This TRADEMARK ASSIGNMENT ("Assignment Agreement"), dated as of December 2, 2010 (the "Effective Date"), is by and between J-PAC, LLC, a Delaware limited liability company (the "Assignor") and New J-PAC, LLC, a Delaware limited liability company ("Assignee").

WITNESSETH:

WHEREAS, Assignor has adopted, used or acquired certain trademarks, identified on Schedule A hereto (said trademarks, including all common law rights, registrations and applications for registrations thereof, together with the goodwill of the business in connection with which the trademarks are used and all rights to sue and recover for past infringements or wrongful uses thereof everywhere in the world, being referred to herein as the "Assigned Marks"); and

WHEREAS, Assignor, as the owner of the Assigned Marks, and Assignee wish to enter into this Assignment Agreement to consummate Assignee's acquisition and the transfer by Assignor to Assignee of all right, title and interest in and to the Assigned Marks.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to the following:

1. Transfer of Assigned Marks. Assignor hereby sells, assigns, transfers and sets over to Assignee all right, title and interest in and to the Assigned Marks, together with any and all renewals and extensions of the applications or registrations for the Assigned Marks that may be secured under any applicable law now or hereafter in effect, and the right to oppose an application to register a trademark or cancel a registration for a trademark which may be confusing with the Assigned Marks.

2. Cooperation. Assignor shall provide to Assignee, its successors, assigns or other legal representatives, all reasonable cooperation and assistance (including the execution and delivery of any and all affidavits, declarations, oaths and other documentation, and the delivery of any and all samples, exhibits, specimens and the like in the control of Assignor):

- (i) in the preparation and prosecution of any applications for registration or any applications for renewal of registrations covering the Assigned Marks;
- (ii) in the prosecution or defense of any opposition, interference, infringement suits or other proceedings that may arise in connection with the Assigned Marks, including testifying as to any facts relating to the Assigned Marks or this Assignment Agreement (however, in the event of any opposition, interference, infringement suit or other proceedings that may arise in connection with the Assigned Marks or this Assignment Agreement, Assignee shall bear the entire cost thereof including reimbursing Assignor for any substantiated expenses or

disbursements associated with such actions and shall be entitled to retain the entire amount of any recovery or settlement, and Assignor may, if it so desires, also be represented by counsel of its own selection, the fees for which counsel shall be paid by Assignor); and

(iii) in the implementation or perfection of this Assignment Agreement.

3. Binding Provisions. This Assignment Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.
