INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT**, dated as of December 3, 2010 (this "Agreement"), is by and among **ON ASSIGNMENT, INC.**, a Delaware corporation (the "Borrower"), and each of its direct and indirect Subsidiaries listed on Schedule 1 hereto (collectively, and together with the Borrower, the "Loan Parties") and **BANK OF AMERICA, N.A.**, a national banking association, as administrative agent (in such capacity, the "Administrative Agent") for itself and the other Secured Parties under (and as defined in) that certain Credit Agreement, dated as of December 3, 2010 (as amended, modified, supplemented or restated and in effect from time to time, the "Credit Agreement"), by and among the Borrower, the lending institutions which are or may become parties thereto (hereinafter, collectively, the "Lenders") and the Administrative Agent.

WHEREAS, the Administrative Agent and the Lenders have agreed to provide to the Borrower a revolving credit facility (with a letter of credit sublimit and swing line sublimit) and a term loan facility pursuant to the Credit Agreement; and

WHEREAS, the Loan Parties (other than the Borrower) have entered into a Guaranty (as defined in the Credit Agreement), pursuant to which such Loan Parties have guaranteed the Obligations (as defined in the Credit Agreement) of the Borrower, the execution of such Guaranty being evidence that such Loan Parties will materially benefit from the Loans to be made under the Credit Agreement; and

WHEREAS, as collateral security for the payment and performance in full of the Obligations (including, without limitation, the Guaranteed Obligations, as defined in the Guaranty), the Borrower and each other Loan Party is willing to grant to the Administrative Agent, for the benefit of Secured Parties (as defined in the Credit Agreement), a security interest in all of the Intellectual Property Collateral (as defined herein) in which it now has or hereafter acquires any right, title or interest, pursuant to the terms of this Agreement; and

WHEREAS, it is a condition precedent to the Administrative Agent's and the Lenders' willingness to enter into the Loan Documents (as defined in the Credit Agreement) and to make any loans or otherwise extend credit to the Borrower thereunder that each Loan Party execute and deliver to the Administrative Agent, for the benefit of the Secured Parties, this Agreement in order to, among other things, expressly and unconditionally grant to the Administrative Agent, for the benefit of the Secured Parties, a continuing first priority security interest in, and Lien on, and pledge and assign to the Administrative Agent, for the benefit of the Secured Parties, all of the Intellectual Property Collateral to secure the performance and payment in full of the Obligations under (and as defined in) the Credit Agreement and the other Loan Documents, as provided herein;

NOW, THEREFORE, in consideration of the promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in order to induce the Administrative Agent and the Lenders to enter into the Credit Agreement and the other Loan Documents as aforesaid and to make any loans or otherwise extend credit to the Borrower thereunder, and to secure the performance and payment in full of the Obligations

under (and as defined in) the Credit Agreement and the other Loan Documents, each of the Loan Parties agrees with the Administrative Agent, for the benefit of the Secured Parties, as follows:

1. Definitions; Rules of Interpretation.

1.1. Definitions. The term "Obligations" and all other capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Credit Agreement. Terms used herein that are not defined in the Credit Agreement or this Agreement but that are defined in the Uniform Commercial Code in effect on the date hereof in the State of New York (the "UCC") shall have the same definitions in this Agreement as specified in the UCC. If a term is defined in Article 9 of the UCC differently than in another Article of the UCC, the term has the meaning specified in Article 9, unless the context otherwise requires:

"Patents" means collectively all of the following now owned or hereafter created or acquired by each Loan Party: (a) all patents, patent applications and Patent Licenses (as defined below), including, without limitation, those listed on Schedule A hereto, which issue or have issued in any country or jurisdiction upon any patent applications which correspond with any of such patents or patent applications; (b) all letters patent of the United States or any other country, and all applications for letters patent of the United States or any other country; (c) the reissues, divisions, continuations, renewals, extensions and continuations-in-part of any of the foregoing which issue or have issued in any country or jurisdiction; (d) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (e) the right (but not the obligation) to sue for past, present and future infringements of any of the foregoing; (f) all rights corresponding to any of the foregoing throughout the world; and (g) all goodwill associated with any of the foregoing.

"Patent License" means any oral or written agreement now or hereafter in existence granting to each Loan Party any right to use any invention on which a patent or patent application is in existence, all as may be amended, supplemented or otherwise modified from time to time, including, without limitation, those listed on Schedule A hereto.

"Trademarks" means collectively all of the following now owned or hereafter created or acquired by each Loan Party: (a) all trademarks, Trademark Licenses (as defined below), trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof in the United States or any state in the United States or any foreign jurisdiction, and all applications in connection therewith, including, without limitation, those listed on Schedule B hereto, whether or not any of the foregoing is registered or the subject of an application for registration under federal law, state law, foreign law or otherwise; (b) all renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (d) the right (but not the obligation) to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the

foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing.

“Trademark License” means any oral or written agreement now or hereafter in existence granting to each Loan Party any right to use any trademark or trademark application, all as may be amended, supplemented or otherwise modified from time to time, including, without limitation, those listed on Schedule B hereto.

1.2. Rules of Interpretation. The rules of interpretation contained in Sections 1.02 and 1.05 of the Credit Agreement shall be applicable to this Agreement and are hereby incorporated by reference.

2. Grant of Security Interest.

As collateral security for the performance and payment in full of the Obligations under (and as defined in) the Credit Agreement and the other Loan Document, each Loan Party hereby unconditionally and expressly grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in, and Lien on, and pledges and assigns to the Administrative Agent, for the benefit of the Secured Parties, all Patents and Trademarks and all books and records evidencing an interest therein or pertaining thereto of such Loan Party, wherever located, whether now owned or hereafter acquired or arising, all accessions thereto and all replacements, substitutions, proceeds and products thereof (all of the same being hereinafter called the “Intellectual Property Collateral”). Notwithstanding the foregoing, this Agreement is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Authorization to File Assignments.

With respect to the Trademarks, each Loan Party has executed, or is executing simultaneously with the execution of this Agreement, in blank and delivered, or is simultaneously delivering, to the Administrative Agent an assignment of federally registered trademarks in substantially the form of Exhibit 1 hereto (the “Assignment of Marks”), and, with respect to the Patents, each Loan Party has executed, or is executing simultaneously with the execution of this Agreement, in blank and delivered, or is simultaneously delivering, to the Administrative Agent an assignment of patents, patent applications and related patent property in substantially the form of Exhibit 2 hereto (the “Assignment of Patents”). Each Loan Party hereby authorizes the Administrative Agent to complete as assignee, sign and record with the U.S. Patent and Trademark Office either or both of the Assignment of Marks and the Assignment of Patents solely upon the occurrence and during the continuance of an Event of Default. In addition to, and not by way of limitation of, the foregoing grant of a security interest and lien on the Intellectual Property Collateral, and authorization to complete and record assignments of the Trademarks and Patents, each Loan Party grants, assigns, transfers, conveys and sets over to the Administrative Agent, for the benefit of the Secured Parties, such Loan Party’s entire right, title and interest in and to the Intellectual Property Collateral; provided that such grant, assignment,

transfer and conveyance shall be and become of force and effect only (a) upon or after the occurrence and during the continuance of an Event of Default and (b) either (i) upon the written notice of the Administrative Agent at any time during such continuance, including in connection with the sale or other disposition of or foreclosure upon the Collateral pursuant to the Credit Agreement or the Security Agreement and applicable law (including the transfer or other disposition of the Collateral by an applicable Loan Party to the Administrative Agent or its nominee in lieu of foreclosure), or (ii) immediately and automatically (without notice or action of any kind by the Administrative Agent) upon an Event of Default for which acceleration of any amounts outstanding under the Credit Agreement is automatic under the Credit Agreement.

4. Representations, Warranties and Covenants Concerning the Intellectual Property Collateral.

4.1. Each Loan Party, as applicable, is the sole owner in the United States and all other applicable jurisdictions of the entire right, title and interest in and to the Intellectual Property Collateral, in each case free from any mortgage, pledge, lien, security interest, charge, adverse claim or other encumbrance including, without limitation, licenses, shop rights (with regard to the Patents) and covenants not to sue, except for the security interest granted herein or in the other Security Documents, other Permitted Liens and the intercompany Trademark Licenses listed on Schedule B. As of the date of this Agreement, no written claim has been made that the use of any of the Patents or Trademarks does or may violate in any material respect the rights of any third person and, to each Loan Party's knowledge, there is no material infringement by any Loan Party of the patent or trademark rights of others. Each Loan Party shall have the duty to promptly notify the Administrative Agent of any such claim or infringement and the details thereof.

4.2. As of the date hereof, each of the Patents and Trademarks listed on Schedules A and B is valid and enforceable and, together, they constitute all registered patents, patent applications, trademarks, trademark applications, trade names and service marks now owned or used by any Loan Party. The Patents and Trademarks listed on Schedules A and B constitute all of the Patent Licenses and Trademark Licenses and all of the registered trademarks, trademark applications, service marks, trade names, patents, patent applications, and patent rights that are reasonably necessary for the operation of the business of each Loan Party. Schedule C lists the material common law trademarks, common law trade names, franchises and other material intellectual property rights that are reasonably necessary for the operation of the business of each Loan Party.

4.3. The material Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part.

4.4. Each Loan Party shall have the duty to (i) prosecute diligently any patent applications of the material Patents and trademark registration applications of the material Trademarks pending as of the date of this Agreement or thereafter, and (ii) preserve and maintain all rights in the Patents and Trademarks, except, in each case, if any Loan Party determines in its reasonable discretion that such Patent or Trademark is no longer material or useful to its business or operations. Any expenses incurred in connection with

such applications and actions shall be borne by the Loan Parties. No Loan Party shall abandon any filed patent application or trademark registration, or abandon any pending patent application or patent or any trademark registration without the consent of the Administrative Agent, which consent shall not be unreasonably withheld, except, in each case, if any Loan Party determines in its reasonable discretion that such patent application or trademark registration is no longer material or useful to its business or operations.

4.5. Each Loan Party shall take all reasonably necessary steps to defend the material Intellectual Property Collateral against all claims and demands of all persons at any time claiming the same or any interests in and to the Patents and Trademarks adverse to the Administrative Agent. Until the Obligations (other than inchoate contingent obligations that by their terms survive termination of the Loan Documents) shall have been satisfied in full in cash, no Loan Party shall pledge, mortgage or create or suffer to exist a security interest in, or enter into any exclusive license, sublicense or other agreement relating to the use of, the Patents and Trademarks, without the Administrative Agent's prior consent, which consent shall not be unreasonably withheld, except for Permitted Liens and asset dispositions expressly permitted by the Credit Agreement.

4.6. Each Loan Party shall, at its sole expense, promptly apply for and obtain all renewals or extensions of the Patents and Trademarks to the full extent permitted by law except to the extent, in such Loan Party's reasonable discretion, exercised in good faith, such renewal or extension is not reasonable, prudent or beneficial to such Loan Party or its operations.

4.7. Each Loan Party shall promptly notify the Administrative Agent of the institution of, and any adverse determination in, any proceeding in the United States Patent and Trademark Office or any other foreign or domestic governmental agency, court or body, regarding such Loan Party's claim of ownership in any of the Intellectual Property Collateral which could reasonably be expected to have a Material Adverse Effect. In the event of any material infringement by a third party of any of the material Patents or Trademarks, each Loan Party shall promptly notify the Administrative Agent of such infringement and shall take all reasonably necessary actions to obtain the cessation of such infringement and recover all damages resulting therefrom, including, after and during the continuance of an Event of Default, such action as the Administrative Agent deems reasonably necessary. If, following the occurrence of an Event of Default, any Loan Party shall fail to take such action within two (2) months after such notice is given to the Administrative Agent, the Administrative Agent may upon ten (10) Business Days prior notice to such Loan Party, but shall not be required to, itself take such action in the name of such Loan Party, and such Loan Party hereby appoints the Administrative Agent the true and lawful attorney of such Loan Party, for it and in its name, place and stead, on behalf of such Loan Party, solely to commence judicial proceedings in any court or before any other tribunal to enjoin and recover damages for such infringement, any such damages due to each Loan Party, net of costs and attorneys' fees reasonably incurred, to be applied to the Obligations in the manner set forth in clauses first through fourth of Section 8.03 of the Credit Agreement with the remainder, if any, to be paid to the Loan Parties.

5. Additional Intellectual Property Collateral.

If any Loan Party shall at any time after the date hereof (a) obtain any rights to any additional Intellectual Property Collateral or (b) become entitled to the benefit of any additional Intellectual Property Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Intellectual Property Collateral, or any improvement on any Intellectual Property Collateral, the provisions hereof shall automatically apply thereto and any such item enumerated in the preceding clause (a) or (b) shall automatically constitute Intellectual Property Collateral as if such would have constituted Intellectual Property Collateral at the time of execution hereof and be subject to the lien and security interest created by this Agreement without further action by any party. Each Loan Party shall provide to the Administrative Agent written notice on a quarterly basis of any of the foregoing and confirm the attachment of the lien and security interest created by this Agreement to any rights described in clauses (a) and (b) above by execution of an instrument in form reasonably acceptable to the Administrative Agent and the filing of any instruments or statements as shall be reasonably necessary to create, preserve, protect or perfect the Administrative Agent's security interest in such Intellectual Property Collateral which is material. In connection with the foregoing, each Loan Party agrees that the Administrative Agent may from time to time attach as Schedule A or Schedule B hereto an updated list to reflect any new patents, any divisions, continuations, renewals, extensions, continuations-in-part on any patent, and any new trademark, service mark or renewal thereof of each Loan Party applied for and obtained hereafter.

6. Other Actions as to Intellectual Property Collateral.

6.1. Each Loan Party shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, deeds, assurances, and instruments, in each case in form and substance reasonably satisfactory to the Administrative Agent, relating to the creation, validity, or perfection of the security interests and assignments provided for in this Agreement under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., the UCC or other laws of the United States or the State of New York or of any other states as the Administrative Agent may from time to time reasonably request, and shall take all such other action as the Administrative Agent may reasonably require to more completely vest in and assure to the Administrative Agent, on behalf of the Secured Parties, its rights hereunder or in any of the Intellectual Property Collateral, and each Loan Party hereby irrevocably authorizes the Administrative Agent or its designee, at such Loan Party's expense, to execute such documents, and file such financing statements with respect thereto with or without such Loan Party's signature, as the Administrative Agent may deem appropriate. In the event that any rerecording or refiling (or the filing of any statement of continuation or assignment of any financing statement) or any repledge or reassignment, or any other action, is required at any time to protect and preserve such security interest and assignments, each Loan Party shall, at its sole cost and expense, cause the same to be done or taken at such time and in such manner as may be reasonably necessary and as may be reasonably requested by the Administrative Agent. Each Loan Party hereby authorizes the Administrative Agent to file this Agreement with the United States Patent and Trademark Office. Notwithstanding anything to the contrary in this Agreement, unless the Administrative Agent or the Required Lenders shall request with

respect to any Intellectual Property Collateral that the Administrative Agent or the Required Lenders reasonably determine to be material, no Loan Party shall be required to complete any filings or other action with respect to the perfection of security interests in any jurisdiction outside the United States. Each Loan Party agrees to provide the Administrative Agent from time to time, promptly after request, with information regarding any Intellectual Property Collateral located in any jurisdiction outside of the United States.

6.2. The Administrative Agent is hereby irrevocably appointed by each Loan Party as its lawful attorney and agent, with full power of substitution, to execute, deliver, record and file on behalf of and in the name of each Loan Party such financing statements, assignments, pledges and other documents and agreements, and to take such other action as the Administrative Agent may deem necessary for the purpose of perfecting, protecting or effecting the security interests and assignments granted herein and effected hereby, for the purpose of carrying out the terms of this Agreement, and any liens necessary or desirable to implement or effectuate the same, under any applicable law, and the Administrative Agent is hereby authorized to file on behalf of and in the name of each Loan Party at such Loan Party's sole expense, such financing statements, assignments, pledges, documents, and agreements in any appropriate governmental office, provided that the Administrative Agent shall deliver to each Loan Party copies of all such financing statements. The Administrative Agent may include reference to each Loan Party, the Patents and the Trademarks (and may utilize any logo or other distinctive symbol associated with each Loan Party) in connection with any advertising, promotion, marketing or sale undertaken by the Administrative Agent.

6.3. In fulfilling its responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Intellectual Property Collateral, each Loan Party shall hold the Administrative Agent and the Lenders harmless from any and all costs, damages, liabilities and expenses that may be incurred by any Lender or the Administrative Agent (other than as a result of gross negligence or willful misconduct of the Administrative Agent or any Lender, as determined by a final and nonappealable judgment of a court of competent jurisdiction) in connection with the Administrative Agent's interest in the Intellectual Property Collateral or any other action or failure to act in connection with this Agreement or the transactions contemplated hereby.

7. Rights and Remedies.

7.1. If any Event of Default shall have occurred and be continuing, the Administrative Agent may without notice or demand declare this Agreement to be in default and the Administrative Agent shall thereafter have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the UCC including, without limitation, the right to dispose of the Intellectual Property Collateral at public or private sale. The Administrative Agent shall give to each Loan Party at least ten (10) Business Days' prior notice (which each Loan Party agrees is "reasonable notification" under the UCC) of the

time and place of any public sale of the Intellectual Property Collateral or of the time after which any private sale or any other intended disposition is to be made.

7.2. If any Event of Default shall have occurred and be continuing, each Loan Party hereby grants to the Administrative Agent the right and exclusive license to make, have made, use and sell all right, title and interest of the Loan Parties in, to and under the inventions and marks disclosed and claimed in the Intellectual Property Collateral for the benefit of the Secured Parties.

7.3. To the extent permitted by applicable law, each Loan Party hereby waives any and all rights that it may have to judicial hearing in advance of the enforcement of any of the Administrative Agent's rights hereunder, including, without limitation, its rights following any Event of Default to take immediate possession of the Intellectual Property Collateral and exercise its rights with respect thereto.

8. No Waiver, Etc.

Neither this Agreement nor any term hereof may be changed, waived, discharged or terminated except by a written instrument expressly referring to this Agreement and to the provisions so modified or limited, and executed by the Administrative Agent and the Loan Parties, after obtaining such consents as may be required by Section 10.01 of the Credit Agreement. No act, failure or delay by the Administrative Agent shall constitute a waiver of its rights and remedies hereunder or otherwise. No single or partial waiver by the Administrative Agent of any default or right or remedy that it may have shall operate as a waiver of any other default, right or remedy or of the same default, right or remedy on a future occasion. Each Loan Party hereby waives presentment, notice of dishonor and protest of all instruments, included in or evidencing any of the Obligations or the Intellectual Property Collateral, and any and all other notices and demands whatsoever (except as expressly provided herein or in the Credit Agreement). All rights and remedies of the Administrative Agent with respect to the Obligations or the Intellectual Property Collateral, whether evidenced hereby or by any other instruments, shall be cumulative and may be exercised singularly, alternatively, successively or concurrently at such time or at such times as the Administrative Agent deems expedient.

9. Suretyship Waivers by the Loan Parties.

Except for notices specifically provided for herein, each Loan Party hereby expressly waives demand, notice, protest, notice of acceptance of this Agreement, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description. With respect both to the Obligations and any collateral therefor, each Loan Party assents to any extension or postponement of the time of payment or any other indulgence, to any substitution of any party or person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as the Administrative Agent may deem advisable. Neither the Administrative Agent nor any Lender shall have any duty as to the protection of the Intellectual Property Collateral or any income thereon, nor as to the preservation or rights against prior parties, nor as to the preservation of any rights pertaining

thereto. The Administrative Agent may exercise its rights with respect to the Intellectual Property Collateral without resorting or regard to other collateral or sources of reimbursement for liability.

10. Marshalling.

Neither the Administrative Agent nor any other Secured Party shall be required to marshal any present or future collateral security (including but not limited to the Intellectual Property Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising (all of which rights of the Administrative Agent shall be exercised on behalf of the Secured Parties). To the extent that it lawfully may, each Loan Party hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Administrative Agent's (on behalf of the Secured Parties) rights and remedies under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Loan Party hereby irrevocably waives the benefits of all such laws.

11. Loan Parties' Obligations Not Affected.

The obligations of each Loan Party hereunder shall remain in full force and effect without regard to, and shall not be impaired by (a) any exercise or nonexercise, or any waiver, by the Administrative Agent or any Lender of any right, remedy, power or privilege under or in respect of any of the Obligations or any security therefor (including this Agreement); (b) any amendment to or modification of the Credit Agreement, the Notes, the other Loan Documents (other than this Agreement) or any of the Obligations; (c) any amendment to or modification of any instrument (other than this Agreement) securing any of the Obligations, including, without limitation, any of the Security Documents (other than this Agreement); or (d) the taking of additional security for, or any other assurances of payment of, any of the Obligations or the release or discharge or termination of any security or other assurances of payment or performance for any of the Obligations; whether or not such Loan Party shall have notice or knowledge of any of the foregoing, such Loan Party hereby generally waiving all suretyship defenses to the extent applicable.

12. Proceeds of Disposition; Expenses.

Each Loan Party will pay any and all (i) reasonable charges and costs and all taxes incurred in implementing or subsequently amending this Agreement, including, without limitation, recording and filing fees, appraisal fees, stamp taxes, and reasonable fees and disbursements of the Administrative Agent's counsel incurred by the Administrative Agent, in connection with this Agreement, and (ii) fees and disbursements reasonably incurred by the Administrative Agent in the preparation, execution and delivery of any waiver or consent by the Administrative Agent relating to this Agreement, and in the enforcement of this Agreement and

in the enforcement or foreclosure of any liens, security interests or other rights of the Administrative Agent under this Agreement, or under any other documentation heretofore, now, or hereafter given to the Administrative Agent, on behalf of itself and the other Secured Parties, in furtherance of the transactions contemplated hereby all in accordance with Section 10.04(a) of the Credit Agreement. In addition, after the occurrence and during the continuation of an Event of Default, each Loan Party will also pay all reasonable costs and expenses of the Administrative Agent in connection with the enforcement of this Agreement and with the enforcement or foreclosure of any liens, security interests or other rights under this Agreement, or under any other documentation heretofore, now, or hereafter given to the Administrative Agent in furtherance of the transactions contemplated hereby.

13. Indemnity; Release of Intellectual Property Collateral.

13.1. Each Loan Party agrees to reimburse the Administrative Agent (on behalf of itself and the other Secured Parties) and the Lenders for, and indemnify them against, any and all losses, expenses and liabilities (including liabilities for penalties) of whatever kind or nature sustained and reasonably incurred (other than as a result of the gross negligence or willful misconduct of the Administrative Agent or any Lender as determined by a final and nonappealable judgment of a court of competent jurisdiction) in connection with any claim, demand, suit or legal or arbitration proceeding relating to this Agreement, or the exercise of any rights or powers hereunder, including reasonable attorneys' fees and disbursements. Each Loan Party and the Administrative Agent may from time to time agree in writing to the release of certain of the Patents and Trademarks from the security interest created hereby, and, in the case of Patents or Trademarks each Loan Party proposes to abandon, the Administrative Agent agrees that, so long as an Event of Default has not then occurred and is continuing, it will release its security interest in any Patent or Trademark each Loan Party proposes to abandon so long as such Patent or Trademark is no longer used by such Loan Party and is not material to the operations of such Loan Party, provided that after the occurrence and during the continuance of an Event of Default, the Administrative Agent's consent will be required prior to any such release and abandonment.

13.2. Each Loan Party shall hold the Administrative Agent and the Lenders harmless from any and all costs, damages and expenses which may be incurred by the Administrative Agent (on behalf of itself and the other Secured Parties) or the Lenders in connection with any action or failure to act by any Lender or the Administrative Agent (on behalf of itself and the other Secured Parties) in connection with this Agreement, except those arising from the gross negligence or willful misconduct of such Lender or the Administrative Agent, as determined by a final and nonappealable judgment of a court of competent jurisdiction.

14. Relation to Security Agreement.

Any and all rights and interests of the Administrative Agent (for the benefit of the Secured Parties) in and to the Patents and Trademarks (and any and all obligations of the Loan Parties with respect to the same) provided herein, or arising hereunder or in connection herewith,

shall only supplement and be cumulative and in addition to the rights and interests of the Administrative Agent (and the obligations of the Loan Parties) in, to or with respect to the Collateral provided in or arising under or in connection with the Security Agreement and the Credit Agreement and shall not be in derogation thereof.

15. Overdue Amounts.

Until paid, all amounts due and payable by any Loan Party hereunder shall be part of the Obligations.

16. Governing Law; Consent to Jurisdiction.

THIS AGREEMENT AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW). Each Loan Party agrees that any action or claim arising out of any dispute in connection with this Agreement, any rights or obligations hereunder or the performance or enforcement of such rights or obligations may be brought in the courts of the State of New York sitting in New York County or the United States District Court of the Southern District of New York and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Borrower by mail at the address specified in Section 10.02 of the Credit Agreement or any other Loan Party by mail at the address specified in connection with such Loan Party's signature to the Guaranty. Each Loan Party hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

17. Waiver of Jury Trial.

EACH OF THE PARTIES HERETO WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OR ENFORCEMENT OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, each Loan Party waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. Each Loan Party (a) certifies that neither the Administrative Agent, nor any Lender nor any of their respective representatives, agents or attorneys has represented, expressly or otherwise, that they would not, in the event of litigation, seek to enforce the foregoing waivers or other waivers contained in this Agreement and (b) acknowledges that, in entering into the Credit Agreement and the other Loan Documents to which they are parties, the Administrative Agent and the Lenders are relying upon, among other things, the waivers and certifications contained in this Section 17.

18. Miscellaneous.

The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon each Loan Party and its successors and assigns, and shall inure to the benefit of the Administrative Agent and the other Secured Parties and their respective successors and assigns (for the benefit of the Administrative Agent and the other Secured Parties). If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. Each Loan party acknowledges receipt of a copy of this Agreement.

19. Notice, etc.

All notices, requests and other communications hereunder shall be made in the manner set forth in Schedule 10.02 of the Credit Agreement.

20. Secured Hedge Agreements or Secured Cash Management Agreements.

All obligations of each Loan Party under or in respect of Secured Hedge Agreements (which are not prohibited under the terms of the Credit Agreement) or Secured Cash Management Agreements to which any Lender or any Affiliate of any Lender is a party, shall be deemed to be Obligations secured hereby, and each Lender or Affiliate of a Lender party to any such Secured Hedge Agreement or Secured Cash Management Agreement shall be deemed to be a Secured Party hereunder with respect to such Obligations.

No Person who obtains the benefit of any Lien by virtue of the provisions of this Section 20 shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and only to the extent expressly provided in the Loan Documents. Each Secured Party not a party to the Credit Agreement who obtains the benefit of this Agreement by virtue of the provisions of this Section 20 shall be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of the Credit Agreement, and that with respect to the actions and omissions of the Administrative Agent hereunder or otherwise relating hereto that do or may affect such Secured Party, the Administrative Agent and Related Parties shall be entitled to all the rights, benefits and immunities conferred under Article IX of the Credit Agreement.

21. Reinstatement; Continued Powers; Termination.

21.1 Reinstatement. The granting of a security interest in the Collateral and the other provisions hereof shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by any Secured Party or is repaid by any Secured Party in whole or in part in good faith settlement of a pending or threatened avoidance claim, whether upon the insolvency, bankruptcy or reorganization of any Loan Party, all as though such payment had not been made. The provisions of this Section 21.1 shall survive repayment of all of the Obligations and the termination or expiration of this Agreement in any manner,

including but not limited to termination upon occurrence of the Termination Date. For purposes of this Agreement, "Termination Date" means the date of which the following has occurred: (a) the termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank have been made) and (b) the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the Administrative Agent and the L/C Issuer have been made).

21.2 Continued Powers. Subject to the provisions of Section 7, until the Termination Date has occurred, the power of sale and other rights, powers and remedies granted to the Administrative Agent, for the benefit of the Secured Parties, hereunder shall continue to exist and may be exercised by the Administrative Agent at any time and from time to time irrespective of the fact that any of the Obligations or any part thereof may have become barred by any statute of limitations or that any part of the liability of any Loan Party may have ceased.

21.3 Termination. Subject to the provisions of Section 21.1, this Agreement (as supplemented from time to time), and all obligations of the Loan Parties hereunder (excluding those obligations and liabilities that expressly survive such termination) shall terminate without delivery of any instrument or performance of any act by any party on the Termination Date. Upon such termination of this Agreement, the Administrative Agent shall, at the request and sole expense of the Loan Parties, promptly deliver to the Loan Parties such termination statements and take such further actions as the Loan Parties may reasonably request to terminate of record, or otherwise to give appropriate notice of the termination of, any Lien conferred hereunder.

Further, the Administrative Agent hereby agrees that its security interest in such portion of the Intellectual Property Collateral which is sold by any of the Loan Parties pursuant to a Disposition permitted under Section 7.05 of the Credit Agreement or as a result of any other transaction permitted by the Credit Agreement, pursuant to which any Loan Party is no longer required by the terms of the Credit Agreement to be a pledgor hereunder or any Intellectual Property Collateral is no longer required to be covered by a security interest hereunder, will be automatically released. Such security interests created hereby in and with respect to such released Intellectual Property Collateral shall terminate and be automatically released, all without delivery of any instrument or performance of any act by any party. In the case of any termination referred in the immediately preceding sentence, the Administrative Agent shall, at the request and sole expense of the Loan Parties, promptly deliver to the Loan Parties such termination statements and take such further actions as the Loan Parties may reasonably request to terminate of record, or otherwise to give appropriate notice of the termination of, any Lien conferred hereunder.

22. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute

this Agreement by signing any such counterpart. This Agreement shall be effective when it has been executed by the each of the Loan Parties and the Administrative Agent.
