ASSIGNMENT

This assignment agreement ("Assignment"), dated as of December 31, 2009, is made by and between HYDRA LLC (f/k/a HYDRAMEDIA LLC), a Delaware Limited Liability Company ("Assignor"), and Marlboro Investment Group LLC, a Delaware Limited Liability Company ("Assignee").

WHEREAS, on September 18, 2007, January 15, 2008 and February 19, 2008, Assignor, under the name HYDRAMEDIA LLC, was issued the following trademark registrations respectively: Reg. No. 3,293,876 for REACH THROUGH THE .NET, Reg. No. 3,369,318 for HYDRA NETWORK, and Reg. No. 3,384,463 for HYDRA (the aforementioned marks shall be referred to as the "Marks" and the registrations shall be referred to as the "Registrations");

WHEREAS, on November 15, 2007, Assignor filed an Amendment to the Certificate of Formation with the Delaware Secretary of State to change its name from HYDRAMEDIA LLC to HYDRA LLC;

WHEREAS, on December 19, 2008, Assignor filed a Nunc Pro Tunc Assignment with the U.S. Patent and Trademark Office ("USPTO") with respect to the HYDRA and HYDRA NETWORK marks to reflect that Assignor had changed its name from HYDRAMEDIA LLC to HYDRA LLC;

WHEREAS, on June 15, 2010, Assignor filed a recordation of a name change with the USPTO with respect to the REACH THROUGH THE .NET mark to reflect that Assignor had changed its name from HYDRAMEDIA LLC to HYDRA LLC;

WHEREAS, on June 16, 2010, Assignor filed a Corrective Assignment with the USPTO to correct an error in the Nunc Pro Tunc Assignment so that Assignor's ownership information with respect to the applicable marks correctly reflected that it is a name change rather than an assignment, and the Assignor, HYDRA LLC, is a Delaware LLC;

WHEREAS, Assignor has agreed to assign to Assignee all of its right, title and interest in and to the Marks.

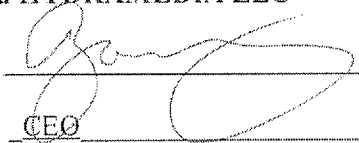

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee, its successors and assigns, all right, title and interest in and to the Marks, as well as all applications and registrations for the Marks owned by Assignor, including, without limitation, the Registrations, together with the goodwill symbolized by the Marks and all of Assignor's rights to sue and recover for profits or damages, due or accrued, arising out of or in connection with any and all past, present and future infringements or dilution of or damage to such Marks or the associated goodwill.

Assignor further agrees that, without further consideration, it will cause to be performed such other lawful acts, and to be executed such further assignments and other lawful documents, as Assignee and its successors and assigns may, from time to time, reasonably request to effect fully this Assignment and to permit Assignee to be duly recorded as the registered owner of the Marks worldwide.

This Assignment shall be binding upon and shall inure to the benefit of Assignor and Assignee and their respective successors and assigns. The parties agree that this Assignment may be recorded with the USPTO as well as any equivalent governmental authority in any other jurisdiction throughout the world.

ACCEPTED AND AGREED TO:
