AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT (this "**Agreement**") made as of this 23rd day of November, 2010, by and among MEDICAL MULTIPLEX, INC., a Delaware corporation ("**Grantor**"), MADISON CAPITAL FUNDING LLC, in its capacity as Agent for the Lenders (as defined in the Credit Agreement referenced below) (in such capacity, "**Grantee**"), and CAPITALSOURCE FINANCE LLC, as Resigning Agent (as defined in the Credit Agreement referenced below):

W I T N E S S E T H

WHEREAS, Grantor, certain Affiliates of Grantor, the financial institutions party thereto from time to time as Lenders and Grantee have entered into that certain Amended and Restated Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), which amends and restates the Original Credit Agreement (as defined in the Credit Agreement), pursuant to which Grantee and Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, Grantor and certain Affiliates of Grantor;

WHEREAS, pursuant to the terms of that certain Amended and Restated Guarantee and Collateral Agreement dated as of the date hereof among Grantee, Grantor and certain Affiliates of Grantor (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "**Guarantee and Collateral Agreement**"), which amends and restates the Original Security Documents (as defined in the Guarantee and Collateral Agreement), Grantor has granted to Grantee, for its benefit and the benefit of Lenders, a security interest and lien upon all or substantially all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Guarantee and Collateral Agreement including registrations and applications therefor), together with the goodwill of the business symbolized by Grantor's Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Grantor under the Credit Agreement;

WHEREAS, Grantor and the Resigning Agent entered into that certain Intellectual Property Security Agreement dated October 24, 2008 which was recorded in the United States Patent and Trademark Office on October 28, 2008 at Reel 3878, Frame 0436 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "**Original IP Document**");

WHEREAS, pursuant to the Credit Agreement, Resigning Agent has, among other things, assigned to Grantee (such assignment, the "**Agency Transfer**") all of its rights, remedies and interests as "Agent" under the Original Credit Agreement and the other Loan Documents (as defined in the Original Credit Agreement), including, without limitation, in respect of its capacities as a secured party, grantee, mortgagee, beneficiary, assignee and each other similar capacity, if any, in which the Resigning Agent was granted liens on and security interests in any real or personal property of Grantor; and

WHEREAS, it is a condition precedent to each Lender's obligation to extend credit under the Credit Agreement that Grantor shall have executed and delivered this Agreement to Grantee

for the ratable benefit of all Lenders, which without constituting a novation amends and restates the Original IP Document in its entirety.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor, Grantee and Resigning Agent agree as follows:

1. Incorporation of Credit Agreement and Guarantee and Collateral Agreement.

The Credit Agreement and Guarantee and Collateral Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Guarantee and Collateral Agreement.

2. Assignment. In connection with the Agency Transfer, Resigning Agent does hereby assign and transfer all of its interests in, to and under the Original IP Document to Grantee. Grantee hereby accepts such assignment. The execution and delivery of this Agreement shall not in any way affect or modify the liability of Grantor under the Original IP Document hereby assigned, it being understood and agreed that notwithstanding this Agreement, all of the obligations of Grantor under the Original IP Document (as amended and restated hereby) shall be and remain enforceable by Grantee, or by its successors and assigns, against Grantor.

3. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations (as defined in the Credit Agreement), Grantor hereby grants to Grantee, for its benefit and the benefit of Lenders, and hereby reaffirms its prior grant pursuant to the Guarantee and Collateral Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter created, acquired or arising:

(i) each Trademark listed on Schedule A annexed hereto, together with any renewals, reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(ii) all products and proceeds of the foregoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of each such Trademark, or (b) injury to the goodwill associated with each such Trademark.

4. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law, the Trademark Collateral shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office,

provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral and automatically subject to the security interest granted herein.

5. Termination. Upon the termination of the Guarantee and Collateral Agreement, promptly upon the request of the Borrower Representative, the Grantee shall execute, acknowledge and deliver to Grantor an instrument in writing in recordable form releasing the grant and security interest in the Trademark Collateral under this Agreement, all without representation or warranty by Grantee and at Grantor's cost and expense.

6. Governing Law. This Agreement is made under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such State, without regard to conflicts of laws principles.

7. Amendment and Restatement; No Novation.

(i) This Agreement amends and restates the Original IP Document in its entirety and shall not be deemed to constitute a novation of the Original IP Document or any of the obligations of the Grantor thereunder.

(ii) The security interests, liens and pledges granted to the Resigning Agent in the Original IP Document are intended to be, and are, continued under this Agreement as the security interests granted to Grantee as security for the Obligations and shall not be eliminated or otherwise adversely affected by the execution and delivery of this Agreement.
