TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT, dated as of October 21, 2010 (this "Assignment"), by and between ROMEDEX INTERNATIONAL SRL, a corporation organized under the laws of Romania, with registered headquarters in Bucharest, 022944, Aleea Arubium Street 58 ("Assignor"), and BARD ACCESS SYSTEMS, INC., a Utah corporation, having its principal place of business at 605 North 5600 West, Salt Lake City, Utah, 84116 ("Assignee"). Capitalized terms used but not defined herein have the respective meanings ascribed to them in the Asset Purchase Agreement, dated as of October 21, 2010 (the "Purchase Agreement"), between Assignor and Assignee.

WHEREAS, pursuant to the Purchase Agreement, Assignor agreed to, among other things, sell, convey, transfer, assign, grant and deliver to Assignee all of Assignor's right, title and interest in and to the trademarks, service marks, slogans, trade names and the like set forth on Schedule A hereto, together with all applications and registrations pertaining thereto, all common law rights associated therewith, and all goodwill associated therewith throughout the world (collectively, the "Assigned Trademarks").

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Assignor does hereby irrevocably sell, transfer, convey, assign, grant, set over, and deliver to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Assigned Trademarks, and all goodwill associated therewith throughout the world, free and clear of all liens, mortgages, options, charges, title defects, security interests, and similar encumbrances, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, designees, nominees, and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all causes of action (in law or equity), claims, demands, and any other rights for, or arising from any past, present or future infringement, of the Assigned Trademarks, along with the right to sue for and collect any damages for the use and benefit of Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives.

2. No Conflicts. Assignor represents, warrants, and covenants that it is the sole and exclusive owner of all right, title and interest in and to the Assigned Trademarks, the execution and delivery of this Assignment does not breach any agreement to which Assignor is a party, and Assignor has not entered into, and will not enter into, any oral or written agreement in conflict with this Assignment.

3. Further Assurances. As may be requested by Assignee or its designees or other legal representatives from time to time after the date hereof, Assignor agrees to assist Assignee, or Assignee's successors, assigns, designees, nominees, or other legal representatives, in a commercially reasonable manner, without further consideration, to (i) evidence, record, and

perfect the assignment of the Assigned Trademarks and (ii) secure Assignee's rights in the Assigned Trademarks, including, but not limited to, the execution, delivery and filing of all applications, specifications, oaths, assignments, powers-of-attorney, and similar instruments that Assignee deems reasonably necessary to assign and convey to Assignee, or Assignee's successors, assignees, designees, nominees or other legal representatives, all right, title and interest in and to the Assigned Trademarks.

4. Authorization. Assignor hereby authorizes and request the U.S. Patent and Trademark Office and any corresponding foreign office whose duty it is to issue, certify, or assign registrations or applications for trademarks or service marks to issue, certify or assign as appropriate, the same to Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives in accordance with the terms of this Assignment.
