1. Trademarks. The term "Trademark Collateral," as used herein, shall mean all of the Grantor's right, title and interest in, to and under all of its Trademarks and IP Licenses to which it is a party, including those referred to on Schedule I hereto; all reissues, continuations or extensions of the foregoing; all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark

2. Release of Security Interest. The Agent hereby unconditionally and irrevocably terminates, releases and discharges its Security Interest in the Trademark Collateral, and all right, title or interest of the Agent in such Trademark Collateral shall hereby cease and become void.

3. Further Assurances. The Agent shall execute and deliver to the Grantor all further releases and other documents (including without limitation Uniform Commercial Code termination statements), and take all other actions necessary or reasonably desirable for the release of the Security Interest.
