TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT dated as of September 20, 2010 (this "Trademark Security Agreement"), is made by **ROSETTA LLC**, a Delaware limited liability company ("Rosetta"), **ROSETTA MARKETING GROUP, LLC**, a Delaware limited liability company (together with Rosetta, collectively, the "Borrowers" and each individually, a "Borrower"), **EACH OF THE UNDERSIGNED SUBSIDIARIES OF ROSETTA AND EACH OTHER PERSON WHO SHALL BECOME A PARTY HERETO BY EXECUTION OF A SECURITY AGREEMENT JOINDER AGREEMENT** (each a "Guarantor" and, together with the Borrowers, collectively, the "Grantors", and each individually, a "Grantor"), and in favor of **BANK OF AMERICA, N.A.**, in its capacity as Administrative Agent (the "Administrative Agent") for the Secured Parties. All capitalized terms used but not defined herein shall have the meanings given to such terms in such Security Agreement).

RECITALS:

A. Rosetta LLC, a Delaware limited liability company ("Rosetta"), certain of its Subsidiaries and the Administrative Agent, are party to a Security Agreement dated as of September 20, 2010 (as in effect on the date hereof, the "Security Agreement").

B. Pursuant to the Security Agreement, the Grantor has agreed to execute and deliver to the Administrative Agent this Trademark Security Agreement.

In order to induce the Secured Parties to from time to time make and maintain extensions of credit under the Credit Agreement, Secured Cash Management Agreements and Secured Hedge Agreements, the Grantor hereby agrees as follows:

1. **Grant of Security Interest in U.S. Trademark Collateral.** Schedule 1 attached hereto sets forth all U.S. Trademarks owned by Grantor, and Grantor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all of its U.S. Trademarks and all proceeds thereof, which such security interest shall secure the Secured Obligations.

2. **Security Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the U.S. Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

3. **Termination.** Upon the payment in full of the Obligations and termination of the Security Agreement, the Administrative Agent shall execute, acknowledge and deliver to the

Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the U.S. Trademarks under this Trademark Security Agreement.

4. **Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering on or more counterparts.
