TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of November 16, 2010, is between Interline Brands, Inc., a New Jersey corporation located at 701 San Marco Boulevard, Jacksonville, FL 32207, ("Grantor") and JPMorgan Chase Bank, N.A., a National Banking Association located at 1111 Fannin Street – Floor 10, Houston, Texas 77002, acting in the capacity of Administrative Agent for the Lenders party to the Credit Agreement referred to below (in such capacity, the "Administrative Agent").

RECITALS:

WHEREAS, Grantor is entering into a Credit Agreement, dated as of November 16, 2010 (as it may be amended, restated, supplemented or modified from time to time, the "Credit Agreement") by and among Grantor, as Borrower, the other Loan Parties party thereto, the Lenders party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent, and certain other parties party thereto.

WHEREAS, Grantor is also entering into a U.S. Pledge and Security Agreement, dated as of November 16, 2010 (as it may be amended, restated, supplemented or modified from time to time, the "Security Agreement"), by and among the Grantor, Holdings (as defined in the Credit Agreement), and the Domestic Subsidiaries (as defined in the Credit Agreement) of the Company party thereto and the Administrative Agent, in order to induce the Lenders to enter into and extend credit to the Borrowers under the Credit Agreement and to secure the Secured Obligations (as defined in the Credit Agreement) that it has agreed to guarantee pursuant to Article X of the Credit Agreement. Pursuant to the Security Agreement, Grantor pledged, assigned and granted to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of Grantor's right, title and interest in, to and under all Collateral, including the Trademark Collateral (as defined below), in each case whether now owned by or owing to, or hereafter acquired by or arising in favor of, Grantor and whether owned or consigned by or to, or leased from or to, Grantor, and regardless of where located, to secure the prompt and complete payment and performance of the Secured Obligations; and

WHEREAS, pursuant to the Credit Agreement and the Security Agreement, the Grantors are required to execute and deliver this Agreement.

ACCORDINGLY, Grantor and Administrative Agent, on behalf of the Lenders, hereby agree as follows:

Section 1. Defined Terms

All capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Security Agreement.

Section 2. Grant of Security Interest in Trademarks

Grantor hereby pledges, assigns, and grants to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of Grantor's right, title and interest in, to and under the following Collateral, in each case, whether now owned by or owing to, or hereafter acquired by or arising in favor of, Grantor and whether owned or

consigned by or to, or leased from or to, Grantor, and regardless of where located (collectively, the "Trademark Collateral") to secure the prompt and complete payment and performance in full when due of the Secured Obligations:

(a) all trademarks (including service marks), trade names, trade dress and trade styles, internet domain names and other source identifiers, and the registrations and applications for registration thereof including, but not limited to, the U.S. registered trademarks and service marks and the U.S. trademarks and service marks applications set forth on Schedule I hereto

(b) the goodwill of the business connected with the use of and symbolized by the foregoing;

(c) all renewals of the foregoing;

(d) all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims and payments for past and future infringements thereof;

(e) the right to sue for past, present and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing;

(f) all rights corresponding to any of the foregoing throughout the world;

(g) all licensing agreements, consents to use, covenants not to sue or similar arrangements in and to any Trademarks, all income, royalties, damages, claims and payments now or hereafter due or payable under and with respect thereto, including without limitation, damages and payments for past, present and future breaches thereof, and all rights to sue for past, present and future breaches thereof; and

(h) all accessions to, substitutions for and replacements, proceeds (including Stock Rights), insurance proceeds and products of the foregoing, together with all books and records, customer lists, credit files, computer files, programs, printouts and other computer materials and records related thereto and any General Intangibles at any time evidencing or relating to any of the foregoing.

Notwithstanding the foregoing, the Trademark Collateral shall not include any application for registration of a Trademark that was filed in the United States Patent and Trademark Office on the basis of any Grantor's "intent to use" such Trademark, unless and until a "Statement of Use" pursuant to 15 USC 1051(d), or amendment to allege use pursuant to 15 USC 1051(c), has been filed but only to the extent, and only for so long as, the granting by Grantor of a security interest therein would result in the loss by Grantor of any material rights therein, or impair the validity or enforceability of any registration that issues therefrom under applicable federal law.

Section 3. Security Agreement

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made

and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Security Agreement, the Administrative Agent shall determine, in its discretion, which terms shall control. Liens granted hereunder shall terminate concomitantly with the Liens granted under the Security Agreement in accordance with its terms.

Section 4. CHOICE OF LAW

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS (AND NOT THE LAW OF CONFLICTS) OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO THE FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

Section 5. Counterparts

This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any parties hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or other electronic transmission (including portable document format (".pdf") or similar format) shall be effective as delivery of a manually executed counterpart of this Agreement.
