## Assignment of Servicemarks and Trademarks

**Assignment of Servicemarks and Trademarks** made as of the 18th day of October, 2010, by **Systems by LAR, Inc.**, an Illinois corporation, with its principal place of business at 129 E. 3<sup>rd</sup> Ave., Clifton, Illinois 60927 ("**Assignor**"), to **Camoplast Inc.**, a Canadian corporation, with its principal place of business at 2144 rue King Quest, bur. 110, Sherbrooke, Quebec J1J 2E8 ("**Assignee**").

### Recital

Assignor has adopted, used, and is using one or more servicemarks, trademarks, and trade names in connection with its business.

Assignee and Assignor are parties to an Asset Purchase Agreement dated as of October 18, 2010 (the "**Agreement**"), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Assets (as defined in the Agreement), including without limitation the certain servicemarks, trademarks and trade names of Assignor listed on Schedule A and the goodwill of Seller's Business associated therewith. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such Assets.

In accordance therewith, Assignor desires to sell, transfer and assign to Assignee, and Assignee desires to accept the sale, transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign servicemarks, trademarks, servicemark applications, trademark applications and trade names listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "**Marks**").

**Now, Therefore**, Assignor, for and in exchange for the payment of the purchase price set forth in the Agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, does hereby sell, transfer and assign to Assignee, and Assignee hereby accepts the sale, transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the Seller's Business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Servicemarks and Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Servicemarks and Trademarks not been made.

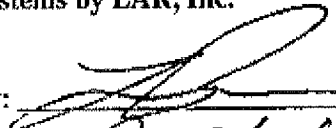

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Servicemarks and Trademarks shall be governed by and construed in accordance with the laws of the State of Illinois without giving effect to the principles of conflicts of laws thereof.

This Agreement shall be binding upon and inure to the benefit of the heirs, legal representatives, successors and assigns of the parties hereto.

**In Witness Whereof**, Assignor has caused its duly authorized officer to execute this Assignment of Servicemarks and Trademarks as of the date first above written.
