and delivered by means of digital imaging and electronic mail or a facsimile machine, shall be treated in all manner and respects as an original contract and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.
