## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this "Security Agreement") is made as of July 23, 2009, by **STRIDE TOOL INC.**, a Delaware corporation ("Pledgor"), and delivered to **FIFTH THIRD BANK**, an Ohio banking corporation ("Bank").

### RECITALS

A. Pledgor and Bank are parties to that certain Credit and Security Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"). Capitalized terms not defined herein shall have the meanings given to such terms in the Credit Agreement.

B. Pledgor has adopted, used and is using (or has filed applications for the registration of) the patents, patent rights and patent applications (collectively, the "Patents"); trademarks, service marks, trade names, service trademark applications and service trade names (collectively, "Trademarks"); copyrights and copyright applications and licenses (collectively, the "Copyrights"), all as listed on Schedule A attached hereto and made part hereof (all such Patents, Trademarks Copyrights, along with associated goodwill relating thereto, hereinafter referred to as the "Assets").

C. As a further condition of making any Loan or financial accommodation under the Credit Agreement or otherwise, Bank requires the execution and delivery of this Security Agreement by Pledgor.

NOW THEREFORE, in consideration of the premises and mutual promises herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto, intending to be legally bound hereby, covenant and agree as follows:

1. To secure Pledgor's Obligations under the Credit Agreement and the other Loan Documents, Pledgor grants to Bank a Lien in all of its present and future right, title and interest in and to the Assets, including without limitation, the goodwill of Pledgor associated with and represented by the Assets, and the registration thereof and the right (but not the obligation) to sue for past, present and future infringements and the proceeds thereof, including, without limitation, all royalties, licensing fees and the like along with all proceeds of infringement suits.

2. Pledgor hereby covenants and agrees to maintain the Assets in full force and effect until all of the Obligations are indefeasibly paid and satisfied in full.

3. Pledgor represents, warrants and covenants that:

(a) The Assets are subsisting and have not been adjudged invalid or unenforceable;

(b) Each of the Assets is valid and enforceable;

(c) Pledgor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Assets, and each of the Assets is free and clear of any Liens, including, without limitation, pledges, assignments, licenses and covenants by Pledgor not to sue third persons, other than as granted to Bank and Permitted Liens;

(d) Pledgor has the unqualified right, power and authority to enter into this Agreement and perform its terms;

(e) Pledgor has complied with, and will continue for the duration of this Agreement to comply with, the requirements set forth in 15 U.S.C. §1051-1127, 17 U.S.C. §101, et seq., 35 U.S.C. §101 et seq. and any other applicable statutes, rules and regulations in connection with its use of the Assets; and

(f) Each of the Assets listed on Schedule A constitute all of the Assets, and all applications for any of the foregoing, now owned by Pledgor. If, before all Obligations have been indefeasibly paid and satisfied in full, Pledgor shall (i) obtain rights to any new patentable inventions, trademarks, trademark registrations, trade names or copyrights or licenses or (ii) become entitled to the benefit of any patent or trademark application, trademark, trademark registration, copyright or copyright registration or application or license renewal or patent for any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, the provisions of this Agreement shall automatically apply thereto and such patent or trademark application, trademark, trademark registration, copyright or copyright registration or application or license renewal or patent for any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent shall be deemed part of the Assets. From time to time upon Bank's reasonable request, Pledgor shall provide an amended Schedule listing Pledgor's Assets in form and substance reasonably satisfactory to Bank.

4. Pledgor further covenants that until all of the Obligations have been indefeasibly paid and satisfied in full, it will not enter into any agreement, including without limitation, license agreements or options, which is inconsistent with Pledgor's obligations under this Agreement, except for agency, co-marketing and co-branding agreements.

5. So long as no Event of Default has occurred and is continuing, Pledgor shall continue to have the exclusive right to use the Assets, and Bank shall have no right to use the Assets or issue any exclusive or non-exclusive license with respect thereto, or assign, pledge or otherwise transfer title in the Assets to anyone else.

6. Pledgor agrees not to sell, license, grant any option, assign or further encumber its rights and interest in the Assets without prior written consent of Bank.

7. Upon the occurrence and during the continuance of an Event of Default, Pledgor hereby covenants and agrees that Bank, as the holder of a security interest under the Uniform Commercial Code, as now or hereafter in effect in the State of Ohio, may take such action permitted under the Loan Documents or permitted by law, in its exclusive discretion, to foreclose upon the Assets covered hereby. Pledgor hereby authorizes and empowers Bank, its successors and assigns, and any officer or agent of Bank as Bank may select, in its exclusive discretion, as Pledgor's true and lawful attorney-in-fact, with the power to endorse Pledgor's name on all applications, assignments, documents, papers and instruments necessary for Bank, to use the Assets or to grant or issue any exclusive or non-exclusive license under the Assets to anyone else, or necessary for Bank to assign, pledge, convey or otherwise transfer title in or dispose of the Assets to anyone else. Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and in accordance with the terms hereof. This power of attorney shall

be irrevocable for the life of this Agreement, the Loan Documents, and until all the Obligations are indefeasibly paid and satisfied in full.

8. This Agreement shall be subject to the terms, provisions, and conditions set forth in the Credit Agreement and may not be modified without the written consent of the parties hereto.

9. All rights and remedies herein granted to Bank shall be in addition to any rights and remedies granted under the Loan Documents. In the event of an inconsistency between this Agreement and the Loan Documents, the language of the Loan Documents shall control.

10. Upon the full and unconditional satisfaction of all of the Obligations under the Loan Documents, Bank shall execute and deliver to Pledgor all documents reasonably necessary to terminate Bank's security interest in the Assets.

11. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by Bank in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or costs otherwise incurred in protecting, maintaining or preserving the Assets, or in defending or prosecuting any actions or proceedings arising out of or related to the Assets, or defending, protecting or enforcing Bank's rights hereunder, in each case in accordance with the terms of this Agreement, shall be borne and paid by Pledgor on demand by Bank and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the otherwise applicable rate of interest prescribed in the Credit Agreement.

12. Subject to the terms of the Loan Documents, Pledgor shall have the duty to prosecute diligently any trademark application with respect to the Assets pending as of the date of this Agreement or thereafter, until all of the Obligations shall have been indefeasibly paid and satisfied in full, to preserve and maintain all rights in the Assets, and upon request of Bank, Pledgor shall make federal application on registerable but unregistered patents, trademarks, copyrights or licenses belonging to Pledgor. Any expenses incurred in connection with such applications shall be borne by Pledgor. Pledgor shall not abandon any Patent, Trademark or Copyright without the prior written consent of Bank.

13. Pledgor shall have the right to bring suit in its own name to enforce the Assets, in which event Bank may, if Pledgor reasonably deems it necessary, be joined as a nominal party to such suit if Bank shall have been satisfied, in its sole discretion, that Bank is not thereby incurring any risk of liability because of such joinder. Pledgor shall promptly, upon demand, reimburse and indemnify Bank for all damages, reasonable costs and expenses, including reasonable attorneys' fees, incurred by Bank in the fulfillment of the provisions of this paragraph.

14. Upon the occurrence and during the continuance of an Event of Default, Bank may, without any obligation to do so, complete any obligation of Pledgor hereunder, in Pledgor's name or in Bank's name, but at Pledgor's expense, and Pledgor hereby agrees to reimburse Bank in full for all costs and expenses, including reasonable attorneys' fees, incurred by Bank in protecting, defending and maintaining the Assets.

15. No course of dealing between Pledgor and Bank, nor any failure to exercise, nor any delay in exercising on the part of Bank any right, power or privilege hereunder, shall operate as a waiver thereof, and all of Bank's rights and remedies with respect to the Assets, whether established hereby, by

the Loan Documents or by any other future agreements between Pledgor and Bank or by law, shall be cumulative and may be exercised singularly or concurrently.

16. The provisions of this Agreement are severable and the invalidity or unenforceability of any provision herein shall not affect the remaining provisions which shall continue unimpaired and in full force and effect.

17. This Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

18. This Agreement shall be governed by and construed in conformity with the laws of the State of Ohio without regard to its otherwise applicable principles of conflicts of laws.

19. **PLEDGOR AND BANK EACH WAIVE ANY AND ALL RIGHTS IT MAY HAVE TO A JURY TRIAL IN CONNECTION WITH ANY LITIGATION, PROCEEDING OR COUNTERCLAIM ARISING WITH RESPECT TO RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO OR UNDER THE LOAN DOCUMENTS.**
