In re:

AXIOM WORLDWIDE, LLC,

Case No. 10-006801

Assignor,

Division G

To

MICHAEL LUTGERT,

Assignee.

ORDER AUTHORIZING THE TRANSFER OF ASSETS TO PROGRESS BANK

THIS CAUSE came on for hearing before the Court on Thursday, July 1, 2010, at 2:30 p.m. (the "Hearing"), in Tampa, Florida, upon the Assignee's Motion to Authorize the Sale of Assets; to Establish Bidding and Sale Procedures; and Notice of Hearing on any Timely Filed Objection (the "Motion") and Order on the Motion dated June 21, 2010 (the "June 21 Order").¹ The Court finds that notice of the June 21 Order and Hearing was appropriate and sufficient. Objections to the sale of the Assignor's assets by the Assignee pursuant to the procedures outlined in the June 21 Order have been filed by the "Hako-Med creditors", North American Medical Corporation, Greg Westfall and the Chiropractic Creditors (collectively, the "Objections"). The Court considered the Motion, the Objections, together with the record and the arguments of counsel at the Hearing, and being otherwise duly advised in the premises, finds that the transfer of the Assets, excluding the Vehicle, to Progress Bank free and clear of all junior liens and encumbrances is appropriate.

1.

¹ Unless otherwise indicated, capitalized terms used herein shall have the meaning ascribed to such terms in the Motion.

In the June 21 Order, the Court found that the Sealed Bid Procedures outlined therein were reasonable and appropriate and designed to maximize the value of the Assets. Pursuant to the Sealed Bid Procedures, any person or entity desiring to purchase the Assets was to submit a sealed, written bid by the Bid Deadline (June 28, 2010 at 2:00 p.m.). No bids were received for the Assets. The June 21 Order provided that in the absence of a bid, the Assets, excluding the Vehicle, shall be transferred to Progress Bank, free and clear of all junior liens and encumbrances immediately following the Bid Deadline.

Pursuant to the June 21 Order, the principals (Nicholas Exarhos and James Gibson) of Axiom Worldwide, LLC (the "Assignor") were provided the opportunity to review the documents and records of the Assignor by no later than June 17, 2010 for the sole and limited purpose of advising the Assignee and his counsel of document or records which are of the type or nature which cannot be sold because the records contain sensitive patient information or employee information. James Gibson's representative did identify certain documents (hereinafter referred to as the "Segregated Documents") to be segregated. The Segregated Documents fell into three categories: (1) employee information and records (the "Employee Records"); (2) one drawer of a filing cabinet which contains expense reimbursement records (the "Expense Reimbursement Records"); and (3) all filing cabinets located in the back room of the office which contain files of all equipment sold, including service records and the like (the "Equipment Records").

The Assignee has requested that the Equipment Records be included with the transfer of the Assets to Progress Bank. The Court finds that it is appropriate for the Assignee to transfer the Equipment Records to Progress Bank. With respect to the Employee Records and the

Expense Reimbursement Records, the Assignee has advised the Court that such records may, and in some instances do, contain personal employee information.

In light of there being no bids for the Assets and Progress Bank being the sole secured creditor having a Lien on the personal property of the Assignor, the Court finds it appropriate for the transfer of the Assets from the Assignee to Progress Bank to include the Employee Records and the Expense Reimbursement Records, provided that Progress Bank does not improperly disclose any personal information of the employees to any third party.

Accordingly, for the reasons stated on the record in open Court, it is ORDERED, ADJUDGED AND DECREED that:

1. The Objections are overruled.
2. The Court approves and authorizes the immediate transfer of the Assets, excluding the Vehicle, from the Assignee to Progress Bank free and clear of all junior liens and encumbrances.
3. The Assignee is authorized to immediately execute and deliver a bill of sale to Progress Bank to evidence the transfer of the Assets, excluding the Vehicle.
4. The Court authorizes the transfer of the Equipment Records to Progress Bank
5. The Court authorizes the transfer of the Employee Records and the Expense Reimbursement Records to Progress Bank, provided that Progress Bank shall not improperly disclose any personal information contained in such records to any third party.
6. All Assets (excluding the Vehicle), including the Expense Reimbursement Records, the Equipment Records and the Employee Records, are being transferred to Progress Bank with no representations or warranties of any nature whatsoever, whether express or implied, including, but not limited to, those relating to condition, quality, fitness and

merchantability of the Assets. All Assets are being transferred and conveyed "As Is" and "Where Is" with no representations or warranties of any nature whatsoever from the Assignee.

7. The Assignee shall have no responsibility or liability with respect to any of the Assets, including, but not limited to, the Expense Reimbursement Records, the Equipment Records and the Employee Records, being transferred to Progress Bank.

8. The Assignee shall retain possession and control over the Vehicle without prejudice to any rights, claims or defenses of Progress Bank or the Assignee, until further order of the Court.

DONE AND ORDERED at Hillsborough County, Florida this _____ day of _____, 2010.

notice of certain sale procedures and moves the Court to approve this sale and resolve any objections to the relief and notice sought herein (this "Sale Motion"). In support of this Sale Motion, M.D. Luetgert (the "Assignee") states as follows:

I. PROCEDURAL AND FACTUAL BACKGROUND

1. On March 25, 2010, a Petition was filed with this Court initiating an assignment for the benefit of creditors (the "Petition Date").
2. M.D. Luetgert is the Assignee of the assets of the Assignor.

II. ASSETS FOR SALE

5. By this Sale Motion, the Assignee seeks to sell all items, including but not limited to furniture, fixtures, equipment, materials, electronic items, computers, storage cabinets, machine parts, machinery, documents of the Assignor, including, but not limited to, financial records, records of medical devices sold by the Assignor, related records outlining service provided on the equipment, associated Food and Drug Administration records, and other corporate documents, located at the premises leased from United Storage at 5002F and 5004A W. Linebaugh Avenue and in storage units numbered 30, 32, 34, 36, 68, 69, 88, 93, and 94 in Tampa, Florida (collectively, the "Linebaugh Assets"). Hereinafter, the premises located at

6. Documents or records, if any, which contain sensitive patient information or employee information, are specifically excluded from the Assets which are to be sold by the Assignee. In addition, principals of the Assignor may request to view under the supervision of the Assignee the documents and records of the Assignor by no later than June 17, 2010 for the sole and limited purpose of advising the Assignee and the Assignee's counsel of documents or records which are of the type or nature which cannot be sold because the records contain sensitive patient information or employee information [all of the foregoing documents in this paragraph shall be referred to as the "Segregated Document(s)"].

7. The Assignee may determine in his sole discretion that some or all of the Segregated Documents are to be excluded from the Assets. If the Assignee determines that some or all of the Segregated Documents are to be excluded from the Assets, Progress Bank shall be entitled to an immediate review of the excluded documents. If the Assignee determines that some or all of the Segregated Documents are **not** to be excluded from the Assets, he shall advise the principal having sought exclusion of the documents that such documents will be included with the sale of the Assets. If the parties are unable to reach agreement on the inclusion or exclusion of any Segregated Document, the matter will be brought before the Court for consideration. The Assignee may determine to conduct the sale of the Assets, even if a dispute as to any Segregated Document is pending.

III. NOTICE OF SEALED BID PROCEDURES

14. The Assignee seeks approval by the Court of the following sale procedures for the Assets. The Assignee submits that these proposed procedures will satisfy all interested parties by assuring that the Assignee will achieve the maximum value set for the Assets.

15. Progress Bank is the sole secured creditor having a lien (the "Lien") on the personal property of the Assignor, as more particularly described in its UCC-1 financing statement filed with the Florida Department of State on November 14, 2008. Upon (and only upon) full and strict compliance with the terms and conditions provided herein, Progress Bank shall release the Lien to the extent necessary (and only to the extent necessary) to permit the sale

ASSIGNMENT, made this 25th day of March, 2010, between Axiom Worldwide with a principal place of business at 5004A and 5002F West Linebaugh Ave, Tampa, FL 33624, hereinafter "assignor," and Michael Luetgert, whose address is 1409 West Swann Avenue, Tampa, FL 33606, hereinafter "assignee".

WHEREAS, the assignor has been engaged in the business of Medical Device Manufacturer;

WHEREAS, the assignor is indebted to creditors, as set forth in Schedule A annexed hereto, is unable to pay its debts as they become due, and is desirous of providing for the payment of its debts, so far as it is possible by an assignment of all of its assets for that purpose.

NOW, THEREFORE, the assignor, in consideration of the assignee's acceptance of this assignment, and for other good and valuable consideration, hereby grants, assigns, conveys, transfers, and sets over, unto the assignee, her or his successors and assigns, all of its assets, except such assets as are exempt by law from levy and sale under an execution, including, but not limited to, all real property, fixtures, goods, stock, inventory, equipment, furniture, furnishings, accounts receivable, bank deposits, cash, promissory notes, cash value and proceeds of insurance policies, claims and demands belonging to the assignor, and all books, records, and electronic data pertaining to all

such assets, wherever such assets may be located, hereinafter the "estate," as which assets are, to the best knowledge and belief of the assignor, set forth on Schedule B annexed hereto.

The assignee shall then pay and discharge in full, to the extent that funds are available in the estate after payment of administrative expenses, costs, and disbursements, all of the debts and liabilities now due from the assignor, including interest on such debts and liabilities. If funds of the estate shall not be sufficient to pay such debts and liabilities in full, then the assignee shall pay from funds of the estate such debts and liabilities, on a pro rata basis and in proportion to their priority as set forth in Section 727.114, Florida Statutes.

If all debts and liabilities are paid in full, any funds of the estate remaining shall be returned to the assignor.
