EFFECTIVE DATE: June 1, 1995

RECITALS

A. Transferring Owner and Transferee Company previously operated as one entity and during such time developed and began use of the Mark. At the time the two entities began operating independently, they entered into an oral agreement granting Transferring Owner ownership and control of the Mark.

B. The parties now wish to document that assignment of the Mark from Transferring Owner to Transferee Company.

AGREEMENT

1. **Assignment and Acceptance.** For valuable consideration, as of the Effective Date, Transferring Owner assigned and transferred to Transferee Company, the ownership, including all rights, title, and interest in and to the mark FTX, Registration No. 3385028 / Serial No. 77217388, registered on February 19, 2008, as well as Registration No. 1311097 / Serial No. 73383904, registered on December 25, 1984, together with the goodwill symbolized by the mark. Transferee accepts such assignment.

2. **Representations and Warranties.**

2.2. By All Parties. Each party warrants that he is authorized to execute this agreement and that this agreement will constitute a legally binding obligation of himself or Company or other entity that the individual represents.

3. Consent to Transfer. By executing this agreement, each party expresses his acknowledgement of the previous oral transfer of the mark ownership and as is now evidenced by this assignment.

4. Maintenance. Transferee Company, as of the execution of this agreement by both parties, shall solely be responsible for any maintenance of the Mark, including its use, licenses, and registration with the US Patent and Trademark Office, within Transferee Company's sole and absolute discretion.

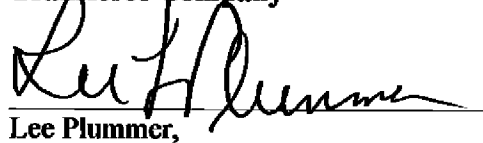

5. Binding Effect. Subject to restrictions in this agreement upon assignment, this agreement shall be binding on and inure to the benefit of the heirs, legal representatives, successors, and assigns of the parties.
