**GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS**

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of October 8, 2010 is made by GeoEye Solutions Inc. (f/k/a Orbimage SI Opco Inc.), a Delaware corporation, located at 2711 Centerville Road, Suite 400, New Castle County, Wilmington, Delaware 19808 (the "Grantor"), in favor of Wilmington Trust FSB, a federal savings bank, located at 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, as Collateral Trustee (the "Collateral Trustee") for the Secured Parties under the Collateral Trust Agreement, dated as of October 8, 2010 (the "Collateral Trust Agreement"), among GeoEye, Inc. ("Issuer"), the other Grantors, the Collateral Trustee, Wilmington Trust FSB as the Trustee and the other representatives and parties from time to time party thereto.

W I T N E S S E T H:

WHEREAS, the Grantor, the Issuer, the other grantors, the Trustee and Collateral Trustee, are parties to the Indenture dated as of October 8, 2010 (as amended, supplemented, waived, or otherwise modified from time to time, the "Indenture"), pursuant to which, as of the date hereof, the Issuer has issued \$125,000,000 in aggregate principal amount of its 8.625% Senior Secured Notes due 2016 (the "Notes")

WHEREAS, the Collateral Trust Agreement sets forth the terms on which each Secured Party (as defined below) has appointed the Collateral Trustee as trustee for the present and future holders of the Secured Obligations (as defined below) to receive, hold, maintain, administer and distribute the Collateral at any time delivered to the Collateral Trustee and to enforce the Security Documents (as defined below), including this Agreement, and all interests, rights, powers and remedies of the Collateral Trustee in respect thereof or thereunder and the proceeds thereof.

WHEREAS, it is a condition precedent to the issuance of the Notes and any Additional Secured Debt (as defined below) that the Grantor shall have entered into this Agreement in order to grant to the Collateral Trustee for the benefit of the registered holders of the outstanding Notes (the "Note Holders") and other Secured Parties a security interest in the Intellectual Property Collateral (as defined in Section 2). The Grantor will derive substantial direct and indirect benefit from the transactions contemplated by the Secured Obligation Documents (as defined below).

WHEREAS, in connection with the Indenture and the other Secured Obligation Documents, the Issuer and certain Subsidiaries have executed and delivered a Security Agreement, dated as of October 8, 2010, in favor of the Collateral Trustee (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Collateral Trustee for the benefit of the Collateral Trustee and the Secured Parties

described therein a continuing security interest in all Intellectual Property Collateral, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of the Collateral Trustee and the Secured Parties, as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement.

Section 2. Grant of Security Interest. The Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Intellectual Property Collateral"), to the Collateral Trustee for its benefit and the benefit of the Secured Parties to secure payment, performance and observance of the Secured Obligations.

Section 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

Section 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

Section 6. Intercreditor Agreement. Notwithstanding anything to the contrary contained in this Agreement, (i) the Liens and security interests granted to the Collateral Trustee pursuant to this Agreement are expressly subject and subordinate to the Liens and security interests granted in favor of the First Priority Representative for the benefit of the First Priority Secured Parties (as defined in the Intercreditor Agreement), and (ii) the exercise of any right or remedy

by the Collateral Trustee hereunder is subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, all rights and remedies of the Collateral Trustee (and the Secured Parties) shall be subject to the terms of the Intercreditor Agreement, and, with respect to any Collateral, until the occurrence of the First Priority Obligations Payment Date (as such term is defined in the Intercreditor Agreement), any obligation of any Grantor hereunder or under any other Security Document with respect to the delivery or control of any Collateral, the notation of lien on any bill of lading or other document, the giving of any notice to any bailee or other Person, the provision of voting rights or the obtaining of any consent of any Person shall be deemed to be satisfied if such Grantor complies with the requirements of the similar provision of the applicable First Priority Document (as such term is defined in the Intercreditor Agreement). Until the occurrence of the First Priority Obligations Payment Date, the delivery of any Collateral to, or the control (as defined in the UCC) of any Collateral by, the First Priority Representative (as such term is defined in the Intercreditor Agreement) pursuant to the First Priority Documents shall satisfy any delivery or control requirement hereunder or under any other Security Document
