CTS TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Trademark Assignment"), dated July 21, 2010 (the "Effective Date"), is entered into by and between CT Corporation System, a Delaware corporation ("CT"), and AccessData Group LLC, a Delaware limited liability company (the "Company"). This Trademark Assignment is being entered into pursuant to that certain Contribution Agreement, dated as of June 8, 2010 (as amended, supplemented or otherwise modified in accordance with its terms, the "Contribution Agreement"), by and among CT, Software Forensics Inc (f/k/a AccessData Corp.), a Utah corporation, and the Company.

FOR GOOD AND VALUABLE CONSIDERATION, as recited in the Contribution Agreement, the receipt and sufficiency of which are hereby acknowledged, effective as of the Effective Date, CT hereby contributes, transfers, assigns, conveys and delivers to the Company, and its successors and assigns, all right, title and interest worldwide in, to and under the trademarks listed on Schedule A attached hereto (which is incorporated into and made a part of this Trademark Assignment), together with (a) any renewals, extensions, or foreign equivalents; (b) all of the goodwill associated with such trademarks; and (c) all rights to sue and recover for any past, present or future infringement, dilution, damage or injury to any of the foregoing and collect profits or damages with respect to same.

This Trademark Assignment is subject to all of the terms, conditions and limitations set forth in the Contribution Agreement (including the representations, warranties, covenants and indemnities set forth in the Contribution Agreement). In the event of any conflict or inconsistency between the terms of this Trademark Assignment and the terms of the Contribution Agreement, the terms of the Contribution Agreement will prevail. Nothing contained herein will be deemed to alter, modify, expand or diminish the terms of the Contribution Agreement.

This Trademark Assignment shall be governed by and construed in accordance with the substantive laws of the State of Delaware applicable to contracts made and performed entirely in Delaware, without references to the conflicts of law rules of such State.

This Trademark Assignment may be executed in one (1) or more counterparts, each of which will be deemed an original, but all such counterparts taken together will constitute one and the same agreement. Facsimiles or other electronic copies of signatures will be deemed to be originals.

* * * * *

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Trademark Assignment as of the Effective Date.
