(2) provided, however, the Collateral described above shall not include any interest of any Grantor in any contract, license, permit or similar general intangible if the granting of a security interest therein is prohibited by the terms of the written agreement creating or evidencing such contract, license, permit or similar intangible, provided, further, that, notwithstanding anything set forth in the proviso set forth above to the contrary, to the extent not prohibited by law, the Secured Party shall at all times have a security interest in all rights of the Grantors to payments of money due or to become due under any such contract, license, permit or similar general intangible, and all proceeds thereof, and, if and when the prohibition which prevents the granting of a security interest in any such property is removed, terminated or otherwise becomes unenforceable as a matter of law, the Secured Party will be deemed to have, and at all times to have had, a security interest in such property and the Collateral will be deemed to include, and at all times to have included, such property; and

(3) in furtherance of granting such security interests, grants, bargains, sells, transfers, conveys and assigns as security to the Secured Party the Patents, the Patent Licenses, the Copyrights and the Copyright Licenses. Notwithstanding anything herein to the contrary, this Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Secured Party of any applications by any Grantor for a Trademark based on an intent to use the same if and so long as such application is pending and not matured into a registered Trademark (such pending applications which are based on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"), but rather, if and so long as any Grantor Intent-To-Use Application is pending this Agreement shall operate only to create a security interest for collateral purposes in favor of the Secured Party on such Intent-To-Use Application as collateral security for the Secured Obligations.

(b) This Agreement, including the security interest granted hereunder, is made and given to secure, and shall secure, the prompt payment or performance in full when due, whether by lapse of time, acceleration or otherwise, of the Secured Obligations.

Section 2. **Continuing Agreement; Termination and Release.** This Agreement is made for collateral purposes only. This Agreement shall be a continuing agreement in every respect and shall remain in full force and effect until all of the Secured Obligations (other than unasserted contingent indemnification obligations) shall have been indefeasibly paid and satisfied and all commitments of the Secured Party under the Credit Agreement have been terminated. Upon such termination of this Agreement, the Secured Party shall, upon the request and at the expense of the Grantors, forthwith release, assign and

transfer, without recourse, and, to the extent applicable, deliver, against receipt and without recourse to the Secured Party, such of the Collateral as may then be in the possession of the Secured Party and as shall not have been sold or otherwise applied pursuant to the terms hereof to or on the order of the Grantors. Said release, assignment, transfer and delivery shall include an instrument in form recordable in the United States Patent and Trademark Office and the United States Copyright Office by which the Secured Party shall terminate, release and, without representation, recourse or warranty, reassign to the Grantors all their respective rights in each Patent, Patent License, Trademark, Trademark License, Copyright and Copyright License, including each registration thereof and application therefor, conveyed and transferred to the Secured Party pursuant to this Agreement.

Section 3. **No Release.** Nothing set forth in this Agreement shall relieve the Grantors from the performance of any term, covenant, condition or agreement on the Grantors' part to be performed or observed under or in respect of any of the Collateral or from any liability to any party under or in respect of any of the Collateral or impose any obligation on the Secured Party to perform or observe any such term, covenant, condition or agreement on the Grantors' parts to be so performed or observed or impose any liability on the Secured Party for any act or omission on the part of the Grantors relative thereto or for any breach of any representation or warranty on the part of any Grantor contained in this Agreement or under or in respect of the Collateral or made in connection herewith or therewith.

Section 4. **Use of Collateral.** Notwithstanding anything to the contrary contained herein, until an Event of Default has occurred and is continuing and until otherwise notified by the Secured Party, the Grantors may continue to exploit, license, use, enjoy and protect the Collateral throughout the world and the Secured Party shall from time to time execute and deliver, upon written request of the Grantors, any and all instruments, certificates or other documents, in the form so requested, necessary or appropriate in the reasonable judgment of the Grantors to enable the Grantors to continue to exploit, license, use, enjoy and protect the Collateral throughout the world. In furtherance of the foregoing but subject to Sections 9 and 10 hereof, the Secured Party grants to the Grantors an exclusive, perpetual, world-wide, royalty-free right and license, with the right to exploit, license, use, enjoy and protect the Patents, the Patent Licenses, the Copyrights and the Copyright Licenses for any and all purposes.

Section 5. **Representations and Warranties of the Grantors.** Each Grantor hereby represents and warrants to the Secured Party as follows:

(a) Such Grantor is, and, as to the Collateral acquired by it from time to time after the date hereof, such Grantor will be, the owner or, as applicable, licensee of all the Collateral. The Grantor's rights in the Collateral are and shall remain free and clear of any lien, pledge, security interest, encumbrance, assignment, collateral assignment or charge of any kind, including without limitation any filing of, or agreement to file, a financing statement as Grantor under the Uniform Commercial Code or any similar statute, except for the lien and security interest created by this Agreement and Permitted Liens. The Grantor has made no previous assignment, conveyance, transfer or agreement in conflict with the liens granted hereby. The Grantor further represents and warrants to the Secured Party that

Schedules A-1, A-2, B-1, B-2, C-1 and C-2 hereto, respectively, are true and correct lists of all Patents, Patent Licenses, Trademarks, Trademark Licenses, Copyrights and Copyright Licenses owned or used by the Grantor as of the date hereof and that Schedules A-1, A-2, B-1, B-2, C-1 and C-2 are true and correct with respect to the matters set forth therein as of the date hereof.

(b) The Grantor has made all necessary filings and recordations to protect its interests in the Collateral.

(c) The Grantor owns directly or has rights to use all the Collateral and all rights with respect to any of the foregoing used in or necessary for the business of the Grantor in the ordinary course as presently conducted, except for such Collateral the lack of which could not reasonably be expected to have a Material Adverse Effect. The use of the Collateral and all rights with respect to the foregoing by the Grantor does not, to the actual knowledge of the Grantor, infringe on the rights of any party, nor has any claim of such infringement been made, except for such Collateral the lack of which could not reasonably be expected to have a Material Adverse Effect.

(d) Upon the filing of financing statements including the Collateral in the appropriate offices under the Uniform Commercial Code, and the filing of this Agreement in the United States Patent and Trademark Office and the United States Copyright Office, as applicable, this Agreement will create a valid and duly perfected lien on and security interest in the Collateral which is registered in and with the United States of America effective against purchasers from and creditors of the Grantor, subject to no prior liens or encumbrances other than Permitted Liens.

Section 6. **Covenants and Agreements of the Grantors.** Each Grantor hereby covenants and agrees with the Secured Party as follows:

(a) On a continuing basis, each Grantor will, at the expense of such Grantor, subject to any prior licenses, encumbrances and restrictions and prospective licenses, encumbrances and restrictions permitted hereunder, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places within the United States of America, all such instruments, including without limitation appropriate financing and continuation statements and collateral agreements, and take all such action as may reasonably be deemed necessary or advisable by the Secured Party (i) to carry out the intent and purposes of this Agreement, (ii) to assure and confirm to the Secured Party the grant or perfection of the security interest in the Collateral intended to be created hereby, subject to no prior Liens or encumbrances other than Permitted Liens, for the benefit of the Secured Party or (iii) to enable the Secured Party to exercise and enforce its rights and remedies hereunder with respect to the Collateral.

(b) Without limiting the generality of the foregoing paragraph (a) of this Section 6, each Grantor (i) will not enter into any agreement that would impair or conflict with such Grantor's obligations hereunder; (ii) will, promptly following its becoming aware thereof, notify the Secured Party of (x) any final adverse determination in any proceeding in the United States Patent and Trademark Office or the United States Copyright Office or (y)

the institution of any proceeding or any adverse determination in any federal, state, local or foreign court or administrative body regarding such Grantor's claims of ownership in or right to use any of the Collateral, its right to register any such Collateral or its right to keep and maintain such registration; (iii) will preserve and maintain all rights in the Collateral, unless no longer used in the ordinary course of such Grantor's business or no longer deemed necessary to such Grantor's business; (iv) will not grant or permit to exist any lien or encumbrance upon or with respect to the Collateral or any portion thereof except Permitted Liens and will not execute any security agreement or financing statement covering any of the Collateral except in favor of the Secured Party except with respect to a Permitted Lien; (v) will not permit to lapse or become abandoned (unless no longer used in the ordinary course of such Grantor's business or no longer deemed necessary to such Grantor's business), or settle or compromise any pending or future material litigation or material administrative proceeding with respect to any Collateral without the prior written consent of the Secured Party, or, except for licenses of Collateral in the ordinary course of business, contract for sale or otherwise sell, convey, assign or dispose of, or grant any option with respect to, the Collateral or any portion thereof; (vi) upon such Grantor obtaining knowledge thereof, will promptly notify the Secured Party in writing of any event that could have a Material Adverse Effect on the value of any of the Collateral, the ability of such Grantor or the Secured Party to dispose of any such Collateral or the rights and remedies of the Secured Party in relation thereto, including without limitation a levy or threat of levy or any legal process against any such Collateral; (vii) will diligently keep reasonable records respecting the Collateral; (viii) hereby authorizes the Secured Party, in its sole discretion, to file one or more financing or continuation statements relative to all or any part of the Collateral without the signature of such Grantor where permitted by law; (ix) will furnish to the Secured Party from time to time statements and schedules further identifying and describing the Collateral and such other materials evidencing or reports pertaining to the Collateral as the Secured Party may reasonably request, all in reasonable detail; (x) will pay when due any and all taxes, levies, maintenance fees, charges, assessments, licenses fees and similar taxes or impositions payable in respect of the Collateral except to the extent being contested in good faith by appropriate proceedings which prevent the enforcement of the matter being contested (and for which such Grantor has established adequate reserves) and do not interfere with the business of such Grantor in the ordinary course or unless no longer necessary to such Grantor's business; and (xi) comply in all material respects with all laws, rules and regulations applicable to the Collateral.

(c) If, before the Secured Obligations shall have been indefeasibly paid and satisfied in full in cash and all commitments of the Secured Party under the Credit Agreement have been terminated, any Grantor shall obtain any rights to or become entitled to the benefit of any new Patent, patent application, service mark, trade name, Trademark, trademark application, trademark registration, Copyright, copyright application, copyright registration, license renewal or extension, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of this Agreement shall automatically apply thereto and the same shall automatically constitute Collateral and be and become subject to the assignment, lien and security interest created hereby, as the case may be, without further action by any party, all to the same extent and with the same force and effect as if the same had originally been

Collateral hereunder. If any Grantor so obtains or becomes entitled to any of the rights described above, such Grantor shall promptly give written notice thereof to the Secured Party. Such Grantor agrees to confirm the attachment of the lien and security interest created hereby to any such rights described above by execution of instruments, including, but not limited to, instruments for recordation with the United States Patent and Trademark Office and the United States Copyright Office, in form and substance acceptable to the Secured Party.

(d) The Grantors shall promptly notify the Secured Party of any future Collateral and, upon receipt of such notice by the Secured Party, Schedules A-1, A-2, B-1, B-2, C-1 and C-2 hereto shall be deemed amended to include reference to any such future Collateral.

(e) Each Grantor shall prosecute diligently applications for the Patents, Trademarks and Copyrights now or hereafter pending and make application on unpatented but patentable inventions and registrable but unregistered Trademarks and Copyrights, that, in each case, in such Grantor's reasonable judgment would be materially beneficial to the business of such Grantor in the ordinary course as presently, and as now contemplated will be, conducted, file and prosecute opposition and cancellation proceedings and perform all acts necessary to preserve and maintain all rights in the Collateral, unless as to any Patent, Trademark or Copyright, in the reasonable judgment of such Grantor, such Patent, Trademark or Copyright has become immaterial or obsolete to such business of such Grantor. Any expenses incurred in connection with such actions shall be borne by such Grantor.

(f) The Grantors shall not abandon any right to file any material patent application, trademark application, service mark application, copyright application, Patent, Trademark or Copyright without the prior written consent of the Secured Party.

Section 7. **Supplements; Further Assurances.** Each Grantor (i) agrees it will join with the Secured Party in executing and, at such Grantor's own expense, file and refile, or permit the Secured Party to file and refile, such financing statements, continuation statements and other instruments and documents (including without limitation this Agreement) in such offices (including without limitation the United States Patent and Trademark Office and the United States Copyright Office) as the Secured Party may reasonably deem necessary or appropriate in order to perfect and preserve the rights and interests granted to the Secured Party hereunder and (ii) hereby authorizes the Secured Party to file and refile such instruments and documents and any other instruments or documents related thereto without the signature of such Grantor where permitted by law and (iii) agrees to do such further acts and things, and to execute and deliver to the Secured Party such additional instruments and documents, as the Secured Party may reasonably require to carry into effect the purposes of this Agreement or to better assure and confirm unto the Secured Party its rights, powers and remedies hereunder. All of the foregoing are to be at the sole cost of such Grantor. Any reasonable costs of the foregoing incurred by the Secured Party shall be payable by the Grantors upon demand, together with interest thereon from the date of incurrence until so paid, and shall constitute additional Secured Obligations.

Section 8. **The Secured Party May Perform.** If the Grantors fail to perform any agreement contained herein after receipt of a written request to do so from the Secured Party, the Secured Party may itself (upon ten (10) days' prior written notice to the Grantors unless the Secured Party in good faith determines that immediate payment or performance is reasonably necessary to protect or preserve the Collateral), but shall not be obligated to, perform, or cause performance of, such agreement, and the reasonable expenses of the Secured Party, including the reasonable fees and expenses of its counsel, so incurred in connection therewith shall be payable by the Grantors.

Section 9. **Remedies.** Upon the occurrence and during the continuation of any Event of Default, the Secured Party shall have, in addition to all other rights provided herein, in the Security Documents, in the Credit Agreement or by law, the rights and remedies of a secured party under the Uniform Commercial Code, and further the Secured Party may, without demand and without advertisement, notice (except as required by law), hearing or process of law, all of which each Grantor hereby waives, at any time or times, sell and deliver any or all of the Collateral at public or private sale, for cash, upon credit or otherwise, at such prices and upon such terms as the Secured Party deems advisable, in its sole discretion. At any public sale, or, to the extent permitted by applicable law, at any private sale, made pursuant to this Section 9, the Secured Party may bid for or purchase, free from any right of redemption, stay or appraisal and all rights of marshalling or otherwise on the part of the Grantors (all said rights being also hereby waived and released by the Grantors to the fullest extent permitted by law), the Collateral and any other security for the Secured Obligations, and may make payment on account thereof by using any claim then due and payable to the Secured Party from any Grantor as a credit against the purchase price, and the Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to the Grantors therefor. In addition to all other sums due the Secured Party hereunder, the Grantors shall pay the Secured Party all reasonable costs and expenses incurred by the Secured Party, including reasonable attorneys' fees and court costs, in obtaining, liquidating or enforcing payment of the Collateral or the Secured Obligations or in the prosecution or defense of any action or proceeding by or against the Secured Party or any Grantor concerning any matter arising out of or connected with this Agreement or the Collateral or the Secured Obligations.

Without in any way limiting the foregoing, upon the occurrence and during the continuation of any Event of Default, the Secured Party may to the full extent permitted by applicable law, with ten (10) days' prior notice to the Grantors, and without advertisement, notice, hearing or process of law of any kind, all of which the Grantors hereby waive, (i) exercise any and all rights as beneficial and legal owner of the Collateral, including without limitation any and all consensual rights and powers with respect to the Collateral and (ii) sell or assign or grant a license to use, or cause to be sold or assigned or a license granted to use, any or all of the Collateral or any part hereof, in each case free of all rights and claims of the Grantors therein and thereto, but subject to any existing licenses in the Collateral permitted under the terms of this Agreement. In that connection, the Secured Party shall have the right to cause any or all of the Collateral to be transferred of record into the name of the Secured Party or its nominee as well as the right to impose (i) such limitations and restrictions on the sale or assignment of the Collateral as the Secured Party may deem to be necessary or

appropriate to comply with any law, rule or regulation, whether federal, state or local, having applicability to the sale or assignment and (ii) requirements for any necessary governmental approvals.

Failure by the Secured Party to exercise any right, remedy or option under this Agreement or any other agreement between any Grantor and the Secured Party or provided by law, or delay by the Secured Party in exercising the same, shall not operate as a waiver; no waiver shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated. Neither the Secured Party nor any party acting as attorney for the Secured Party shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct. The rights and remedies of the Secured Party under this Agreement shall be cumulative and not exclusive of any other right or remedy which the Secured Party may have.

The Secured Party shall have and be entitled to exercise all rights, remedies and powers hereunder, together with such powers as are reasonably incidental thereto under the Credit Agreement, as the Secured Party may elect from time to time.

Section 10. **Power of Attorney.** Each Grantor hereby irrevocably appoints the Secured Party, its nominee, or any other person whom the Secured Party may designate, as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Secured Party or otherwise, upon the occurrence and during the continuation of any Event of Default, or if any Grantor fails to perform any agreement contained herein within ten (10) days after the Secured Party's written request, then to the extent necessary to enable the Secured Party to perform such agreement itself, from time to time in the Secured Party's discretion, to take any action and to execute any instrument which the Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation to record an assignment of the Trademarks and Trademark Licenses, if any, to the Secured Party with the United States Patent and Trademark Office, to prosecute diligently any Patent, Trademark or Copyright or any application for Patents, Trademarks or Copyrights pending as of the date of this Agreement or thereafter until the Secured Obligations shall have been indefeasibly paid in full, to make application on unpatented but patentable inventions and registrable but unregistered Trademarks or Copyrights, to file and prosecute opposition and cancellation proceedings, to do all other acts necessary or desirable to preserve all rights in Collateral and otherwise to file any claims or take any action or institute any proceedings which the Secured Party may deem necessary or desirable to accomplish the purpose of this Agreement. Each Grantor hereby ratifies and approves all acts of any such attorney and agrees that neither the Secured Party nor any such attorneys will be liable for any acts or omissions nor for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct. The foregoing power of attorney, being coupled with an interest, is irrevocable until the Secured Obligations have been indefeasibly paid and satisfied.

Section 11. **Application of Proceeds.** The proceeds of any sale of Collateral pursuant to this Agreement or otherwise, and any Collateral consisting of cash,

shall be applied after receipt by the Secured Party as set forth in Section 20 of the Security Agreement.

Section 12. **Miscellaneous.**

(a) Each Grantor hereby indemnifies the Secured Party for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, reasonable costs, reasonable expenses or disbursements (including reasonable attorneys' fees) of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Secured Party, in any way relating to or arising out of, directly or indirectly, (i) the manufacture, use or sale or other disposition of products or processes utilizing or embodying any Collateral (in the case of inventory, solely to the extent manufactured by or on behalf of any Grantor) or (ii) any transactions contemplated hereby or any enforcement of the terms hereof, including, but not limited to, any action of, or failure to act by, the Secured Party in connection with this Agreement; provided, however, that the Grantors shall not be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the Secured Party.

(b) All communications hereunder shall be in writing and shall be given to the relevant party, and shall be deemed to have been made when given to the relevant party, in accordance with the Credit Agreement.

(c) In the event that any provision hereof shall be deemed to be invalid by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall be construed as not containing such provision, but only as to such jurisdictions where such law or interpretation is operative, and the invalidity of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

(d) This Agreement shall be deemed to have been made in this State of Connecticut and shall be governed by and construed in accordance with the laws of the State of Connecticut, except as required by mandatory provisions of law and except to the extent that the validity or perfection of the security interest hereunder, or remedies hereunder, in respect of any particular Collateral are governed by the laws of a jurisdiction other than the State of Connecticut. The headings in this instrument are for convenience of reference only and shall not limit or otherwise affect the meaning of any provision hereof.

(e) This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterpart signature pages, each constituting an original, but all together one and the same instrument.

(f) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of the Secured Party that are contained in this Agreement shall bind and inure to the benefit of its respective successors and assigns.

The Grantors may not assign or transfer any of their respective rights or obligations hereunder without the prior written consent of the Secured Party.

(g) EACH GRANTOR HEREBY REPRESENTS, WARRANTS AND ACKNOWLEDGES THAT THE TRANSACTION OF WHICH THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS ARE A PART IS A "COMMERCIAL TRANSACTION" WITHIN THE MEANING OF CHAPTER 903A OF CONNECTICUT GENERAL STATUTES, AS AMENDED. EACH GRANTOR WAIVES (A) ITS RIGHT TO NOTICE AND PRIOR COURT HEARING OR COURT ORDER UNDER CONNECTICUT GENERAL STATUTES SECTIONS 52-278a ET. SEQ. AS AMENDED OR UNDER ANY OTHER STATE OR FEDERAL LAW WITH RESPECT TO ANY AND ALL PREJUDGMENT REMEDIES SECURED PARTY MAY EMPLOY TO ENFORCE ITS RIGHTS AND REMEDIES HEREUNDER AND UNDER THE OTHER LOAN DOCUMENTS AND (B) ITS RIGHTS TO REQUEST THAT SECURED PARTY POST A BOND, WITH OR WITHOUT SURETY, TO PROTECT SUCH GRANTOR AGAINST DAMAGES THAT MAY BE CAUSED BY ANY PREJUDGMENT REMEDY SOUGHT OR OBTAINED BY SECURED PARTY AND (C) ANY OBJECTIONS TO ANY PREJUDGMENT REMEDY OBTAINED BY SECURED PARTY. EACH GRANTOR ACKNOWLEDGES THAT, SECURED PARTY'S ATTORNEY MAY, PURSUANT TO CONN. GEN. STAT. §52-278f, ISSUE A WRIT FOR A PREJUDGMENT REMEDY WITHOUT SECURING A COURT ORDER. EACH GRANTOR ACKNOWLEDGES AND RESERVES ITS RIGHT TO NOTICE AND A HEARING SUBSEQUENT TO THE ISSUANCE OF SUCH A WRIT FOR PREJUDGMENT REMEDY AND SECURED PARTY ACKNOWLEDGES EACH GRANTOR'S RIGHT TO SUCH A HEARING SUBSEQUENT TO THE ISSUANCE OF SAID WRIT.

(h) EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY LITIGATION, ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THEREUNDER OR THE PERFORMANCE OF SUCH RIGHTS AND OBLIGATIONS OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS OR ACTIONS OF THE SECURED PARTY RELATING TO THE ADMINISTRATION OF THE LOANS OR ENFORCEMENT OF THE LOAN DOCUMENTS AND AGREES THAT IT WILL NOT SEEK TO CONSOLIDATE ANY SUCH ACTION WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. EACH GRANTOR AGREES THAT THE TERMS HEREOF SHALL SUPERSEDE AND REPLACE ANY PRIOR AGREEMENT RELATED TO ARBITRATION OF DISPUTES BETWEEN THE PARTIES CONTAINED IN ANY LOAN DOCUMENT OR ANY OTHER DOCUMENT OR AGREEMENT HERETOFORE EXECUTED IN CONNECTION WITH, RELATED TO OR BEING REPLACED, SUPPLEMENTED, EXTENDED OR MODIFIED BY THIS AGREEMENT. Except as prohibited by law, each Grantor waives any right which it may have to claim or recover in any litigation referred to

in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. Each Grantor (a) certifies that neither the Secured Party nor any representative, agent or attorney of the Secured Party has represented, expressly or otherwise, that the Secured Party would not, in the event of litigation, seek to enforce the foregoing waivers or other waivers contained in this Agreement and (b) acknowledges that, in entering into the Credit Agreement and the other Loan Documents to which the Secured Party is a party, the Secured Party is relying upon, among other things, the waivers and certifications contained in this §12.
