This **INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT** ("**Agreement**") is made as of October 8, 2010 ("**Effective Date**"), by and among Philadelphia Media Holdings, LLC ("**PMH**"), PMH Acquisition, LLC, a Delaware limited liability company ("**Parent**"), and each of Parent's direct and indirect Subsidiaries listed on the signature pages of the Purchase Agreement (defined below) (collectively with PMH and Parent, the "**Sellers**") and PN Purchaser Co, LLC, a Delaware limited liability company (now known as Philadelphia Media Network Inc., a Delaware corporation, the "**Purchaser**"). Capitalized terms used herein but not otherwise defined shall have the meanings set forth in the Purchase Agreement.

WHEREAS, each of the Sellers is a debtor and/or debtor-in-possession in chapter 11 proceedings before the United States Bankruptcy Court for the Eastern District of Pennsylvania;

WHEREAS, the Sellers own all right, title, and interest in and to the Intellectual Property, including the trademarks and service marks, trade dress, trade names, and any applications and registrations therefor, and all goodwill associated therewith and domain names, and all other intellectual property identified on Schedule 1 attached hereto (the "**Intellectual Property**");

WHEREAS, the Purchaser and the Sellers have heretofore entered into that certain Asset Purchase Agreement dated September 22, 2010, as amended by Amendment No. 1 thereto (the "**Purchase Agreement**") through which the Sellers have assigned, transferred, and conveyed to the Purchaser all of their rights to the Intellectual Property and the Purchaser has assumed all right and title in and to the Intellectual Property as set forth in said agreement; and

WHEREAS, the parties hereto wish to confirm and memorialize their agreement with respect to the assignment and transfer of the Intellectual Property under the Purchase Agreement as set forth herein; and through this Agreement, the parties are confirming and consummating the transactions contemplated by the Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual promises herein made and the mutual benefits to be derived therefrom, and in consideration of the representations, warranties and covenants contained herein, and expressly subject to the Purchase Agreement, the parties agree as follows.

1. As of the Effective Date, the Sellers, individually and collectively, hereby expressly sell, assign, convey, and transfer to the Purchaser, its successors and assigns, the Sellers' entire right, title and interest in and to the Intellectual Property worldwide, including, without limitation, the goodwill of the business in connection with which the trademarks comprising the Intellectual Property, and all other Intellectual Property identified on Schedule 1 attached hereto, along with the right to recover for damages and profits for past and future infringements and misappropriations of any part of the Intellectual Property and the right to sue for and recover the same throughout the world in the name of the Purchaser, its successors or assigns (the "**Assignment**").

2. The foregoing Assignment shall inure to the benefit of, and be binding upon, the successors, executors, administrators, legal representatives and assigns of the parties hereto.

3. The parties agree and confirm that the present Assignment may be made of record in the United States Patent and Trademark Office and any other government offices as appropriate and desired by the Purchaser.

4. The parties further agree and confirm that they will provide and/or execute any other documents or agreements that may be necessary to effect the foregoing Assignment.

5. The Sellers are executing and delivering this Agreement in accordance with and expressly subject to all of the terms and provisions of the Purchase Agreement. If and to the extent the provisions of this Agreement are inconsistent, the provisions of the Purchase Agreement shall control.

6. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware applicable to contracts made and to be entirely performed therein. In the event of any controversy or claim arising out of or relating to this Agreement or the breach or alleged breach hereof, each of the parties hereto irrevocably (i) submits to the exclusive jurisdiction of the United States Bankruptcy Court for the Eastern District of Pennsylvania, (ii) waives any objection which it may have at any time to the laying of venue of any action or proceeding brought in the United States Bankruptcy Court for the Eastern District of Pennsylvania, (iii) waives any claim that such action or proceeding has been brought in an inconvenient forum, and (iv) agrees that service of process or of any other papers upon such party by registered mail at the address to which notices are required to be sent to such party under Section 14.13 of the Purchase Agreement shall be deemed good, proper and effective service upon such party.

7. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signed facsimile copies of this Agreement shall legally bind the parties to the same extent as original documents.

IN WITNESS WHEREOF, the parties have executed this Agreement, made effective as of the Effective Date first written above.
