TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended or otherwise modified from time to time, the "Agreement") is made as of this 16th day of July, 2010 by COBRA ELECTRONICS CORPORATION, a Delaware corporation ("Grantor"), in favor of HARRIS N.A., in its capacity as Administrative Agent for the Lenders party to the Credit Agreement (defined below) ("Grantee").

WITNESSETH

WHEREAS, Grantor, Grantee and Lenders are entering into that certain Credit Agreement of even date herewith (as amended or otherwise modified from time to time, the "Credit Agreement"), pursuant to which Grantee and Lenders will make loans and other financial accommodations to or for the benefit of Grantor; and

WHEREAS, pursuant to the terms of that certain Master Security Agreement of even date herewith by and between Grantor and Grantee (as amended or otherwise modified from time to time, the "Security Agreement"), Grantor has granted to Grantee a security interest in substantially all of the assets of Grantor, including, without limitation, all right, title and interest of Grantor in, to and under all now owned and hereafter acquired or arising trademark applications and trademarks, trade names and trademark licenses (other than "intent to use" applications until a verified statement of use or an amendment to alleged use is filed with respect to such applications) (collectively, "Trademarks") to secure the payment of all amounts owing by Grantor to Grantee and Lenders under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Security Agreement. The Credit Agreement and Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Credit Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Grantor hereby grants to Grantee, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created or acquired:

(i) each Trademark listed on Schedule 1 annexed hereto, together with any renewals thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. New Trademarks. If, before the Obligations shall have been satisfied in full or before the Credit Agreement and the Security Agreement have been terminated, Grantor shall (i) become aware of any existing Trademarks owned by Grantor of which Grantor has not previously informed Grantee, (ii) adopt any new Trademarks of which Grantor has not previously informed Grantee or (iii) file any "intent to use" application or statement of use or amendment to allege use with respect to any Trademark that is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Grantor shall give to Grantee written notice thereof in accordance with the terms of the Security Agreement. Grantor hereby authorizes Grantee to (a) modify this Agreement unilaterally by amending Schedule 1 to include any such Trademarks and (b) file, in addition to and not in substitution of this Agreement, a duplicate of this Agreement containing on Schedule 1 thereto such Trademarks.

4. Duties of Grantor. Grantor shall (i) file and prosecute diligently any trademark applications pending as of the date hereof or hereafter, (ii) preserve and maintain all rights in the Trademarks, as reasonably deemed appropriate by Grantor and (iii) ensure that the Trademarks are and remain enforceable.

5. Cumulative Remedies. Grantee hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby further acknowledges and agrees that the use by Grantee of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Grantee to Grantor.

IN WITNESS WHEREOF, Grantor has duly executed this Trademark Security Agreement as of the date first written above.
