**TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement"), dated as of November 17, 2010, is made by and among the Grantor listed on the signature pages hereof ("Grantor"), in favor of U.S. Healthcare I, L.L.C., as administrative and collateral agent (in such capacity, together with its successors and permitted assigns, "Agent").

WITNESSETH:

WHEREAS, pursuant to the Credit and Guaranty Agreement, dated as of November 17, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Grantor, the Agent and the lenders party thereto from time to time (collectively, the "Lenders" and, together with the Agent, the "Secured Parties"), the Lenders have agreed to make extensions of credit to the Borrower (as defined in the Credit Agreement) upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor has agreed, pursuant to a Pledge and Security Agreement of even date herewith in favor of the Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrower; and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to Agent this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, to secure the obligations under the Security Agreement (collectively, the "Secured Obligations"), a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising wherever located (collectively, the "Trademark Collateral"):

(a) all of its trademarks, including those U.S. trademark registrations and applications referred to on Schedule I;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each trademark; and

(d) all proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any trademark, including right to receive any damages, or (ii) injury to the goodwill associated with any trademark.

Notwithstanding anything contained in this Trademark Security Agreement to the contrary, the term "Trademark Collateral" shall not include any intent-to-use trademark applications until such time as a verified statement of use with respect thereto has been filed with and duly accepted by the United States Patent and Trademark Office.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantor to Agent, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving Grantor.

4. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Within five (5) business days at the end of each fiscal quarter, Grantor shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration obtained during such fiscal quarter. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of such Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

7. **THE VALIDITY OF THIS TRADEMARK SECURITY AGREEMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, AND THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF [NEW YORK].**

[Signature pages to follow.]

**IN WITNESS WHEREOF**, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
