Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign servicemarks, trademarks, trademark applications and trade names, including without limitation the servicemarks, trademarks, servicemark and trademark applications and trade names listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "Marks").
