TRADEMARK ASSIGNMENT

This Trademark Assignment is between Crydom Technologies, a Cayman Islands exempted company ("Assignor"), and Crouzet, Inc., a Delaware corporation ("Assignee"), and is delivered pursuant to that certain Cayman Islands Assignment and Assumption Agreement (the "Agreement") dated February 15, 2006 between Assignor and Assignee and in conjunction with that certain Asset Purchase Agreement (the "APA") dated October 27, 2005 and as amended to date among Assignee, Schneider Electric Holdings, Inc., a Delaware corporation, Silicon Power Corporation, a California corporation, Crydom Corporation, a California corporation, and the principal shareholders of SPC.

Assignor has delivered this Trademark Assignment signed by the Assignor to enable the Assignee to file it with any appropriate governmental agency to indicate ownership to the United States and foreign trademark registrations (the "Registrations"), trademark applications (the "Applications"), and the marks therein (the "Marks") listed in Schedule 1 attached hereto and related rights described below and for the other purposes set forth in this Trademark Assignment. This Trademark Assignment supplements and is in addition to all other rights of the Assignee under the Agreement and the APA and any other instruments of transfer delivered in connection with the Agreement and the APA.

Assignor is the sole and exclusive owner of the United States and foreign trademark Registrations, Applications, and Marks.

Assignee desires to acquire any and all rights that Assignor may have in and to said Registrations, Applications, and Marks, together with the goodwill of the business in connection with which said Marks are used and which is symbolized by said Marks, along with the right to sue for, and recover for damages and profits for, past infringements thereof.

1. In consideration of the Agreement and the APA and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign unto Assignee all right, title and interest in and to the Marks, the Registrations and Applications for the United States and throughout the world, together with the goodwill of the business in connection with which said Marks are used and which is symbolized by said Marks, along with the right to sue for, and recover for damages and profits for, past infringements thereof.

2. Assignor agrees to execute and deliver at the request of the Assignee, all papers, instruments, and assignments, and to perform any other reasonable acts the Assignee may require, in order to vest all of Assignor's rights, title, and interest in and to said Marks, Registrations and Applications in the Assignee and to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of Assignor.

3. This Trademark Assignment (i) is irrevocable and effective upon the Assignor's signature to, and delivery of a signed copy of, this Trademark Assignment; (ii) benefits and binds
