ASSIGNMENT AND ASSUMPTION OF TRADEMARKS

For £15,000, to be paid by Assignee via wire transfer to a bank account provided by Infineer, Inc., and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor, NI Company and Assignee hereby agree as follows:

1. Assignor and NI Company have adopted, used, and are using certain trademarks listed on Schedule A (the "Marks") in connection with the operation of their respective businesses, and Assignor and NI Company are the owners of the Marks, as described in the second column of Schedule A, and the accompanying goodwill associated with the business symbolized by the Marks.
2. Assignee seeks an Assignment of the Marks and any and all of Assignor's and NI Company's rights in the Marks and the accompanying goodwill of the business symbolized by the Marks.
3. Effective upon Assignee's wire transfer into the account designated by Infineer, Inc. of the £15,000 consideration in immediately available funds and Infineer Inc.'s receipt of such funds, Assignor and NI Company each hereby assigns, conveys, and transfers to Assignee, its successors and assigns, all of Assignor's and NI Company's respective right, title, and interest in and to the Marks, including all statutory and common law rights in the Marks, and the registrations for the Marks, together with the accompanying goodwill of the business symbolized by the Marks.
4. Assignor and NI Company each further assigns to Assignee all rights to sue for and to receive and recover all profits and damages accruing from infringement of the Marks prior to the date hereof, all at the expense of Assignee.

5.2 Assignor warrants to Assignee as follows in respect of the Marks:

- (a) all renewal fees due in respect of the registrations have been paid;
- (b) neither Assignor nor NI Company has appointed any licencees of any of them or given any other person any permission to use them;
