## RELEASE OF SECURITY INTEREST IN TRADEMARKS

THIS RELEASE OF SECURITY INTEREST IN TRADEMARKS ("Release"), dated as of October 1, 2010, confirms the termination and release of the security interest granted to General Electric Capital Corporation (as the administrative agent) ("GE Capital") as set forth hereunder.

WHEREAS, Nellson Nutraceutical, LLC (the "Borrower"), a Delaware limited liability company ("Nellson") and GE Capital were party to a Trademark Security Agreement dated as of October 3, 2007 ("Security Agreement") and Credit Agreement dated as of October 3, 2007 as amended, supplemented or otherwise modified from time to time ("Credit Agreement");

WHEREAS, Nellson, pursuant to the Security Agreement, has granted GE Capital a security interest (as the administrative agent for itself and for other lenders party thereto from time to time) in certain Intellectual Property (as defined in the Security Agreement), including including the trademarks and registrations therefor as set forth in Exhibit A attached hereto (collectively, without limitation, "Trademark Properties");

WHEREAS, the Security Agreement was recorded in the U.S. Patent and Trademark Office on October 4, 2007, at Reel 3633, Frame 770;

WHEREAS, pursuant to GE Capital's Termination Letter dated October 1, 2010 ("Termination Letter"), Nellson is no longer indebted to GE Capital under the Credit Agreement;

WHEREAS, this Release is intended to confirm the release and termination of all liens, security interests, and other encumbrances in and to the Trademark Properties created under the Security Agreement in favor of GE Capital.

NOW, THEREFORE, pursuant to the Termination Letter:

1. This Release confirms that the entire security interest and all other rights and interests granted to GE Capital under the Security Agreement in and to the Intellectual Property and other assets of Nellson, including without limitation, the Trademark Properties listed in Exhibit A attached hereto, are released and permanently terminated to the extent that any security interest was granted to GE Capital by the Security Agreement.

2. This Release is intended to be recorded in the U.S. Patent and Trademark Office or any other patent office(s) as desired to confirm and evidence the foregoing release and termination of the security interest and rights created under the Security Agreement.

IN WITNESS WHEREOF, GE Capital has caused this Release to be executed by a duly authorized signatory.

General Electric Capital Corporation
