TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("*Assignment*") is entered into and effective as of the close of business (New York time) on September 20, 2010, by TheMarkets.com LLC, a Delaware limited liability company ("*Assignor*"), in favor of Capital IQ, Inc., a corporation formed under the laws of the State of Delaware ("*Assignee*"). Capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Purchase Agreement (as defined below).

WHEREAS, Assignor is the owner of record of all right, title and interest in and to the trademark registrations and applications for registration identified and set forth on Schedule A attached hereto (collectively, and excluding the Excluded Marks, the "*Marks*");

WHEREAS, Assignor and Assignee are parties to the Asset Purchase Agreement dated August 6, 2010 (as amended from time to time, the "*Purchase Agreement*") pursuant to which Assignor has sold, and Assignee has purchased, certain assets of Assignor, including, without limitation, the Marks;

WHEREAS, Assignee is the successor to that portion of the assets of the business of the Assignor to which the Marks pertain and such business is ongoing; and

WHEREAS, pursuant to the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all worldwide right, title and interest in and to the Marks and all goodwill associated with the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby:

1. Assignor hereby sells, transfers, assigns and conveys to Assignee all of Assignor's right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and symbolized thereby, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals, and extensions of the registrations, and all corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter arising or in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all rights to collect all income, royalties, products and proceeds in connection with any of the foregoing and all rights to sue for past, present or future infringement, misappropriation, unfair competition, dilution or other violation of the foregoing, and all rights to recover damages or lost profits in connection therewith, and all rights corresponding thereto throughout the world. Assignor acknowledges and agrees that the use of the Marks by Assignee shall not create in Assignor's favor any right, title or interest in or to the Marks, and that all uses of the Marks by Assignee shall inure solely to the benefit of Assignee.

2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Marks and to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
3. This Assignment shall be governed by and construed in accordance with the laws of the State of New York without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the state of New York.
4. This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
5. This Assignment is provided pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Marks. No provision in this Assignment shall be deemed to limit, alter or amend the terms or provisions of the Purchase Agreement. In the event of any conflict between any provision of this Assignment and any provision of the Purchase Agreement, the Purchase Agreement shall govern.
