As collateral security for the prompt and complete payment and performance of all Obligations, Borrower hereby grants a security interest and mortgage to Bank as collateral security, in and to Borrower's entire right, title and interest in, to and under the following, now or hereafter existing, created, acquired, or held by Borrower (all of which shall collectively be called the "Intellectual Property Collateral"):

(b) any and all trade secrets, and any and all intellectual property rights in computer software and computer software products;

(c) any and all design rights which may be available to Borrower;

- (c) during the term of this Security Agreement, Borrower will not sell, transfer, assign, or otherwise encumber any interest in the Intellectual Property Collateral, unless such sale, transfer, assignment, or encumbrance is expressly permitted under the Loan Agreement;
- (d) to its knowledge, each of the Patents, if any, is valid and enforceable, and there is no Intellectual Property which has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Intellectual Property Collateral violates the rights of any third party;
- (e) Borrower shall promptly advise Bank of any changes in the composition of the Intellectual Property Collateral, including but not limited to any subsequent ownership right of Borrower in or to any Intellectual Property not specified in this Security Agreement;
- (f) Borrower shall (i) protect, defend, and maintain the validity and enforceability of the Intellectual Property, except where the failure to so protect, defend, and maintain would not, in the aggregate, result in a Material Adverse Effect, (ii) use all commercially reasonable efforts to detect infringements of the Intellectual Property and promptly advise Bank in writing of infringements detected and (iii) not allow any of its Intellectual Property to be abandoned, forfeited, or dedicated to the public without the prior, written consent of Bank;

(g) Borrower shall promptly register the most recent version of Borrower's Copyrights and shall, from time to time, execute and file such other instruments, and take such further actions as Bank may request from time to time to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral;

(h) Borrower is not party, nor will it, without the prior, written consent of Bank, become party in the future, to any license or contract included in the Intellectual Property Collateral which, pursuant to its terms is not assignable (except in the case of Borrower's customer contracts) or capable of being encumbered;

(i) this Security Agreement creates, and in the case of after acquired Intellectual Property Collateral, will create at the time Borrower first has rights in such after acquired Intellectual Property Collateral, in favor of Bank a valid and (upon taking appropriate actions) perfected first priority security interest in the Intellectual Property Collateral in the United States securing the payment and performance of all present or future Obligations, subject only to Permitted Encumbrances (as defined in the Loan Agreement);

For purposes of this subsection, Borrower's entering into license agreements in the ordinary course of business shall not be deemed to impair or conflict with Borrower's obligations hereunder. Borrower shall not, without the prior, written consent of Bank, permit the inclusion in any contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in Borrower's rights and interests in any property included within the definition of the Intellectual Property Collateral acquired under such contracts, except that certain contracts may contain anti-assignment provisions that could in effect prohibit the creation of a security interest in such contracts; and

(m) upon the president or any vice president of Borrower's obtaining actual knowledge thereof, Borrower will promptly notify Bank in writing of any event that

materially adversely affects the value of any Intellectual Property Collateral, the ability of Borrower to dispose of any Intellectual Property Collateral or the rights and remedies of Bank in relation thereto, including the levy of any legal process against any of the Intellectual Property Collateral.

4. Bank's Rights. After the occurrence and during the continuance of an Event of Default, Bank shall have the right, but not the obligation, to take, at Borrower's sole expense, any actions that Borrower is required under this Security Agreement to take but which Borrower fails to take when required hereunder. (b) On a continuing basis for the purpose of perfecting and maintaining the perfection of Bank's security interest in all Intellectual Property, Borrower will make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademark Office and the Register of Copyrights, and take all such action as may be necessary or advisable, or as requested by Bank, and otherwise to carry out the intent and purposes of this Security Agreement, or for assuring and confirming to Bank the grant or perfection of a security interest in all Intellectual Property Collateral.

(c) Borrower hereby irrevocably appoints Bank as Borrower's attorney-in-fact, with full authority in the place and stead of Borrower and in the name of Borrower, from time to time in Bank's discretion, to take any action and to execute any instrument which Bank may deem necessary or advisable to accomplish the purposes of this Security Agreement, including (i) to modify, in its discretion, this Security Agreement without first obtaining Borrower's approval of or signature to such modification by amending Exhibit A to include reference to any right, title or interest in any Intellectual Property acquired by Borrower after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which Borrower no longer has or claims any right, title or interest, (ii) to file, in its discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Intellectual Property Collateral without the signature of Borrower where permitted by law, and (iii) to transfer the Intellectual Property Collateral into the name of Bank or a third party to the extent permitted under the UCC provided that Bank agrees that it shall not exercise its powers as attorney-in-fact under this Section 5 except upon the occurrence and during the continuation of an Event of Default.

6. Remedies. Upon the occurrence and during the continuance of an Event of Default, Bank shall have the right to exercise all the remedies of a secured party under the UCC, including, without limitation, the right to require Borrower to assemble the Intellectual Property Collateral and any tangible property in which Bank has a security interest and to make it available to Bank at a place designated by Bank. Bank shall have a nonexclusive, royalty free license or other right, solely pursuant to the provisions of this Section 6, to use, without charge, the Intellectual Property and any property of a similar nature as it pertains to the Intellectual Property Collateral, to the extent necessary to permit Bank to exercise its rights and remedies pursuant to this Section 6, including, without limitation, the completion of production, advertising for sale and the sale of any Intellectual Property Collateral and, in connection with Bank's exercise of its rights hereunder, Borrower's rights under all licenses and all franchise agreements which constitute Intellectual Property Collateral shall inure to the benefit of Bank. Borrower will pay any expenses (including reasonable attorneys' fees) incurred by Bank in connection with the exercise of any of Bank's rights hereunder, including, without limitation, any expense incurred in disposing of the Intellectual Property Collateral. All of Bank's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

If Bank obtains recovery of any of the amounts that Borrower has paid to it pursuant to the indemnity set forth in the section, then Bank shall promptly pay to Borrower the amount of such recovery. **BORROWER AND BANK EXPRESSLY INTEND THAT THE FOREGOING INDEMNITY SHALL COVER, AND THAT BORROWER SHALL INDEMNIFY AND HOLD THE INDEMNIFIED PARTIES HARMLESS FROM AND AGAINST, COSTS, EXPENSES AND LOSSES SUFFERED AS A RESULT OF THE NEGLIGENCE OF ANY INDEMNIFIED PARTY.**

This Security Agreement and all obligations of Borrower hereunder shall be binding upon the successors and assigns of Borrower, and shall, together with the rights and remedies of Bank hereunder, inure to the benefit of Bank and its successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the indebtedness secured hereby or any portion thereof or interest therein shall in any manner affect the security interest created herein and granted to Bank hereunder.

9. Reassignment. At such time as Borrower shall completely satisfy all of the Obligations and no commitment on the part of Bank to make loans to Borrower is continuing, Bank shall promptly execute and deliver to Borrower all deeds, assignments, and other

instruments as may be necessary or proper to revest in Borrower full title to the property assigned hereunder, subject to any disposition thereof which may have been made by Bank pursuant hereto.

10. No Failure or Delay. No failure or delay on the part of Bank in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof.
