GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of October 19, 2010 is made by BURGER KING CORPORATION, a Delaware corporation (the "Borrower"), in favor of JPMORGAN CHASE BANK, N.A., a national banking association, with an address at P.O Box 2558, Houston, Texas 77252, as Administrative Agent (the "Agent") for the lending and other financial institutions (the "Lenders"), from time to time parties to the Credit Agreement, dated as of October 19, 2010 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among BURGER KING HOLDINGS, INC., a Delaware corporation ("Holdings"), BLUE ACQUISITION SUB, INC., a Delaware corporation, as the initial borrower prior the Merger (as defined below) (the "Initial Borrower") (to be merged with and into Holdings), the Borrower, the Lenders and the Administrative Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, the Sponsor (as defined in the Credit Agreement) and certain Sponsor Affiliates (as defined in the Credit Agreement) have newly formed Blue Acquisition Holding Corporation ("Parent"), and Parent's direct wholly owned Subsidiary, the Initial Borrower, for the purpose of having the Initial Borrower acquire Holdings through a merger (the "Merger") of the Initial Borrower with and into Holdings, the direct parent of the Borrower;

WHEREAS, upon consummation of the Acquisition and the Merger Holdings shall assume the rights and obligations of the Initial Borrower under the Loan Documents and shall assign such rights and obligations to the Borrower which shall be a wholly owned subsidiary of Holdings;

WHEREAS, in connection with the Credit Agreement, the Borrower has executed and delivered a Guarantee and Collateral Agreement, dated as of October 19, 2010, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Borrower pledged and granted to the Agent for the ratable benefit of the Agent and the Secured Parties a continuing security interest in all Intellectual Property and Intellectual Property Licenses, including the Trademarks; and

WHEREAS, the Borrower has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Borrower agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Borrower hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of the Borrower's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), to the Agent for the ratable benefit of the Agent and the Secured Parties to secure payment, performance and observance of the Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Borrower does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
